 - Stage name ALterior Motive  
 I am the creator and model of the outfits in all of these pictures. I consent for use of the photos.

I'm a rhinestone artist that discovered my talent after starting drag a year and a half ago. I have a bachelor in media arts and animation from the art institute of Phoenix but never found a way to make express my art until I discovered rhinestoneing. I started small, and gradually have made my way up to painting my own designs and rhinestoneing on top of it with my most recent fire suit being 150 hours of work total. I was fortunate to have one of my looks go viral on Instagram with a current 1.3million views. I have started displaying my work in pagentry and won't be title of America's king, Illinois 1st alternate and will be going to nationals in oaklahoma city this October. I'm very excited to see what the future will bring for me and can't wait to keep upping my game and create increasingly more complex work.

**Carlie  
Patterson**

My name is Carlie Patterson. I am eight years old and I have been dancing ( in a studio) since I was three. My favorite styles of dance are jazz, contemporary, and Hip Hop. Dancing is my passion and I love to tell a story on stage. I have big dreams of being a professional dancer when I grow up. One of the many challenges I face as dancer is my nerves before a performance. I am still working everyday on my technique and my goal is to just keep

improving myself everyday. I have some wonderful dance teachers who believe in me and push me to do my best! And I have met so many cool dance friends that inspire me at dance conventions, and hope to continue to met new people! I can not wait to keep dancing and growing and hopefully reaching my dreams as I get older.

My names Faye Delune, and I'm A Professional Model, Musician, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician,

Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa. I love making art, and love showing it off. I hope you enjoy my work, and I welcome you to my world.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenager intelligemment:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

**Sara  
Kate**

I started working with Sara Kate back in 2018. She hit me up on Model Mayhem she wanted to model my collections. I was doing a Model Casting at the time. Her Catwalk was on point. She sent me a video. She passed the test. She has been Modeling in Fashion Shows and Virtual Fashion Shows that I have done. She also did Photoshoots in my clothing brand. She has been my Brand Ambassador for 6 years straight. She is not just a Model. She is also an Author. She has written four books so far and she is working on a fifth book. It will be out soon. She is very dedicated to her work. I really enjoy working with her. This year she modeled two spring dresses for my spring collection. I am so happy being her Fashion Designer. She is also humble and down to earth. I am so glad that I got to know her.

Sara Kate has been modeling for different Fashion Designers. She has also been modeling in RAW. The one where I have showcased my collections. She also has her own clothing boutique where she sells clothing for Petite Women like herself. So she is multi-talented. I recommend her 100 percent.
