My biggest dream and goals currently is to start a non profit to help provide information and resources to families of the incarcerated. Providing the tools, resources and education needed to prevent recidivism by putting families first at all costs by providing legal help,

counseling, financial aid and community events to spread awareness to others about our troubled legal system.

Sara has been modeling for me for 4 years. It all started when I met her on Model Mayhem and she sent me a message wanting to work with me. She sent me a video of her catwalk for Model Casting and she passed the test. So she modeled for a Fashion Show where I showcased my collections it's entitled "Givin Me Life back in 2018 hosted by Donnetta Loper. She

also modeled in all of my Virtual Fashion Shows including this year. So we have a tight working relationship. She has modeled all 32 outfits from me in all different clothing genres. I am so glad that I got the chance to work with her.
