My name is Arina Hosseini , my dream is to be a famous model and work with famous world brands . Because of this I went to an International school in Iran so I could achieve my goals. I can talk English and I am working on my French . With this limitations in Iran I was able to work with this brands . I've been worked with some of Iranian brands

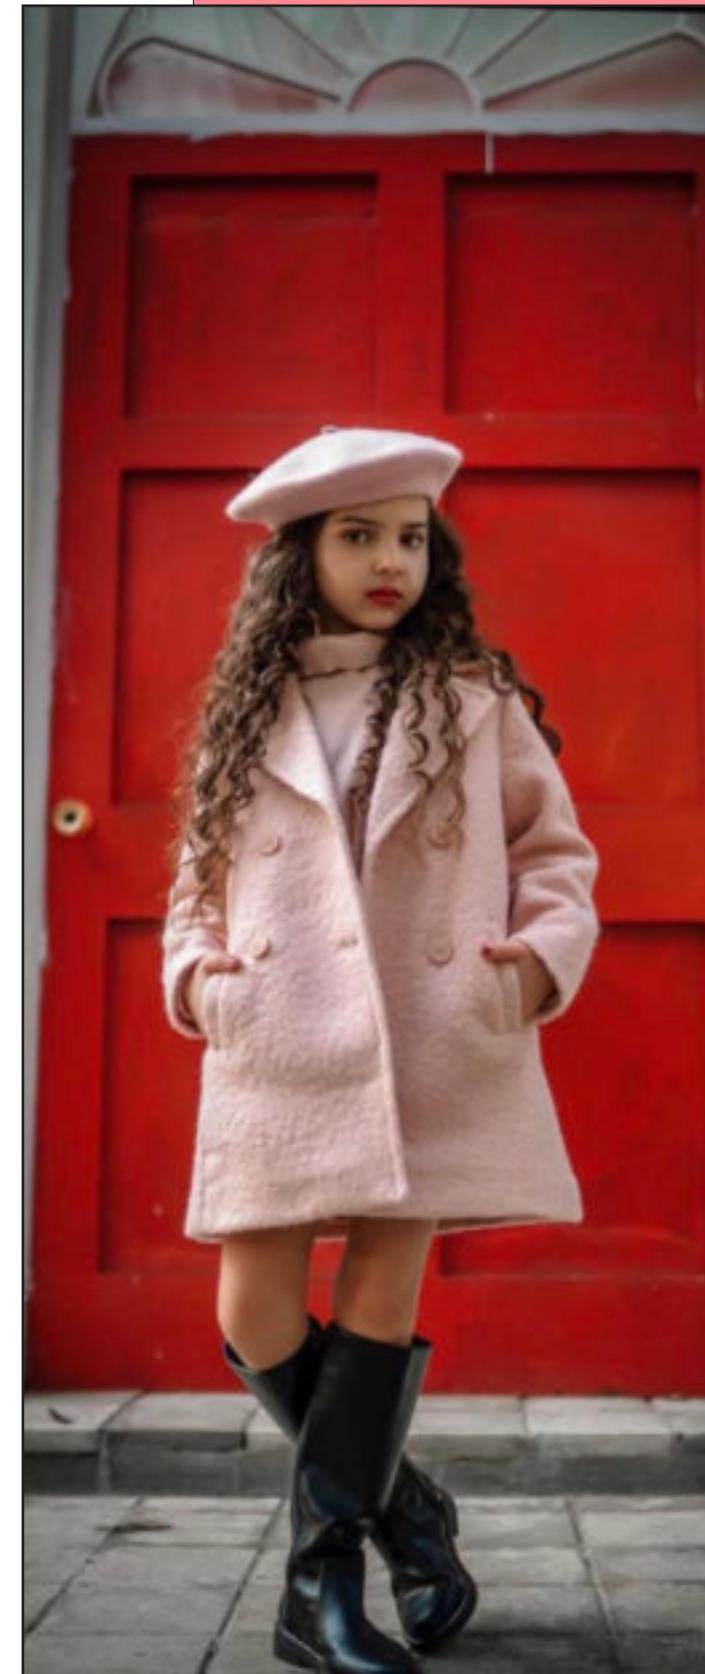

yearly, I've been worked with some photographers, and I worked with ( the most ) beauty salon in Istanbul , Turkey. When I was 3 years old one Persian brand want me to be modeling for his brand and from that time my dreams was to became a famous model .

Bustie Beaker, or otherwise known as the Boss Lady of CSW. I am co-owner of a Colorado based independent wrestling company as well as a burlesque dancer and aspiring model. My wrestling company is Colorado Springs Wrestling, if you can't find me there you'll always catch me performing at La Burla Bee in Colorado Springs with the Champagne Cabaret productions. I truly enjoy performing and I love showing everyone my many talents. I have competed in GLCC for burlesque and am starting to start my journey of performing in other states. You can actually find me in New Orleans August 25th/26th. My journey hasn't always been easy, I am a plus size performer so the doors haven't always opened for me. It's been my mission to break down those barriers with full force. All body types are

absolutely gorgeous and should be celebrated. Just don't be an asshole and you're cool in my book. I am an Aries and truly believe you receive what you put out into the universe. I am fiery, bold and fierce to be reckoned with. A little quirky fact about me, my name Bustie Beaker. I got the bustie name for obvious reasons. But the Beaker, it has to do with my love for Muppets. I have loved the Muppets since I was a little girl and I thought there was no other fitting name than Beaker. I love what I do as a performer and I love showing off my many assets, it's my hope that you appreciate and celebrate the energy, love and beauty that I try to put out into the universe.

Hello! I'm a midwest photographer sharing my talent a few different ways. Saving animals is dear to my heart so I volunteer my photography with several local rescues. Capturing eye contact pics of dogs and cats greatly increases their chances of being adopted and find their forever family.

Several of my close friends model for me throughout the four seasons and each bring a different style to our shoot by creating their own costumes. I recently asked my models if my

photos make them feel beautiful and here is the response from my close friend and model Joy. "You definitely make me feel beautiful but to me it's more that together we make something beautiful. A dream, an imagination, a moment of delight. You allow me to share these dreams with the world which to me is the most beautiful gift."
