I'm a very accomplished individual. I've been in many magazines and box covers to include being In Hustler Magazine six times. I've shot for Reality Kings, Kink (made one of their box

covers), and shot for several other companies. Now, I'm focused on getting my Bachelor's.

My names Faye Delune, and I'm A Professional Model, Musician, Artist, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make

art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life

with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Art, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Artist, Writer and photographer, I have had the honor of

being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people.

I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.
I hope you enjoy my work, and I welcome you to my world.

My goals for myself are to become a successful entrepreneur. I dream to wear several jackets in this industry, not only as a model but as a role model and activist for tall plus size women like myself who may not feel confident enough in

who they are.

I am Shine Chavez, an aspiring Filipino model, who, in just the span of 6 months, was able to push myself to become a great model. I have trained hard and learned so much that I was able to make it to Italy and compete in The Look the Year 2022 and won the Best Hair

award. To this date, I still continue to work hard in hopes to be an international model that walks for huge brands.
