My name is Lea . I was born in South Africa, but I currently live in the Netherlands with my family.

One of my dreams is to become an artist, the other is to become a ballerina.I have a great passion for both dreams.

My goal is to work hard in school to achieve high grades, to grow and learn more art techniques and to be more spontaneous and try new things.

A great challenge for me was when I was diagnosed a couple of months ago with Crohns disease.Moving to the Netherlands also has its challenges because I have lived in South Africa all my life.

When I was six, I was selected to be on a South African v o d a c o m commercial.I enjoyed every minute on the set.

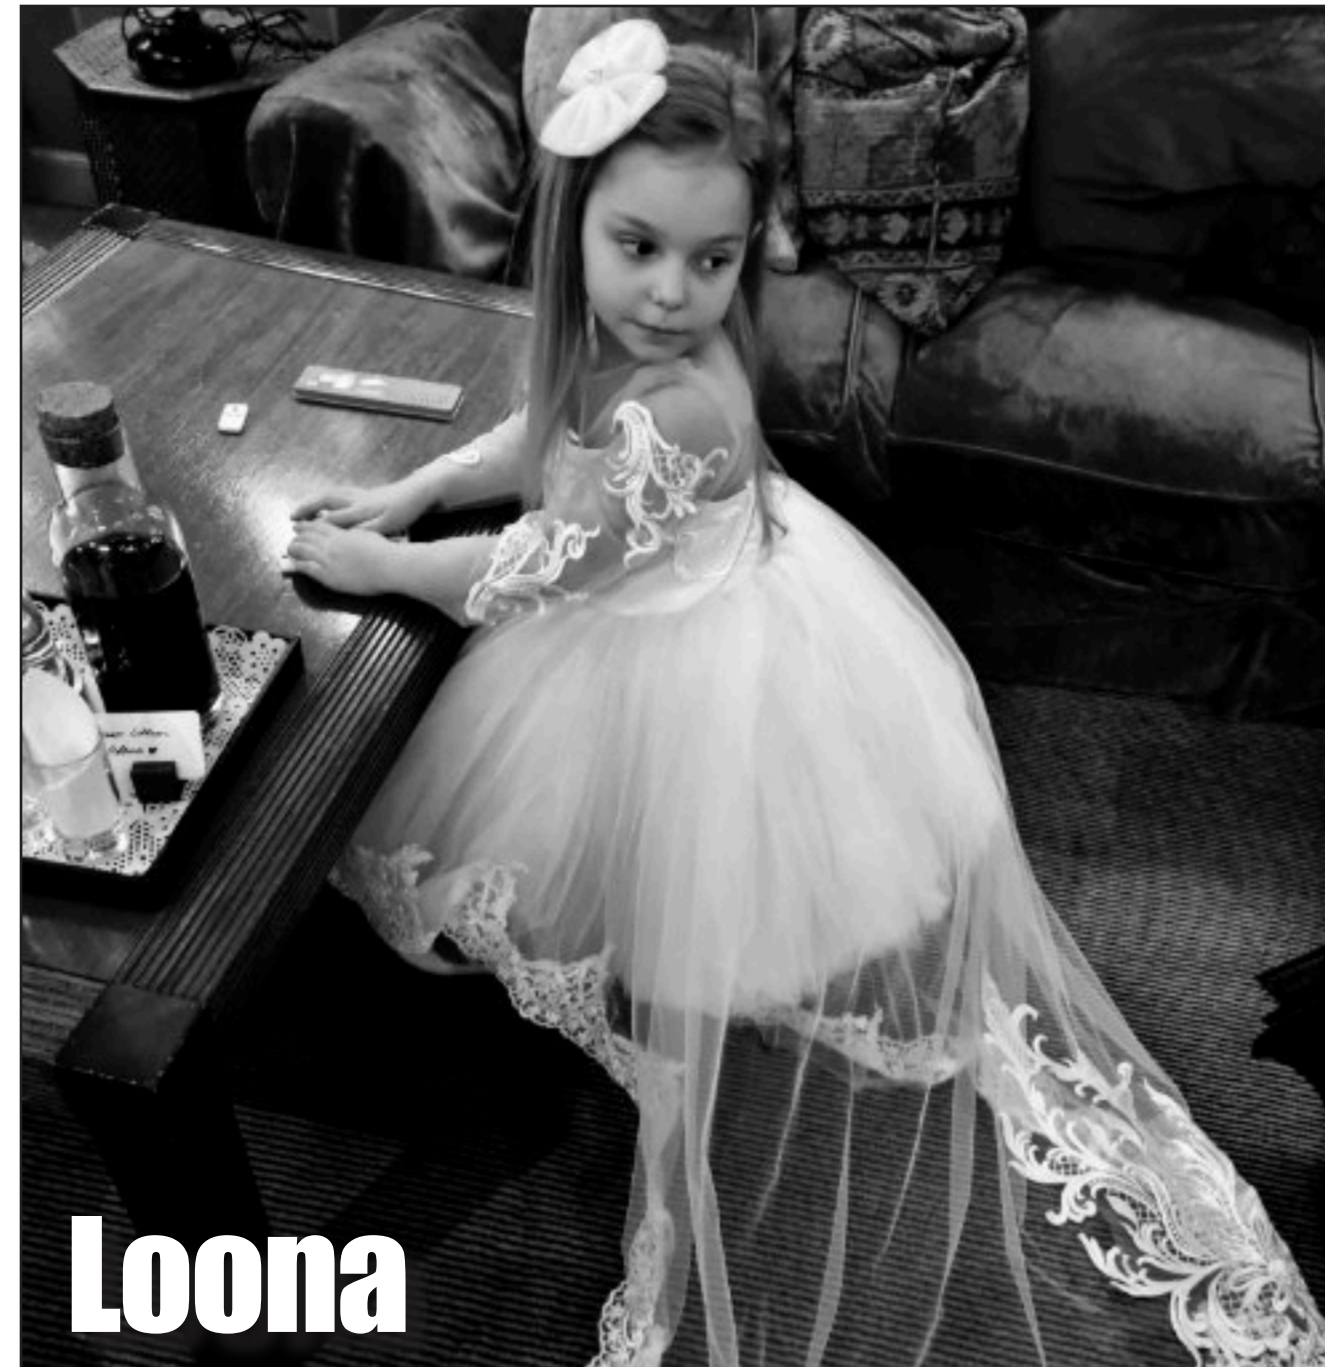

I can hardly wait for all my future adventures.

My name is Olivia Norton and I am a model and competitive cheerleader. I started modeling within the last year, but started competitive cheerleading when I was 4 years old. My dream is to become a runway model and walk for some of the best in the business. I do struggle with ADHD (and other ailments that accompany that diagnosis) so sometimes it is difficult for me to immediately grasp a new

choreographed tumbling pass, but I plan to one day reach my goals with hard work and determination. I enjoy the spotlight and bask in my chance to shine on stage!
