A Margaret has been modeling for my clothing line Colors Are Beautiful for 2 years. I was so glad that she hit me up on Model Mayhem wanting to work with me. So I accepted. I was doing a Model Casting and she submitted her catwalk to me. I gotta say that her catwalk was fierce and on point. Also she modeled in one of my Virtual Fashion Shows that turned out very well. I had all the Models to submit their videos of them modeling

my latest designs that I allowed them to keep. I am planning on doing another Virtual Fashion this year. Since the Covid-19 situation prevents me from having Fashion Shows in person, I decided to do it Virtually. I try to do that every year so Models and Clients can see my newest and latest designs. There is always more to come. So stay tuned.

Modeling and tattoos have always been a passion of mine, not to mention the beach and nature. I love to be able to incorporate the things that bring me bliss into my shoots.

I am also a Dean's List student who attends a CSU for a BA in Business Management. To help balance my work and pleasures of life I love to schedule shoots during the school year and get that sense of escape.

I aspire to positively influence others and help them realize their potential, I love to see people around me succeed.
