**Dancing Through Dreams: My Journey as a Professional Dancer**

Ever since I was a child, my dream was to dance on some of the world's biggest stages, and I have been fortunate to turn that dream into reality. My journey began when I earned a role as a dancer in a Broadway musical in Paris—a life-changing opportunity that allowed me to showcase my passion for performing and grow as an artist.

After my time in Paris, I took my skills to the seas, working as a professional dancer aboard luxurious cruise ships. Traveling the world while doing what I love was a magical experience, as it gave me the chance to perform for diverse audiences and immerse myself in different cultures. Following this, I

continued my career by performing at private events, bringing joy and entertainment to exclusive audiences.

Throughout my career, I have faced challenges—long hours of training, fierce competition, and the constant push to evolve as a performer—but every step has been worth it. My achievements remind me that hard work and determination can turn dreams into reality.

At this stage of my career, I am seeking new opportunities as a dancer. I am excited to bring my experience, passion, and energy to new projects, stages, and audiences. I believe that the best is yet to come, and I look forward to continuing to pursue my dreams and inspire others through the art of dance.

To expand my reach within the

In the world of competitive dance, passion fuels perseverance, and dreams take center stage. For Audrey, a rising star in the dance community, the journey to success has been marked by ambition, resilience, and artistry. Her story, like her performances, is a blend of discipline and creativity, making her a source of inspiration for dancers everywhere.

Audrey is inspired by watching some of her favorite college dance teams glide across the stage with effortless grace. Determined to follow in their footsteps, she set clear goals: mastering complex choreography, pushing her skills, and inspiring audiences with her storytelling through movement.

Her ultimate dream? To be accepted to dance at the University of Minnesota and compete at the D1 level.

No journey comes without obstacles, and Audrey's path was no exception. Finding enjoyment in the hard work is a tricky mind game. She has found ways to overcome that mind battle and now says "I actually love technique and know that it is a valuable foundation of my dance."

Audrey also faced the emotional challenges of self-doubt and fierce competition. But with the support of her family, mentors, and dance community, she has learned to be proud of her progress and how far she has come.

Audrey's dedication has paid off in remarkable ways. She has earned top placements in prestigious competitions, including first place in the Regional Fly Dance Competition. Her favorite style of dance is Contemporary where she enjoys expressing emotion in unique movement. Audrey is looking forward to competing in the National ID Dance Competition in Myrtle Beach in July 2025.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenager intelligemment:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont maîtrisées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Gogo

My name is Gogodoll, I have been dancing since elementary school. I love being on stage with my dance troop, we usually do eight to ten shows per season. We have performed on many of Vancouver's most iconic stages and I have been in 24 music videos. My goal is to perform on a national television show or tour as a back up dancer with a pop performer(s).

My biggest challenge is keeping up with all the choreo, as I also perform with two other groups. Staying healthy and fit is also a challenge because I love sweets, pasta and large mochas. Being featured in iDance Magazine is a dream come true.

My name is Maleyah Vasser and this is what dance to me! Dance is my heart and soul. The only conceivable way to speak freely without words. I dream to one day dance onstage for a big artist as a backup dancer or perform for big productions that bring joy to everyone. Along with being a dancer, owning and teaching at my own studio would be a dream come true. Currently I teach at Extreme Dance Company, and I would not ask for anything better. I take great pleasure teaching my peers and younger kids the foundations and passion that goes into dance. Witnessing their expressions of joy once achieving success brings such joy to my heart. There is nothing better than watching a kid's success with the use of my training. I would like to express that one of my challenges is facing intense competition and experiencing self-doubt. As I reach the age of

15, I am now competing in the Senior competitive category. This elevation in competition signifies higher stakes, and I must push myself to achieve to do well in these events. I often hold myself to exacting standards, even when my performance is mediocre. I strive to perform at my best, and when I fall short, it can be challenging for me. However, this drive motivates me to continuously improve. I believe that hard work DOES lead to success. I have the ability to say I have appeared in a music video, achieved top 10 placements in various competitions, and received numerous awards and scholarships. My proudest moment in competition occurred at the national level. My studio was at Showstoppers and my solo earned a crystal award which is the highest available award possible. Overall, I would say that just being a

dancer is a success for everyone. Dance is what gives me my strength and energy. No matter the challenges, dance is always there for me, and I would not trade it for anything.
