Chloe

Hi! I'm Chloe! I've been dancing since the day after my 2nd birthday! I'm now 11 years old. I've been on the competition team at my dance studio for 8 years. I dance at Center Stage Dance in Enterprise, Alabama with Mrs. Crystal and Mrs. April-two of the best dance teachers! I love Lyrical and Contemporary dance and also LOVE Acro too! I've grown to have a love for

ballet too thanks to my ballet teacher, Mrs. Taryn.

I love getting to travel all over and dance. I have gotten to do so many cool things and achieve so many neat things so far. I also get to work with a dance company, Sugarhaul as a Sugarmodel & Sugarpro! All things revolve around dance for me!

My name is Kerry and I'm a midwest photographer. The manual lens I utilize for shoots creates remarkable artistic bokeh in the fore and background of the model with the help of nature's objects.

I have a passion to explore and exploit this immense beauty that our world has to offer and maybe convince

others to break free from your hectic lives for a brief moment and appreciate the elegance in front of us.

My model's emotions enhance nature's art to form a balanced effect and theme that I strive for.

Melanie Bell

Thank you for the opportunity to be featured in your magazine.

I, Melanie Bell, am a free spirit that loves life and all the beauty it holds.

I have many goals and I am always finding another one to achieve. Presently I am working towards modelling and someday being a published model.

My greatest achievements so far

is raising my three boys. Recently I achieved winning the title of Ms. Alberta and Ms. Canada 21/22. I always enjoyed being in front of the camera at a young age. I did however take 19 years off of modelling to raise my wonderful family.

Some of my challenges I have over come so far, were brain tumour surgery and being a domestic violence survivor.

I still have daily challenges such

as continuing to holding a full time job while raising my three boys as a single mother. I work everyday at becoming a role model for other single mothers and my children's friends and families. Mental health, anxiety, and PTSD is a challenge I still face today. I have learned that these challenges will not let me stop from following my dreams.

Michaiah Martinez

Hello everyone, I'm Michaiah and I'm 2 years old. My current hobbies are everything. The world is new to me. My Mom & Dad show me everything. My mom is from Ethiopia so I'm proudly following in her footsteps with their traditions and culture. Of course, I get my beauty from my mom and now I'm inspiring to be a model. My moves come from my dad. My dad loves music and so do I. Before I would listen now, I pick and choose. I'm always singing and dancing to a little bit of everything.

My goal is to make the world smile. Like my mom & dad they have traveled the world and I want to do the same. I see with the pictures and videos we have made I can bring joy to people. I'm thankful for everyone, the love and support given. I'm ready to shine. Thank you God, for my life. I'm blessed.

Sara Haber

This year of 2022 I am focusing on make more sales with my collections. I am also looking for on-going customers to keep my sewing and design business a float. I am always looking for Models that will represent my brand well. I have worked with over 100 plus models and every single one of them has represented my brand well. They also made my work come alive. Every year I always come up with newer collections of every clothing genre. But the one Model that stood out the most is Sara Haber because

she has modeled all 32 outfits designed by me very well. I started working with her since 2018 after I selected her from a Model Casting that I had put together. The fact that she reached out at first before the Model Casting to work with me, I must be doing something right. So basically this year I am looking to make more sales and the customers buy at the regular price. There is always more to come. So stay tuned.
