Michael Mahal was a legendary producer of films. He passed away unexpectedly in May 2025. He will always be remembered for his passion for filmmaking and his generosity in helping others. It had long been on my bucket list to work with Michael and Sonny Mahal. The film "Alien Storm" was a dream come true, and I was honored to work with Mahal Empire Productions, Tom Arnold, Adam Werth, Michael Su, Tony DeGuide, and all of the incredible cast and crew. Michael was a true collaborator and mentor, always ready to lend a hand and offer valuable guidance. His legacy lives on through the films he helped bring to life and he will never be forgotten!

Faye Delune

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

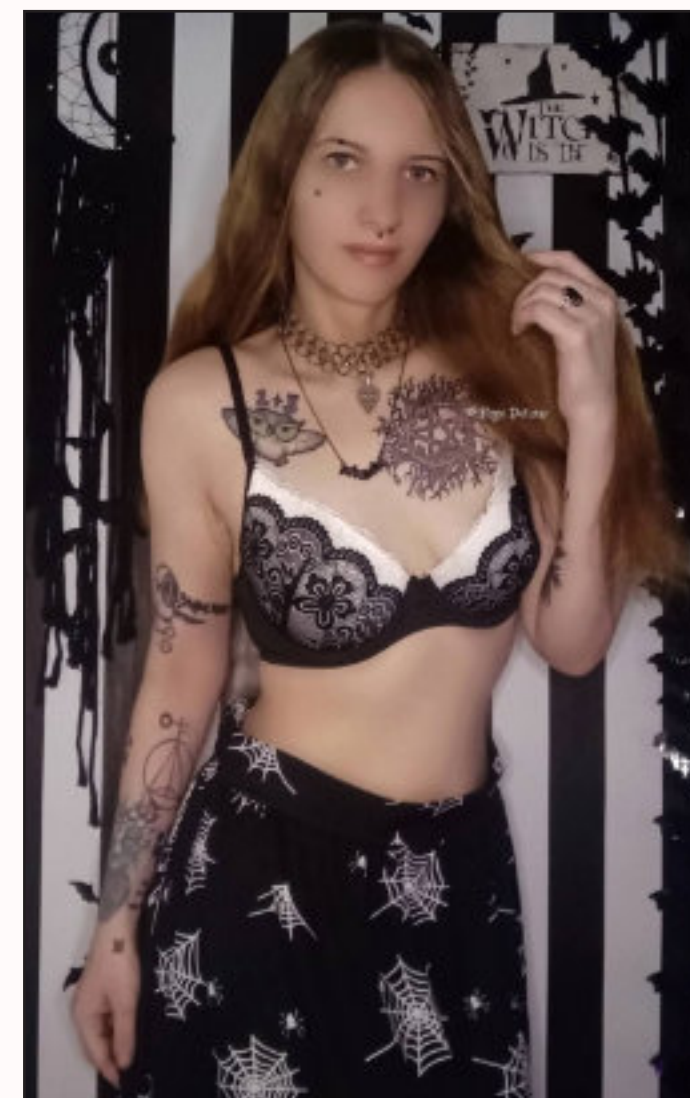

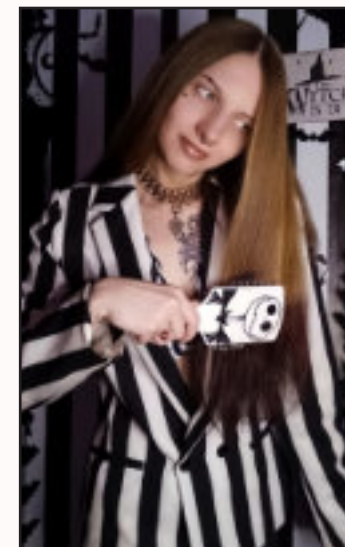

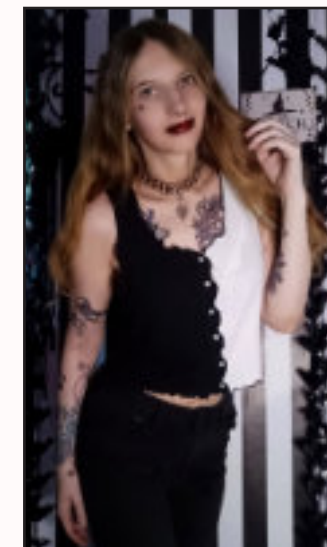

I love making art, and love showing it off.

