Amanda Terzian

My name is Amanda Terzian, I am 16 years old and I have been dancing since the age of two years old. I am an ambassador for a dance convention called Luminous Tour, and a dancewear brand called Dancespirations Designs. I am also a member of Purple Pixies Dancewear "Street Crew".

I currently attend Starlight Performing Arts Center where I train in dance, acting, and singing. I am on their All-Star team. I have trained in many styles of dance including lyrical, contemporary, modern, jazz, tap, ballet, pointe, hip hop, musical theater dance, and acro.

I have many other interests aside from dance. I love art, crocheting, singing, theater, sewing, baking, yoga, pilates, fashion design and more. I also love performing in shows. Although I love these things dance is my true passion.

I am a member of my studio's competition team where I compete in dance, vocal/ musical theater, acapella, and acting. I compete in over 12 numbers per year including two dance solos, a vocal solo, and a monologue. I love attending competitions and conventions with my teammates as well as independently.

I have been on my current studio's competition team for 3 years. My old studio did not have a competition team, so when I was 13 years old I made the hard decision to change studios. I love my studio and teammates but it was scary being on a competition team at first. At my first ever competition I received the lowest score of the entire competition. I was so disappointed in myself. Instead of giving up, I continued to practice every single day. I would practice whenever I got the chance. I would even stay home alone while my friends and family were

going out so that I could practice. After just 2 years I now compete in the advanced division at competition, and I have won many overall awards (including multiple 1st). This has showed me that hard work pays off. Even though it feels good to win, that is not what dance is about. You can always be better. I still continue to work hard every single day to become the best dancer that I can be.

Even though I love performing, my dream is to become a fashion designer. I have wanted to be a fashion designer almost my entire life. I have taken fashion classes throughout New Jersey and NYC. I even started homeschooling this year to focus more on fashion. I have already started designing and making my own dancewear. This past year I designed my Lyrical and Jazz solo

costumes. I am currently working on selling custom costumes. I plan to open my shop within a few weeks. I also have a small business called Sunny Stitched Crochet Tops. I plan to attend collage to become a fashion designer. I would love to design formal wear, costumes, and active wear. It would be a dream to one day have my own dance wear brand.

Wherever life takes me I know that I will never stop dancing. I hope that whoever is reading this has learned that it is never too late to start new. I have hit many obstacles such as injury's and conflicts, but I never let that stop me. With hard work and determination you can do anything.

Katerina Seregina

Hi! My name is Katerina Seregina. Dance is my passion because I love doing it. I enjoy ballet because it is so beautiful and precise, plus it challenges me. Contemporary is another one of my favorites because it is really expressive and emotional. Another style of dance that I really like is jazz because it's sassy and energetic, and it pushes boundaries. I am a competitive dancer, however I sometimes attend other dance events

such as concerts or festivals. I love playing with different movements and creating new dance combos and solos. My family is very supportive of what I do. An achievement of mine is becoming the junior solo champion at Terpsichore Canada. I choreographed a huge chunk of my winning solo. Thanks for reading!
