My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on

countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

My name is Madeline Jonelle Goodridge I am a professional model & have been in the industry for a whole decade now . It has been & continues to be such an incredible journey ! I have had many exciting opportunities, working with so many wonderful photographers across New England as a freelance model ! In 2015 I entered into a Miss Jetset modeling competition & came in as 2nd place I poured my heart into that competition so I felt pretty slighted considering I held 1st place right up until they announced the winner , but I did not let that defeat keep me from trying again as the great Aliyah said " if at first you dont succeed dust yourself off & try again " that's exactly what I did ! A year later I entered to win Miss Jetset again & won 1st place representing my State with a feature as Miss Jetset Maine 2016 in Jetset Magazine !! It felt incredible & just goes to show you truly can make anything happen through passion & willpower!! I also entered another modeling competition shortly after & got selected out of 300 applicants to compete as a

top 5 Bond Girl ! I worked really hard with my online community & made it into the Top 5 Bond girls !! I was so incredibly excited because the Top 5 got an invitation to ring in the New Year & celebrate with Bostons Elite at an NYE red carpet event & what a magical night that was I got to meet & mingle with so many amazing people! Who ever had the most popular vote won the grand prize at the end of the night , I won 2nd place but it just felt so surreal & I was just so grateful to be there !! I have been beyond blessed in this industry making lifelong friendships along the way. It's a really great feeling to do what you love & share that love & passion with the world ! My hopes in the future is that I continue to climb the ladder of success in this industry & inspire others along the way, being an example for others to not be afraid to follow their heart & dreams in life !