My name is Kadrolsha Ona Carole, and I walk the path of passion fused with perseverance. My journey has never followed a straight line—but in every twist, challenge, and victory, I've found clarity in who I am and what I strive to become. I am the host of Hollywood Entertainment News and trademarked as The Queen of the Paranormal.

My dreams are vivid, not only in imagination but in intention. I dream of a world where empathy takes precedence, where creativity isn't just entertainment but transformation. I dream of telling stories—whether through film, stage, written word, or spirit—that leave lasting impressions. My ultimate dream? To inspire generations to rise, speak, and act boldly in the pursuit of their truth.

**Kadrolsha
Ona Carole**

My goals are grounded in action not talk.

Expand my creative legacy through impactful media—whether that be through film appearances, book projects, or spiritual guidance.

Uplift other dreamers, especially women carving their own paths in entertainment and entrepreneurship.

Bridge the visible and invisible realms, making space for conversations that are often dismissed but deeply transformative.

Preserve authenticity in every endeavor, refusing to bend to the expectations of those who want to shrink my voice.

Achievements

I've worn many titles: actress, author, spiritual advocate, and cultural contributor. But beyond the accolades and interviews, my greatest achievement is remaining true to myself.

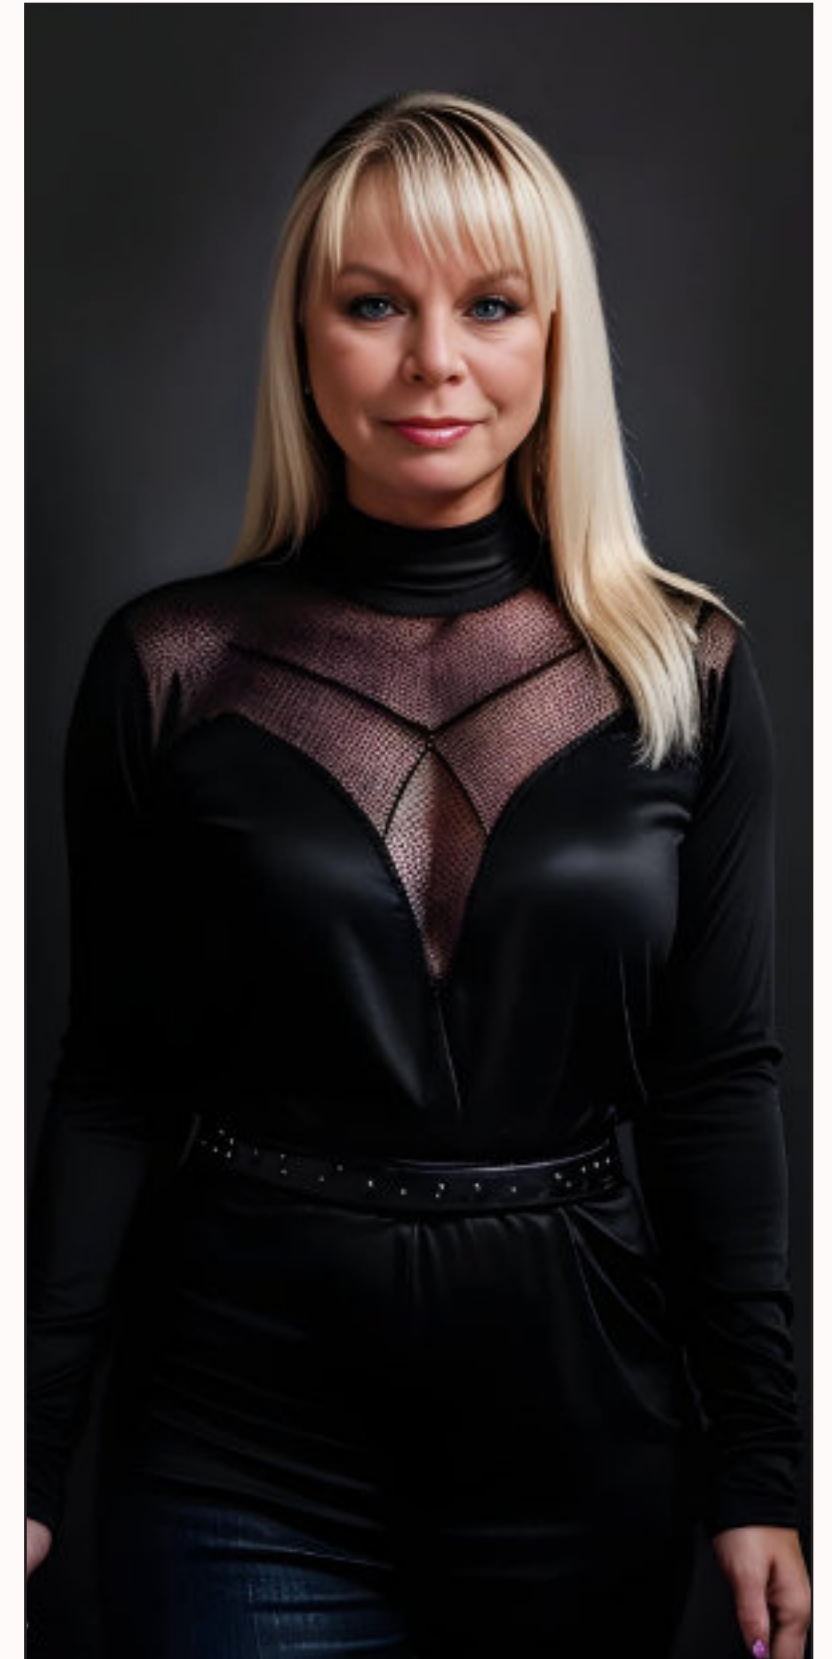

I am the first person in Comic Book history to be a superhero doing what she does in real life between the pages of a comic book.

I've contributed to major paranormal and pop culture platforms, blending mysticism with mainstream reach.

