Aneira Rowlands

Hey! My name is Aneira and I'm 12 years old my favourite colour is little purple and I have 3 siblings, I do acting and dancing and I have a massive passion for both of them. Someone I look up in acting is Millie bobby Brown because she is so inspiring and confident.

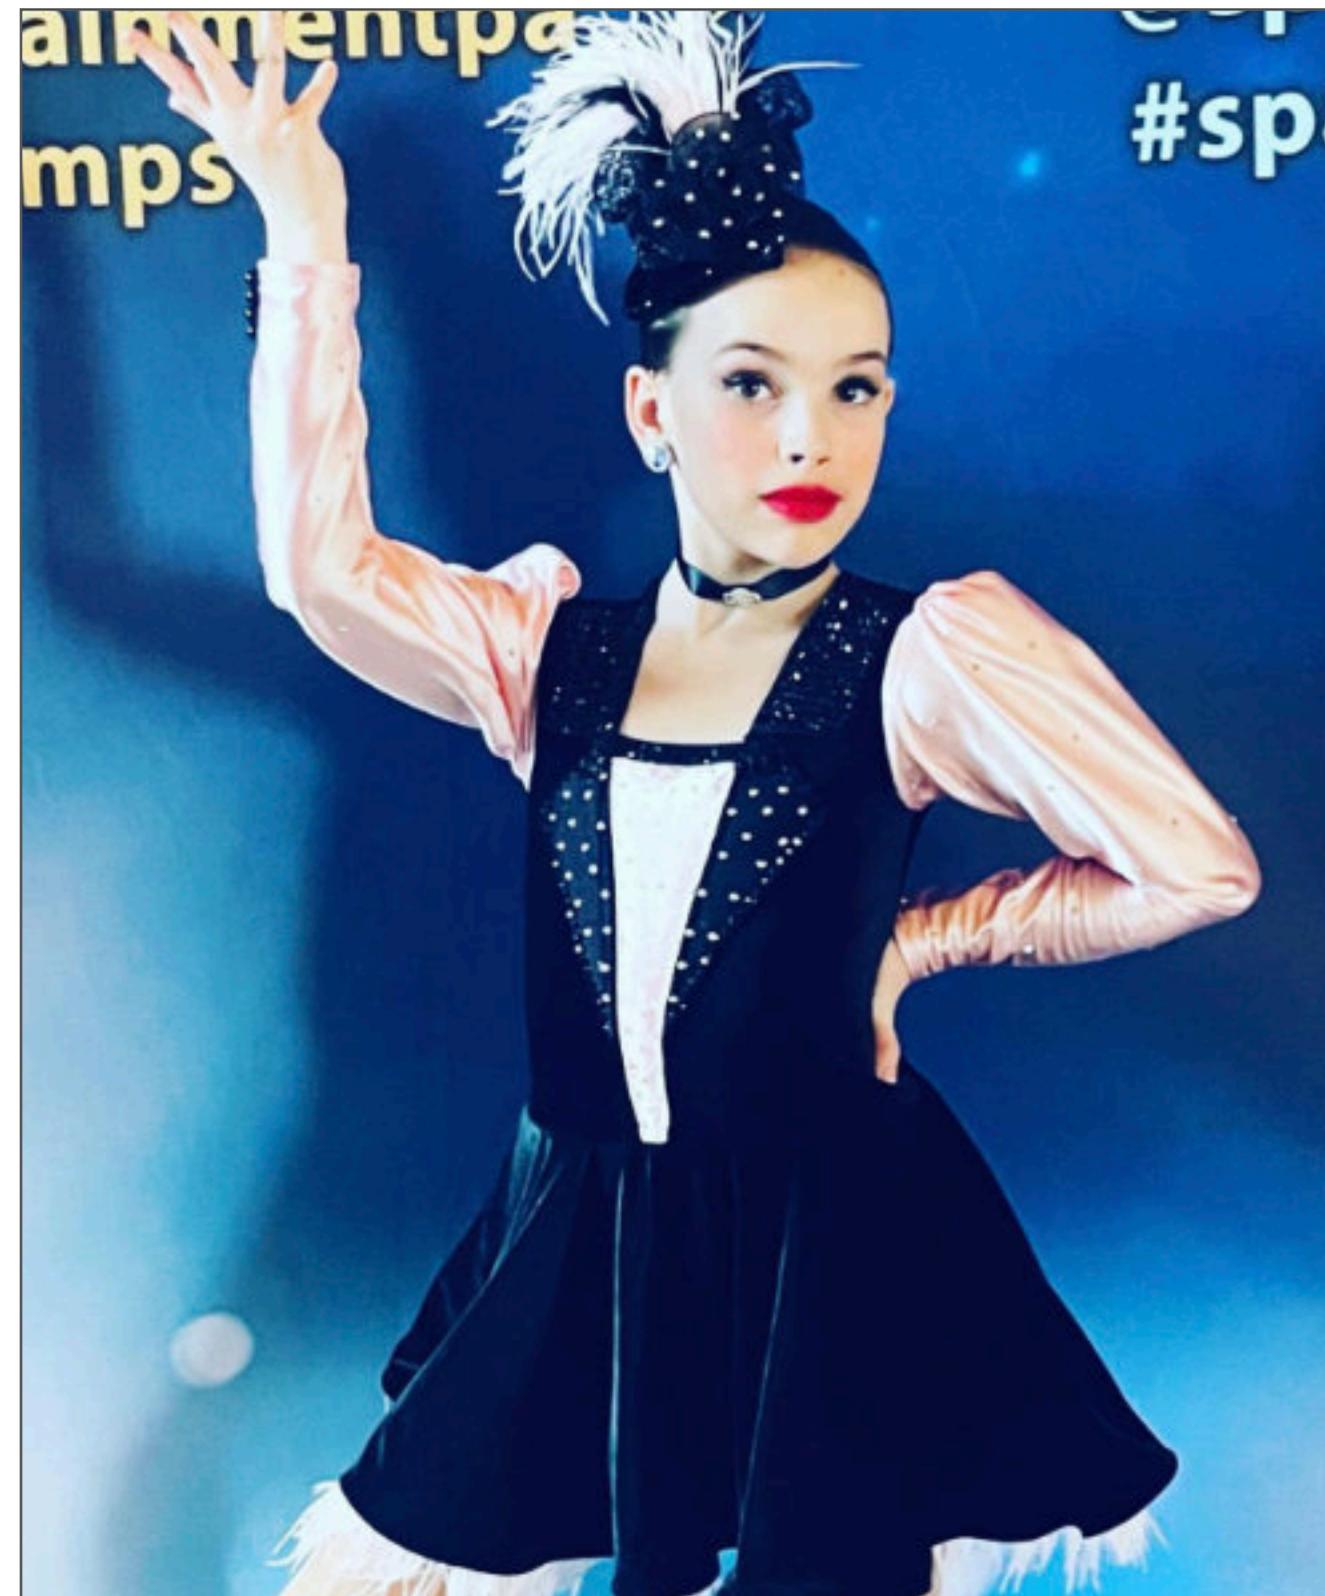

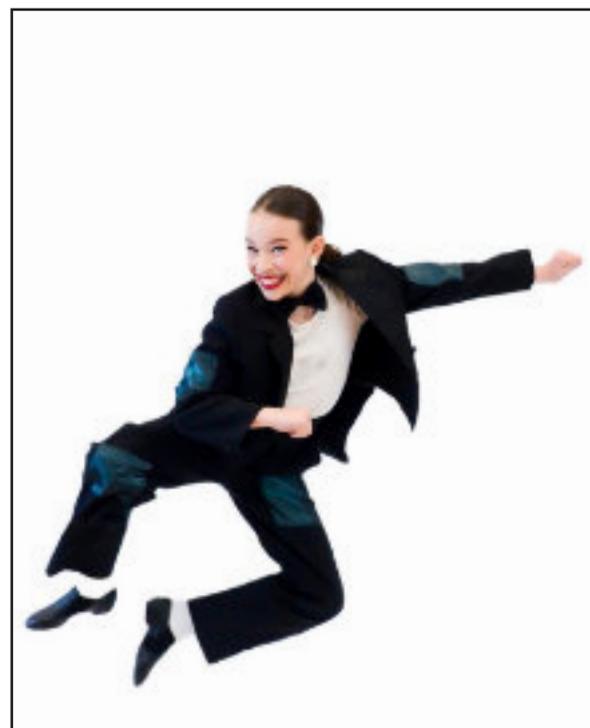

Brooklyn Salerno

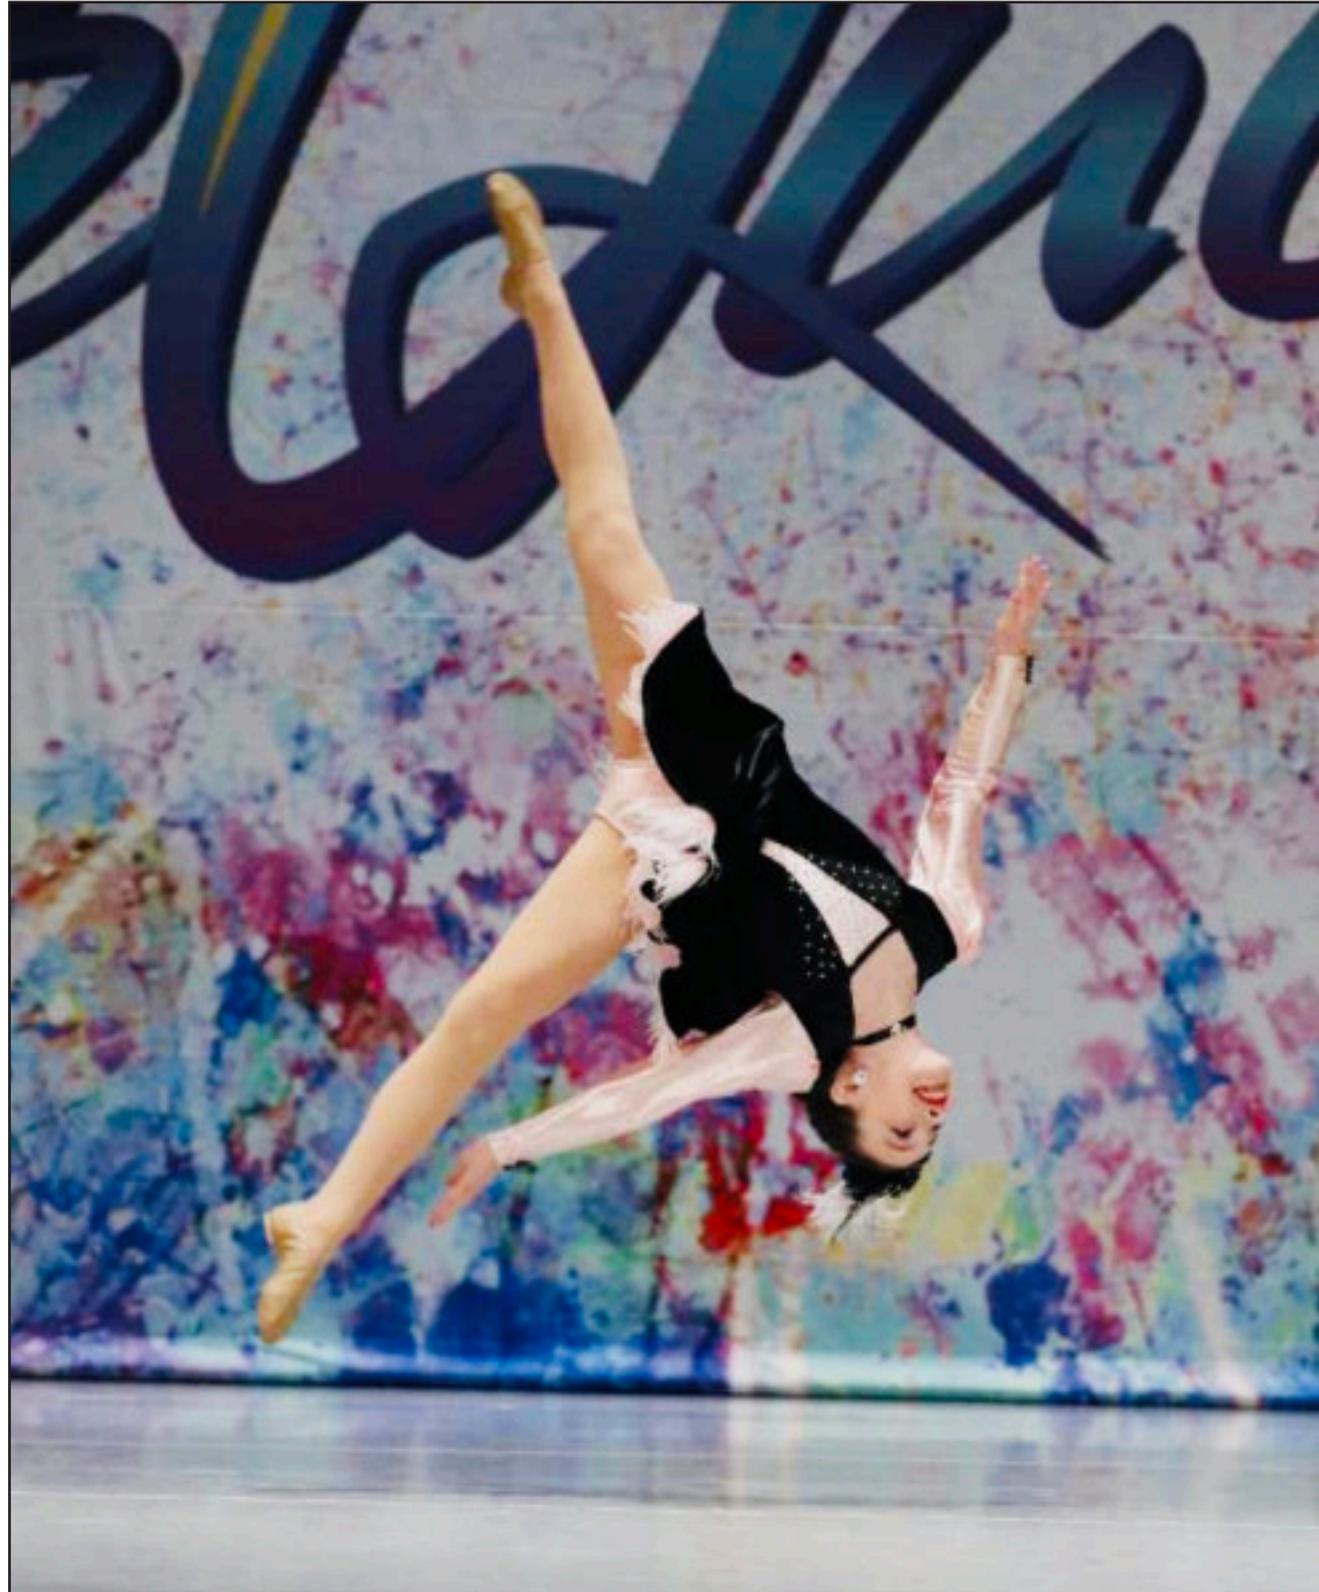

My name is Brooklyn Salerno and I am 10 years old. I have been dancing since I was 4 years old. I started competitive dance at age 6. I currently dance at Dance Designs Dance Complex in Kentucky. I love my studio and all my amazing coaches and teammates. I love everything about dance especially the way it makes me feel. I feel like I can express myself fully and inspire others