My name is Renate.. I am 52 years old and mother of 2 adult children.. Six months ago I emigrated from the Netherlands to Belgium.. I have been walking in fashion shows since I was ten.. I later followed a fashion course.. Designed and created my own children's clothing line.. And walked fashion shows and ended up in photo shoots as a model..

I also like to take photographs, so I am in front of,

but also behind the camera have been in various magazines and the highlight was on a billboard in New York last year. I don't know what the future will bring. I will see what comes my way. Moreover, I want to give everyone a chance, including novice photographers...
