My name is Alexis Vaughan and I am 18 years old. I am a recent high school graduate and am preparing to enter cosmetology and esthetician classes at the beginning of 2025. Being in the spotlight has been part of my life since I was 6 months old. My mother and grandmother entered me in local beauty pageants from that time and it was something I seemed to be a natural for. I won several local titles and then move on to larger state titles and then on to nationals. That was only the beginning and I switched from beauty pageants to modeling. I started doing print modeling for Internet boutiques and Etsy. From there, at about age nine, I discovered the runway and my love of modeling grew and I knew that something in fashion was the career I wanted to pursue.

As I was a student at a Christian school, the Bible was a big part of my upbringing. I have endeavored to put Christ first in my life since I was in kindergarten and have strived to walk in His light. With His help, and with the help of family and friends and modeling associates, I have developed the self-confidence and attitude I will need for a successful future in the world of fashion. I am a petite, five feet tall, so runway has been a challenge in an environment that wants models to be 5' 8" or more so I have turned more to print and commercials. My photos have been in domestic and international magazines many times.

My desire to be a part of high fashion has only grown over the years and I hope to continue with the modeling when I can and fill in with doing the hair and makeup of other models when there are no modeling jobs available for me. I have also studied stage makeup for theater and movies that I can also use to further my other dream to be involved with the film/theater industry. The limelight is my destiny.

You can see more of my talents on my YouTube channel at Tween Model/Singer/ Actress Alexis Grace or visit my facebook. com/AlexisGraceVaughan/. I can also be found on Instagram at @teen_model_alexis_grace. My motto for success, "no excuses—just always do your best." Photos Credits: Lisa Brown

Salutations World! My name is Chetara, but my stage name is Ms. Lady. I was born in New Haven, CT but raised in NC. That making me a NC native. I have been currently modeling a little over a year on the east coast. I have walked in a total of four shows total with one more coming up the end of November. I have been in a total of 8 magazines so far, with one of them being an international magazine. The magazines I am in are L. Vision Magazine (by Tracy Lucas), UModel Magazine (by Tracy Lucas), Fashion Illustrated Magazine (by Eric Nikkon), and Endless Magazine. I came in 1st runner up in Ms. Full-Figured NC as well as 3 other trophies. Challenges I see as a plus size model on my side are simple. I am short. That to me is my biggest down fall and since I just started wearing heels the thought of jumping

out into a 6-inch heel gives me anxiety. But even though I am short I must work on elongating my body, so I appear as if I am taller than I actually am. My goals are to be the best plus size model I can be. To be a role model for not just my daughter but other young girls. To be successful and live up to the potential I know that I am capable of. I want to be seen on billboards and magazines all over the world. And with hard work and dedication it can happen.

Dreams: making it until I no longer have to struggle in this world, as a mother of 3 and a sister who raised multiple children (brothers and sisters at the young age of 10 years old, I have dreamed of a day to where the freedoms of motherhood would out shine any financial hardship that comes along with being a single mother.

Goals: get my personal business functions off the ground with great clientele to backup what a successful business should be: reciprocated growth for all.

Achievements: 2023 Bachelorette Graduate of Communications

Challenges: Having Type 1 Diabetes has slowed me down but has not stopped me. I thrive for the best of me everyday even when I am not feeling 100 percent; I take hold to my faith in God, knowing he carries the weight that I struggle with daily.

Hello, my name is Ksenia Duesbury. I am a mature model living in South Yorkshire, UK . Unless I work with designers,I usually create different looks myself by using my own wardrobe. My father as well as daughter are artists and creativity runs in the family. As for my mother, she is an actress and I'd say I grew up in the theatre. I studied at a music university to become a

guitar teacher, but life took me on a different journey. I can act, pose, and do my own makeup and hairstyles. I bring many ideas and positive vibes to each photoshoot. MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

I dream of a futuristic world that is a beautiful loving and encouraging place for us all to live!!! I hope to achieve notoriety and exposure

for promoting the world I dream of for our future generations!!!

I take pride in the fact that I try to be that Renaissance woman that has more than one gift to share. As a mature and curvy woman, some would say that the opportunities are few but I beg to differ. My parents raised me to believe that I could do just about anything I set my mind to as long as I believed in myself and gave 110% to make it happen.

As a younger version of myself, I was singing, dancing and an aspiring actor but now my passion involves acting, modeling and hosting events. There are many challenges of course such as age, appearance, time and having the right connections. I just won't let that stop me. I work everyday to achieve my goals in life. My goals are to work in commercial print modeling and acting in film as well in television.

I feel very blessed to have had the opportunity to walk during New York Fashion Week, Atlantic City Fashion Week, Brooklyn Fashion Week and Caribbean Fashion Week just to name a few. I have even worked in fit modeling, commercial print and runway of course. My true passion is acting, where I have appeared in local commercials, a PSA, industrials, film and television. My focus now in life is to take my career to the next level and to create my own film projects as well. I can't wait and won't let anything stop me.

