I found myself in my model career, it gave me strength, joy, peace and self confidence to go for whatever it was in life that I wanted. My children get a better me my life has changed for the better. Know I am a Producer I own my own media network Circuitry Media Network, I have a successful podcast She Say He Say ATL, I help other women with my group for women empowerment Sophic Models and I am working in film as well.

To be a model means to empower those that never felt good enough or pretty enough to take that leap of faith to charter waters untouched! I want to keep being a sounding board for women and men to see the them that lies behind that scared person inside go for what your heart desires and too can live out your dreams!

Hi I am Reyna Montgomery & I am a non binary model & actor making strides within the entertainment industry. I am a 4x published model in various magazines as well as being featured in my first film Taste ATL The Series airing on Amazon Prime in July 2022. Being a non binary entertainer you face challenges of being so far outside of the "norm" you tend to get overlooked; but in facing that obstacle it has lead me to be resilient,

confident & determined to shine my light and be accepted and seen within the industry in the most authentic way. My mission is to keep shining my light to give others the same freedom. If you give the gift of You to this world, you set others free with your light.

Zaid Adam

My name is Zaid Adam. I'm an actor and hip hop dancer located in Southern California. I've been in the industry for about one year and am enjoying the actor's life which allows me to meet new people, show different sides of myself, and grow as a person. One of my favorite memories was meeting Tim Allen on the set of The Santa Clause TV series. It inspired me to continue studying acting to fulfill my dream of becoming a series regular on a popular TV show.

I also love to dance, and continue to work hard in the dance studio with my team for our upcoming competitions. I love the electric feeling of performing on stage in front of a live audience. In the past, I have been nervous before stepping out onto the stage, but I always remember that my parents and friends are in the audience supporting me. That always helps me show up at my best and enjoy the moment!
