Es ist ein Lebenswerk und man sollte wissen was man tut . Daher war ich bisher vorsichtig, aber bin mir nun sicher es auch als meinen Beruf zu gestalten.Der Punkt dabei ist eine kontinuierliche weiter Entwicklung, um auch Grenzen einer selbst zu überschreiten .

Hygiene und Präzision ist zu jederzeit ein Muss. Das "A und O" so zu sagen

Ich versuche stets Kundenwünsche individuell und zu voller Zufriedenheit anzufertigen.

Ich hoffe es werden viele weitere Kunstwerke und dank eurer Unterstützung bin ich auch sehe zuverlässig.

My dreams are to be the best mother and wife to my family I can be.

I'm 33 years old, with 3 wonderful children. Married for 14 yrs. to the love of my life.

My goal is to experience as many things in life as possible, modeling being one of them.

I've been blessed with the ability to do all the above.

I enjoy outdoor activities like camping and four wheeling with friends and family.

We all face consistent challenges in life, but friends and family always seem to get me through

whatever life presents.

Modeling and tattoos have always been a passion of mine, not to mention the beach and nature. I love to be able to incorporate the things that bring me bliss into my shoots.

I am also a Dean's List student who attends a CSU for a BA in Business Management. To help balance my work and

pleasures of life I love to schedule shoots during the school year and get that sense of escape.

I aspire to positively influence others and help them realize their potential, I love to see people around me succeed.
