My favourite foods are poutine and cheeseburgers. When i'm not busy I like playing Xbox with my friends. I love playing sports but hockey is my all time favourite. It takes a lot of practice but its worth it. I want to be the best player I can be. My favourite players are Auston Matthews, Connor

McDavid, Sydney Crosby and Alex Ovechkin. I love the Toronto Maple Leafs the most though. Maybe one day i'll play in the NHL like some of the greats, but If not I will have made many friends and memories along the way.

My hopes and dreams for the future is to receive a scholarship, so that I can get support to pay for my education, while also enduring in the sport that I love. Everyone's dream is to make it to the NHL, but my goal is to try and get a good education, and a good career out of hockey, even if I do not make

it to the pros. I have 3 dream jobs. To be a pro goaltender, to be a police officer, or even to pursue a job in the aviation industry. I love the game of hockey, and I have been playing competitive since I was 7.

My name is Jeremiah 'G' Simmons and I like football. I started playing when I was 7. At first I thought it was pretty fun but then when I turned 9 I got more into it. I started my first year of tackle football at 9. My dad realized I was talented and helped me get better. He noticed I was playing with kids not that good and with bad competition. He got me with a better league with more

exposure and I made it into the Division 2 National Championship! I think this is only the beginning of my career and I hope I make it to the NFL. I will do broadcasting for the NFL as well after my football career is over and I make those dreams come true. I will do my best to help my 5 brother's dream come true as well.

My name is Lucas and I am eight years old. I have been playing football since I was five years old. I am proud to be half Portuguese and half Australian.

I am fast and skillful which is why I enjoy playing on the wing. I also like playing left or right back because I like tackling hard, winning the ball, and running down the wing. I work hard on strengthening my left foot to become a better player.

My biggest achievement and the most memorable moment is winning the gold division at the PAL (Premier Academy League) Nationals. The final went to a penalty shoot-out, and I was the first penalty taker and scored top bins.

My idol is Cristiano Ronaldo because of his incredible skills and hard work but I also like Mbappe because of his speed and he is the best in the world right now.

Currently, I play for Elle Football Academy and Cumberland United FC.

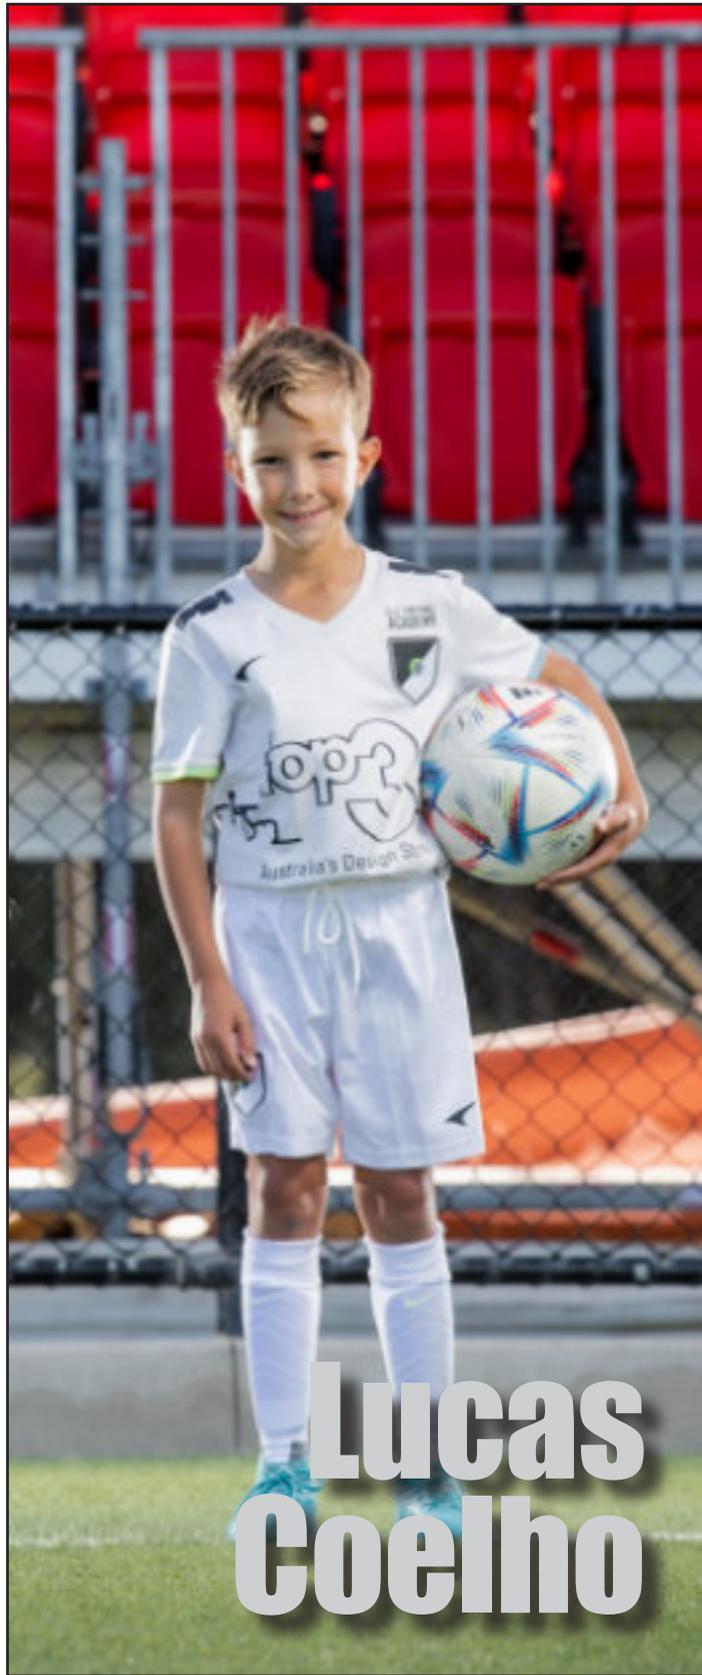

My dream is to become a professional soccer player. One day, I would love to play for FC Porto and the Portuguese or Australian National team.
