My name is Aubrey and I am an 8 year old dancer in Lexington, Tennessee. I have been dancing for 6 years, with this being my 4th year on Kim & Company's competition dance team!

Dance is my biggest passion and what I enjoy doing most! If I'm not dancing, you can probably find me in our acro/baton studio, Maggie's Majorettes!

At just 8 years old, Aubrey is already making her place in the dance world! Her skills and bubbly personality have earned her a top 10 placement in most competitions and is a 1st overall, Petite Miss Inferno Dance Title Holder!

She loves going to dance conventions to help with her training, such as 24/Seven Dance, Artist Simply Human, NUVO, and IAX. And is always willing to go to any and all optional events her studio wants to attend!

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. Through the years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world. ~ Faye Delune

My name is Hailey and I am 8 years old. I am a competitive dancer and a competitive horse vaulter. I also do gymnastics, swim, and play piano. I am homeschooled which makes staying competitive much easier. I love all forms of dance including ballroom. In a typical week I will spend 3 to 5 hours dancing at the studio. My favorite activity to do at home is dance. If I'm not at home or at the studio dancing then I am dancing on a horse. I have been competing in dance going on 4 years and horse vaulting going on 3 years. Between the two I have earned over 100 awards including North Valley High Point Champion in my

division for horse vaulting. I would love to get more into modeling. I also want to do commercials as well as music videos. My goal and dream is to one day compete in the Olympics with ballroom dance as well as horse vaulting. For as long as I can remember all I ever wanted to do was dance.

Raphaella Gabrielle

Hello

My name is Raphaella Gabrielle

I'm a mature woman age 51. It's never to late to fulfill your life's dreams. I'm what I call an old soul in a young body. Fearless and petite I am. I am a full Spiritualist who loves to tell her story with anything mystical or anyone else's as well. I have always loved to face a camera and express deep emotions from my deepest cores. Combining

these two skills can't make me any happier. They are my deepest wishes. I am learning Hebrew as well, and would love to play Mary Magdalene on screen, as I do not believe we have really ever told her story. I have as well met my true soulmate who I have married. We share too beautiful boys, and a love that would stand a test of time. To ever see it written and acted on the screen by me, I could live and die tomorrow so to speak. We will be a happy LA Family by the end of this year. That's when my Story begins.

"Your past does not define you"

I grew up in 2 childrens homes, over come alot of challenges & adversities

my goal is to pen my autiobiography & inspire others that its never too late to restart again

I modelled from the age of 16/17 years old then i had health problems & put 6 stone on & lost it from 2021 until 2022 & have done 3 photoshoots & a billboard in times sq

All have been published & got fro cover & been published in not even the space of a year of remodelling again

I am so grateful to be given this opportunity again at my age & you can do anything if you put your mind to it & believe
