Head-Turning Fashion

Hi, I'm Patricia Hogan international cover model, and also miss woman. New York, things that I'm most passionate in is unity with so much hate going around in this world we have to remember that we all bleed right at the end of the day. We need to love each other, and except each other for the way that we are, if we look within ourselves and change one thing big or small it will make the world a better place. We all have a story to tell and knowledge is always key.

As you may all know me, by now, my name is Raffy 🍷❤️ I am going to be 13 years old in a few months. This is my 11th year dancing with The Dance Connection of East Haven Connecticut. I am a seventh grader at East Haven Academy. I am otter student. I am a big buddy helper. I am also a tech buddy helper as well. I work with kids in the special ed department. I recently became nominated in my hometown in our local newspaper. I really enjoy going into New York City hanging out with my friends ice-skating, and I love traveling all over meeting different people from place to place it's a real honor meeting people and making friends .. my passion is being on the dance floor. I enjoy everything about dancing from makeup to hair to fancy costumes to being someone different. I love expressing myself in different ways when I am dancing .. dance has helped me a lot throughout the years. It has given me confidence to be me ... I am glad I have so many people in my life that support the things that I love ❤️ .. my mom has always been my biggest supporter on and off the stage. She's always been my number one cheerleader through everything. My aunt is like my second mom she's always been there for me ever since I've been a little girl and I can't thank you enough for being so supportive of me my mama and my Poppy have been everything to me. They always support me and they are always there for me no matter what..

I am both passionate and skilled in the latest hair color, hair cut, and formal styling trends. With being both knowledgeable and comfortable in cutting, coloring, and styling all ethnic hair types I believe in the importance of discontinuing the stigma both stylists and clients have as well as, the intimidation and anxieties the stylists feel. Editorial work is another passion of mine, January 2021 was the first of 7 publications in both hair and makeup. The ultimate goal of mine is to be

credited in hair, makeup, and as model. In February 2022 for New York Fashion Week i was able to showcase my talents in hair and make up as I walked down the runway and will be doing the same for New York Fashion Week September 2023