My spiritual insights have helped countless people find healing, validation, and direction.

I've advocated for representation and authenticity in creative industries that often prioritize perfection over truth.

No journey worth traveling is free of friction. I've faced skepticism, pushback, and at times outright dismissal—especially as a woman merging spiritual insight with public

influence. There were moments when the noise of doubt almost drowned my inner voice. But those challenges didn't stop me—they refined me. Every no became fuel. Every setback, a setup for something bigger.

This isn't the end of my story—it's a living testament, still being written every day. The dreams evolve. The goals grow. The challenges sharpen me. And the achievements? They're simply milestones on the road to something even greater.

To anyone reading this: Don't wait for permission to live your truth. Make space for your dreams, take pride in your fight, and celebrate every small win along the way.

Hi, I'm Marneen Fields. You may know me as Marneen Lynne Fields for my music—but as Marneen Fields, I've lived a life of daring artistry. A journey that spans acting, stunt work, scriptwriting, filmmaking, and relentless courage. My story is one of dreams pursued, goals realized, achievements earned, and challenges met head-on with grace and grit.

Dreams: Before Hollywood discovered me, I was

a champion college gymnast. That discipline and passion shaped the performer I became. Whether executing high-risk stunts or delivering heartfelt performances, the dream was always to captivate audiences and spark emotion through powerful storytelling.

