My name is Elisabeth Thomas, and I work hard to create a safe space for women! My goal is to promote body positivity and a healthy relationship with your own body. Society and the industry puts a lot of stress on younger girls and teens to be really skinny and flawless, but I strive to break all of those expectations.

A persons flaws are what makes them who they are and you will become most powerful when you are fully in love with yourself. If you agree in any way, join me to support women and follow along for tips on how to be confident!

I have always enjoyed dressing up in pinup styled clothing since I have always like to watch the older movies and listen to that type of music! I have that curvy figure and sure do like all kinds of food! As a big movie fan I also am told I look like Marilyn Monroe. She was one of my favorites! I have visited Paris and sure liked visited all the shops! I also live with a few on my girlfriends and we always go out to the movies! I do not have a car so I do a lot of walking which is healthy and I enjoy. It would be so exciting to live in Paris! It

would be fun to do an actual pin up shoot with a lot of classical cars, or trucks, or an old fashioned van. It does not bother me that I do not have a boyfriend since I have close girlfriends that I am always with. It is fun working in retail since I get to help ladies with choosing their outfits and they love my witty, cheerful, bubbly personality. Living in the city of San Diego sure is fun! There is always something to go to!

My name is Kelly Marie but people usually call me MJ just because I am always buying clothes, hats, scarfs, and my family and friends compliment my styles. They are know I am very fashionable with all the outfits I put together. It would be cool to maybe be a clothing designer. I also like to travel and meet all kinds of people. I have some

challenges due to my anxiety but I get a lot of support from church. I always keep a positive attitude and love taking my own photos as a hobby. I'll be turning 25 next month and will be celebrating it with my church friends.

Marissa has been modeling for me for 2 years now. She has modeled all 12 of my swimwear collection. I am so glad that she hit me up on Instagram wanting to work with me. I am so glad that I selected her as one of my Models. She has made my swimwear collections come to life. This year she requested for 2 more swimsuits along with a new design with an attached high-waist design. So basically not only she is my Model she is also my client. There is more to come. Coming soon.

Monica Faulk has been modeling for Colors Are Beautiful for 3 years. She is also a Brand Ambassador, Graphic Designer, Model Recruiter, Singer, Actress and more. So you can say she is Multi-talented. She also helped me to get all of my collections sold at a Consignment shop in her area since she is located in Pennsylvania. She has also bought my items as well. So we have a tight working relationship. We are still working together and future projects will be announced. I am so glad that she found me on Model Mayhem

and hit me up wanted to work with me. I am so glad that I chose her as one of my Models. She also made all of my genres in clothing come to life. In total she modeled all 14 collections from me. She was also in my Virtual Fashion Shows which turned out very well. I recommend her 100 percent.

Gosh, where do i begin. I first modeled at 4 years old my first time for a magazine for my county. Ever since then i felt happiest and most confident in front of a camera. My dream from then was when i grew older, i was gonna pick this up and try to make that little 4 year old girls lifelong dreams come true of being a published model signed one day with an agency. The challenges i've faced these past 7 years have been the hardest yet. I've dealt with depression, anxiety, and dark dark

times. When i started shooting with photographers recently, all of that has tremendously decreased. I feel I can be myself in front of a camera at my happiest, i feel confident and more myself than i ever have. It's truly my happy place when i'm shooting, and following my dreams to make that little me happy.

I am always taking photos with my swimwear outfits I have so I wanted to submit again to this magazine since it is very awesome that I can get myself promoted! I am from New Jersey and enjoy working as a waitress since recently I have gotten new customers and they have been leaving me nice tips which I appreciate! It is always a long day but I get through my days at work since I am such a people person! I also recently got more outfits so I will be also submitting those too! I also have

been doing other activities around my community such as churches and other non profit organizations. It is nice to just be friendly since people will trust you and they will listen to your life and you can learn so much about their lives! There is so much out there to learn and I enjoy learning different things!