while dancing. I enjoy learning all styles of dance but lyrical and contemporary are my favorites. I love to travel with my Mom to go to various dance conventions. I am a 2022-2023 Refresh Squad member and can't wait to assist at Refresh dance conventions this season. My other favorite is Revel Dance Convention. I feel so lucky to get to learn from so many different and amazing choreographers from around the world. I recently was the Junior Intermediate National Champion at Nexstar Dance Nationals this past June in Sandusky Ohio. I also won first place for the Junior Ovation category at Applause Talent Competition in Richmond Kentucky this past February. I want to continue to grow as a dancer and person. I love to challenge myself and learn new skills. I have been working really hard on my technique and turns lately and will continue to do so. I would love to one day be on Broadway or have some other type of career including dance. I am so thankful to my parents and coaches for the wonderful opportunity I have to continue to dance competitively.

My name is Faith McCleary, I am 10yrs old and I am going into my 9th year of dance. I started when I was 2 and I have grown to love dance so much. I dance at James Dance & Performing Arts Center in Warren, Ohio. I dance around 4 days a week with ballet being my studios foundation. I take ballet, pointe, tap (my favorite) jazz, hip hop, musical theatre, acting, singing, acro, to name some. My favorite genre is tap. My studio is home to me, spending so much time there and with the relationships that I have formed. Miss Linda, the studio director is someone I love and look up to. Always believes in me and pushes me because she knows what I am capable of. I do love all my teachers though and while it's hard work and dedication every day, I don't mind because it's

something I truly love. I have won numerous first place overalls for my solos, I am a 3 time national champ / with three national titles and I am a 7 time regional title winner with multiple first overalls too. I starred in my first show last year, in our local theatre. It gave me a feeling of entertaining instead of competing. And I love to entertain on stage. My dream is to make it on Broadway - I want to be a leading role in a very popular show. I also want to be a Rockette. Dance is everything to me- good or bad days, I love it. I am so grateful to my parents for supporting me the way they do.