My dream is to someday travel the world and take nature photos or to become a therapist/ counsellor and help those in need as it something I enjoy doing! My goal is to someday travel lots, own my own house and car, get a couple pets as I'm a big animal lover! And to someday get married! I've been through a lot of challenges in my life, as I suffer from ptsd, anxiety and depression. Lots of terrible things have happened to me when I was younger (mentally abused, raped by step father and men) so I would love to help those who experienced the same kind of things and to let them know they're not alone and can get through anything, can get through what you think may be impossible! To show them just

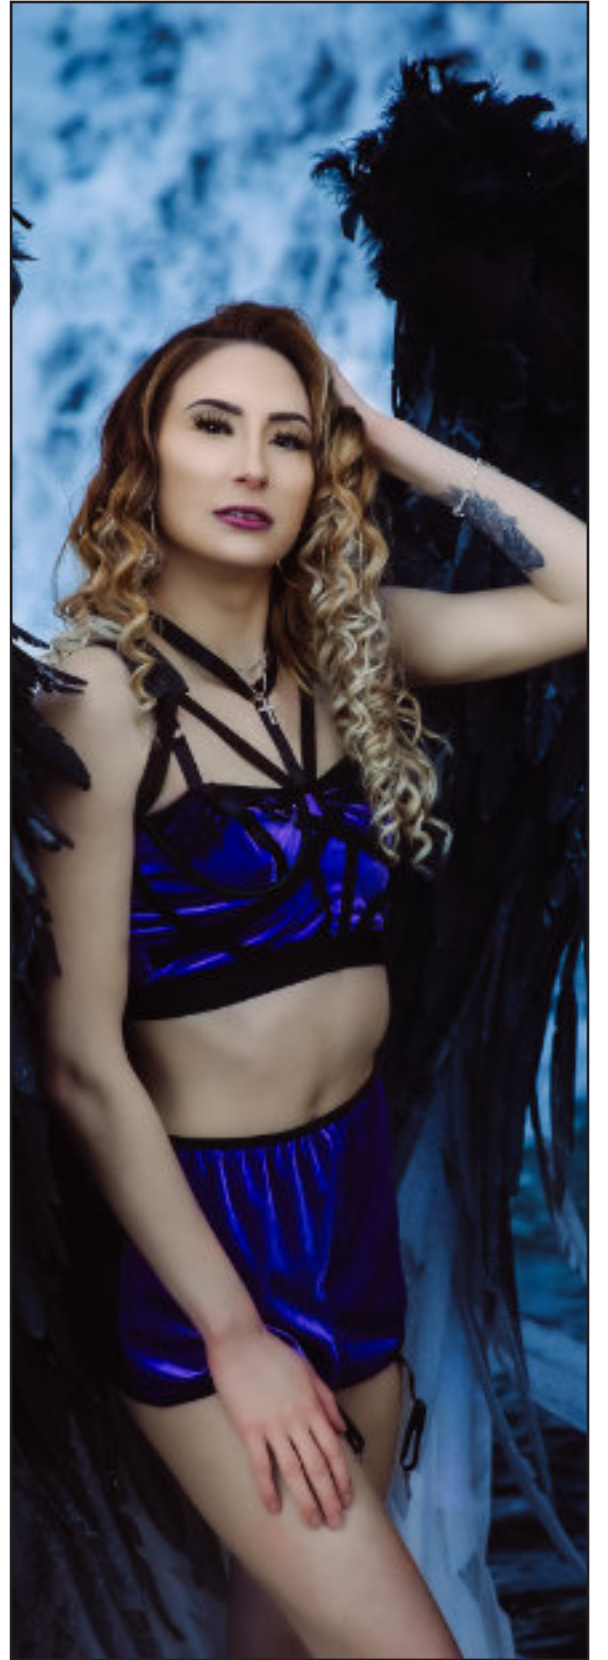

how strong they can be when you put your mind to it! I also struggled with self esteem and confidence about my body as I didn't like what I saw but when I became a model on the side it has helped me lots with my self confidence and seeing the beauty that I didn't see in the mirror everyday! Just know you're all beautiful in your own way! You're all strong and are never alone!

Much love,

Tess

Chasing the Dream: My Journey in Modeling

Hello my name is Tieshia Stallworth aka Tee D'Model. Modeling has been a lifelong dream, and I aspire to reach the pinnacle of this industry. My ultimate goals include becoming a brand ambassador, gracing the runway at New York Fashion Week, and carving a name for myself as a plus-size print, editorial, or catalog model. I envision modeling becoming my full-time career, allowing me to bring designers' visions to life while pursuing international opportunities.

Currently, I am dedicated to growing as a model, building a strong portfolio, and signing with top agencies. I aim to travel nationally and internationally, representing diverse brands and redefining beauty standards. However, the journey hasn't been without its challenges. As a petite plus-size model with limited experience, I sometimes feel overlooked in an industry where competition is fierce. Yet, these obstacles fuel my determination to prove that passion and persistence can outweigh expertise alone.

Since starting in September 2024, my journey has been filled with milestones. My first runway experience was at the High Fashion Birmingham Fashion Show, followed by the It's A Vibe in the Fall Fashion Show. To enhance my portfolio, I've participated in photoshoots at the Flight Museum and Botanical Gardens in Birmingham. Additionally, I am proud to be featured on the intro cover of Fashion Illustrated Magazine's October 2024 issue, celebrating plus-size appreciation. Looking ahead, I'm thrilled to model for After Five Prom and Bridal in January 2025 and collaborate with more designers, agencies, and publications. My modeling journey has just begun, but each achievement brings me closer to turning my dreams into reality. I am committed to overcoming challenges, building connections, and making an impact as a model who embodies confidence, diversity, and determination.
