Founder Angela Crouch

Angie Crouch founded Barbell's Fitness in 1995,

she was only 15 years old.

Her first fitness center was located on Indrio Road in Lakewood Park, Florida.

In 1997, she expanded to a second location in the Orange Blossom Mall on Okeechobee Rd in Fort Pierce Florida.

Her dedication, motivation and eagerness to promote a healthy lifestyle lead her to create a fitness video with Bandit Equipment.

Two years after she founded Barbell's Fitness, she was killed by a drunk driver.

She was only 17 years old.

Nevertheless, her dream and legacy are still alive. We encourage Readers to support their M.A.D.D. organisation

Meet Melissa and Shea. We are the trainers at Snap Fitness Plaquemine, where we teach 11 classes per week... from strength training, to functional fitness and mobility! We have grown to love the ladies in our classes and have a strong bond with each of our students. We love helping them to reach their goals through nutrition and strength.

With such a busy week, sometimes it's hard to

work on our own goals; however, we have vowed to hold each other accountable to our fitness dreams. We monitor each other's progress every morning. We encourage successes, acknowledge failures, and motivate each other to keep going strong. We have grown to be great friends and are truly a power team!

Brenden Uplinger

Oh wow where do I begin?

Well I suppose.my fitness journey began back in high-school. My dad was building an impressive career in education so that meant we moved around alot as he climbed the ladder. All through school I was always known as the fat kid. I ate out of boredom and depression which ked me to be heavy.

It wasn't until high-school where I was tired of the bullying and the disregard. That started a whole new game for me. Then I began my journey.

Training long and training hard. I have hit goals and I have hit set backs. Most recent set back was 2024 when I was diagnosed with chronic chrones colitis. I spent 3 months in the hospital fighting to stay alive. Keeping the mindset was rough but I knew what I had to do.

My support system has been and always was

amazing. My family, my friends and the one who's witnessed it all, Marisa. Marisa is the mother of our two beautiful baby boys. She also is my tattoo artist, and a phenomenal one at that. Marisa Dusetzina, owner of Klexos Tattoo Studio in Monroeville PA. Shes the hardest working girl iv ever met and took her "never back down, always better yourself" mindset and kept me pushing for the goals I have.

One of my goals is to make it to the stage and compete in bodybuilding. I want to prove to myself and others it can be done. Even with the level of illness I have and it's severity. Proving the doctors wrong. Proving the concept of crohns wrong.

I will reach the stage. I will continue to train people and help better lives. I will continue to cover myself in Marisa's flawless artwork.

NEVER BACK DOWN. NEVER QUIT. ALWAYS GRIND.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.