Monique A Bergolla

My name is Monique Bergolla. I am 9 years old, and I train at Inspire Dance Company in Miami, FL. I've loved dancing as far back as I can remember. This is my 4th year in competitive dance. I dance and train between 4-5 days a week. Some of my favorite memories have been created in the studio with my dance family and I wouldn't trade it for anything. My dreams include being a dancer on Broadway and becoming a model one day.

Some of my biggest accomplishments include winning Petite Miss Bravo, National Petite Miss Shake the Ground 2022, 1st overall in 8 and under competitive division and Improv at Shake the Ground Nationals. This season poses a challenge,

as I get bumped into an older age division and have to work harder. This season I plan to train harder in the studio and let it show on stage. My goal for this season is to master my turns, as it has been one of my biggest challenges as a dancer. My coaches always support me and push me to my limits. My biggest supporters have always been my family, friends and my teacher Jasmine Riveron Castro, who has choreographed all my solos. I will always be grateful for everyone who has believed in me and supported me along the way.

Moriah Denhart

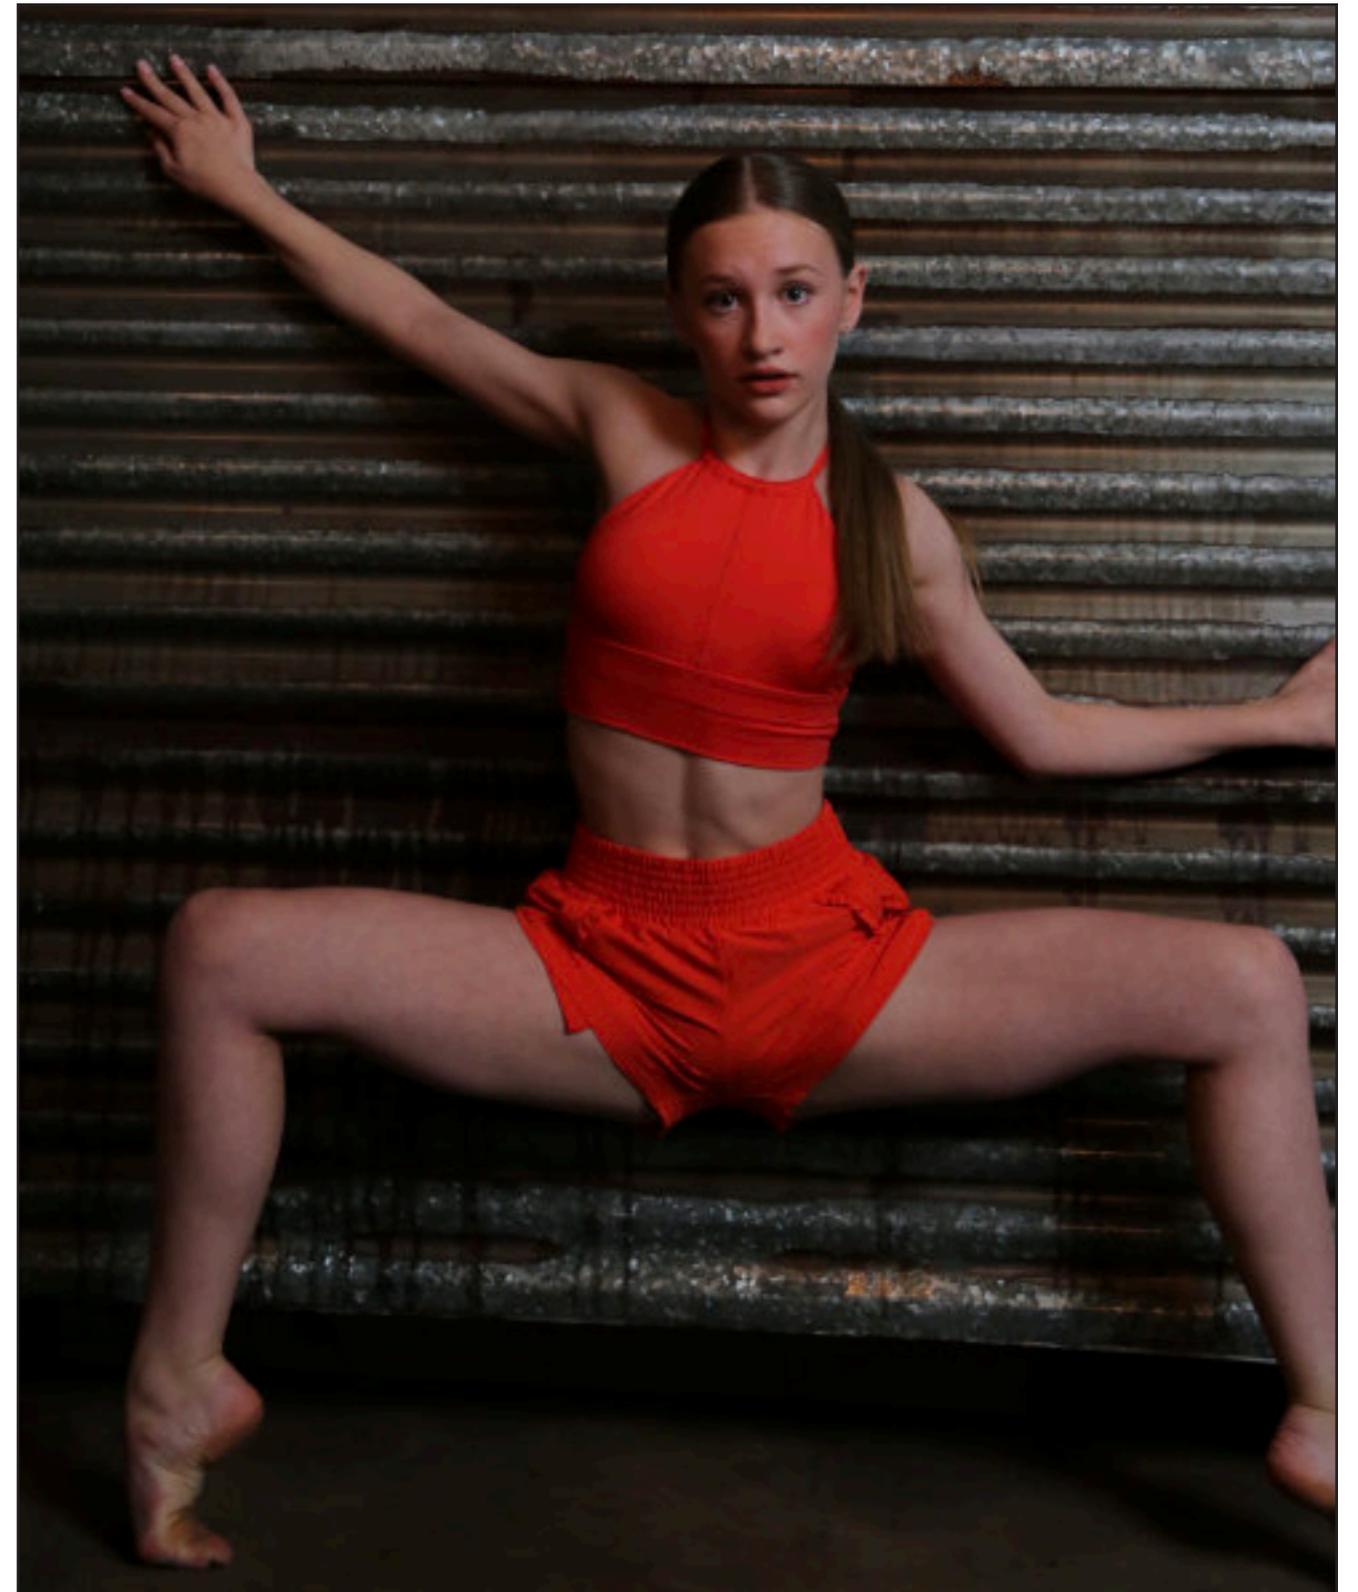

My name is Moriah Denhart and my passion is dance! When I was three my mom saw they way I reacted to music and so she signed me up for my first dance class and now I've been dancing for 12 years! Sometimes it can be hard to talk about what I'm feeling and some days just don't go right, but then if I begin to dance all my worries, stress, and sad feelings drift away. My favorite part of dance is performing because I get to show others the thing I love most. If I could tell my younger self one thing it would be "it's okay to not get everything the first time you try it." That was the

biggest challenge for me to overcome as a dancer because it's hard to remember you don't have to be perfect you just have to try your best. My goal for the future is to have my own dance studio. I am working towards this goal by teaching classes at my dance studio. I want to have my own dance studio one day because I want to give others the joy that dance has given me!