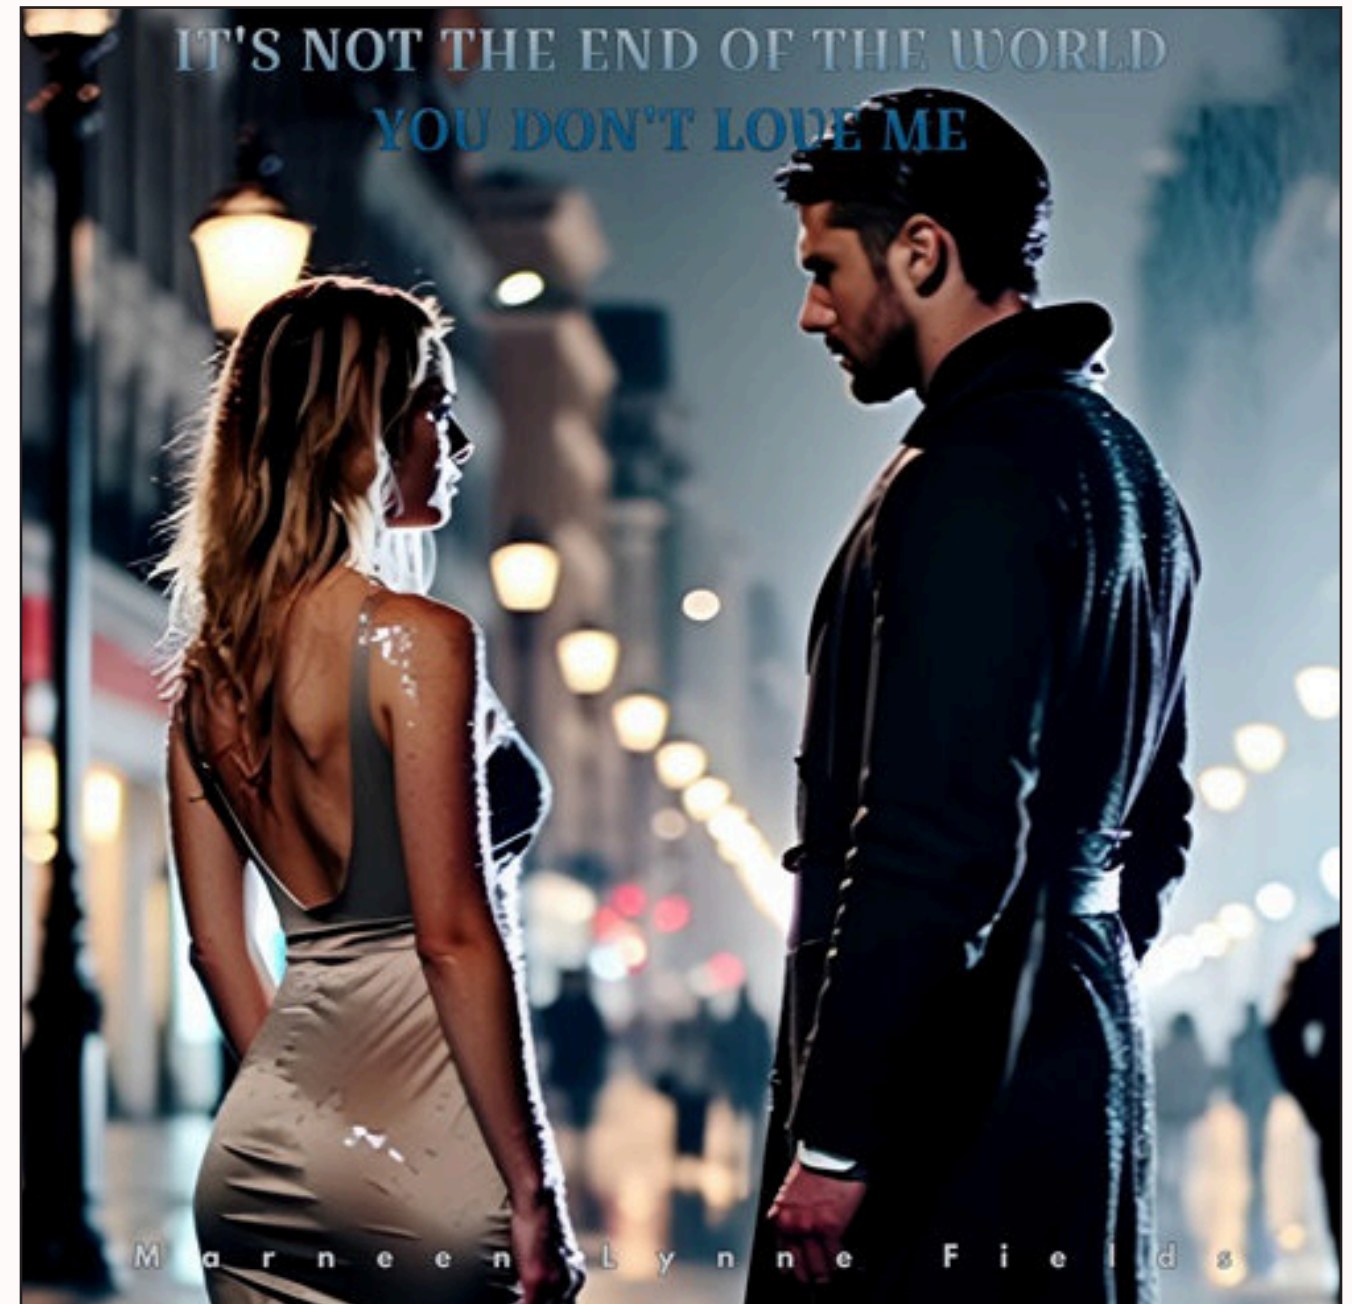

Goals: My goals have stretched far beyond any one role or genre. I've appeared in over 150 films and primetime TV shows—at every level of

production. I strive to make art that's emotionally raw, narratively bold, and culturally resonant. Each project is a mission: to deepen the conversation and inspire courage through truth.

Achievements: Recognized on Wikipedia as one of the most prominent stuntwomen and stunt actresses of the 1970s and '80s, I've left my mark across Hollywood history. But the accolades didn't stop there. I've won or been nominated for

more than 75 awards celebrating my work in screenwriting, filmmaking, acting, music composition, singing, and stunt performance.

I'm the proud author of the 5-star rated book "The Illusive Craft of Acting: An Actor's Preparation Process," offering aspiring artists a blueprint for authenticity. My award-winning short documentary "The Remarkable Resilience of Marneen Fields" showcases my incredible journey. My film, "Marie: Who's Gonna Take Care

of Me," tells the story of saving my mentally ill and homeless mother—a deeply personal and socially vital narrative. And coming Spring 2026, my filmography book "Rolling with the Punches with a Hollywood Fall Girl" will chronicle it all.

In June this year I was booked as a celebrity at the famous Hollywood Show for my role of Dorothy (Scarecrow's girlfriend at the Oz Network) on the hit TV series, "Scarecrow and Mrs. King."

I've just released a new single titled It's Not the End of the World You Don't Love Me, available now on all major platforms—a soulful anthem of heartbreak and empowerment.

Challenges: Through it all, I've battled enormous challenges. A near-fatal car accident led to a series of life-threatening operations. My severe hearing impairment and ongoing physical limitations—residual effects of my stunt career—have tested me in every way imaginable. But pain sharpened my artistry. Limitations forged deeper layers in my performance. The obstacles haven't kept me down—they've made me unshakable.

I remain fiercely devoted to the arts, to the mission, and to the message: resilience is the true mark of greatness.

A Final Message to Fellow Artists To every artist out there chasing a dream that others might not

understand—keep chasing it anyway. Your vision matters. Your voice matters. And the courage to create, even when you're broken or battling uphill, is the most profound performance of all.

"Don't wait for perfect circumstances. Use the gifts you have now. Make your art roar through

the silence and defy the limitations—because someone out there needs to feel what only you can express." —Marneen Fields
