My goals and challenges every season are to improve my game. I love watching football as much as playing so do try new things when I see them, some work, some don't. This season has been a good one for me personally, being invited to trials at Bolton, Burnley and Man City.

Soccer has been my passion since I have memory. At this short age I see it has made me a better person, in and out of the pitch. I will become a pro soccer player one day and build a name for myself. I don't like to compare myself with any player!

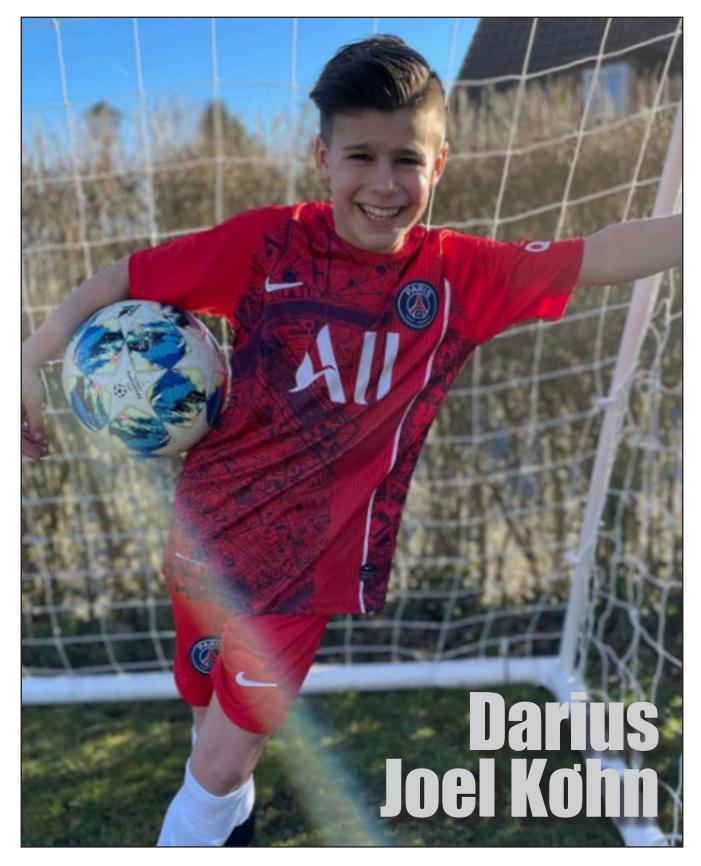

My name is Darius Joel Köhn.

I have lived with my grandparents for 11 years. Since my grandmother is a gymnastics coach, I grew up with sports. At the age of 5 I discovered my love for football. I live in the country and here in the club I was spotted by a talent scout and got into a better club. My grandmother is my manager through videos and extra training she taught me that you have to fight for your dream

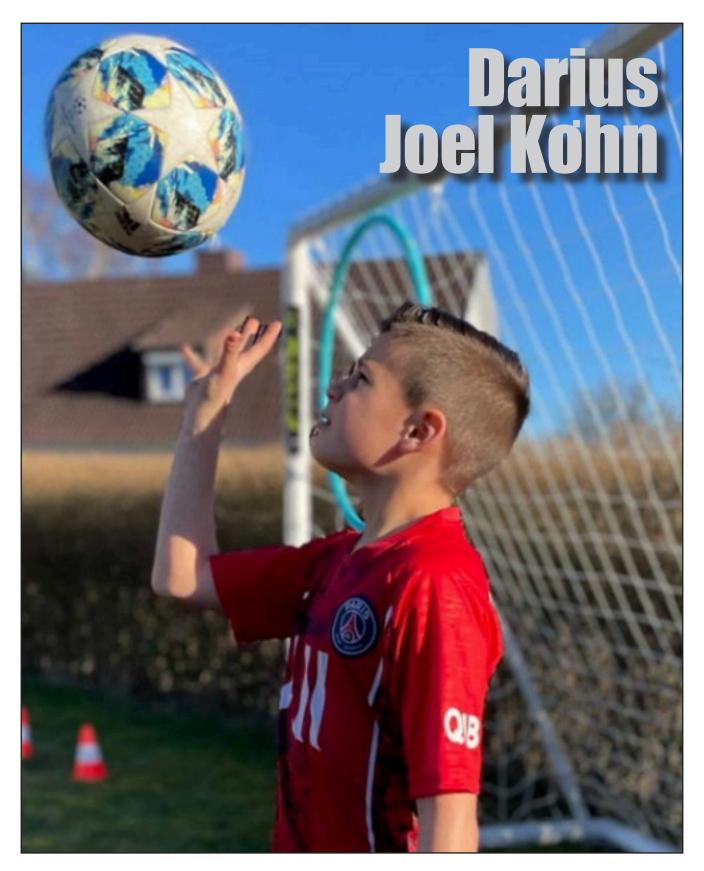

And I do that, I always give my all.Now I've been playing in the DFB since last year and I'm very proud of it.My dream is to become a professional soccer player, no training is too hard for me or no path too steep, I fight for my dream. If this doesn't work out, I want to become a police officer.

Aaaaaaber I'm not giving up my dream. I'm from Lütjenburg in Schleswig-Holstein.
