Hi my name is Deborah Fennella, I am a Multi-Award winning Singer/Songwriter, Operatic/Contemporary Singer/Songwriter, Social Conscious Music Producer signed to K Dragon Records and Special Edition Records, Actress/Model, TV/Radio Presenter signed to Gemstar's Talent Management. Head of A&R Special Edition Records where I sign Artists to release Charity songs and help them push there Music career forwards. I have released many Charity songs over the years.. "Homeless at Christmas" by Deborah Fennella Ft Mark Busell, "Trigeminal Neuralgia" Ft Deborah Fennella, Izzy Peters, Jamie Long, Mark Busell, "Memories of Christmas" By Deborah Fennella Ft Mark Busell, and a few others over the years, I love supporting Charities and good causes and helping others to shine bright to! I started out in the TV/Modelling Casting World back in 1977 as a child for Tuesdays child Modelling/TV Casting

Agency which was based in Manchester as I grew up in that area.. The Founder my friend Jenny Wren said I had a certain look, she loved my dimples and my page boy hair cut and said I was very photogenic! My Agent Jenny became my mentor, I was very blessed to be put forwards for many castings and was chosen to Model for Kays, Littlewoods Catalogue, MB Games, Kendal's Christmas Charity Campaign, BBC News round did a story on us, and many other castings! I loved Modelling, Acting, Singing/Dance and would often get involved in Drama at School and casted for Acting roles, joined the School Choir, and a Dance school! As a child I was very sensitive to peoples emotions and always wanted to help them and uplift them, and would often be found singing in my street, my neighbours would sit on the wall and listen to me. My friends and teachers would often comment I had a natural flair for

performing and Singing and Dance! So I decided to study Music and had many years vocal training, and done all of my Grades up to a grade 8 in Singing and Performing, getting a Merit for my grade 7/8. My dream was to sing to the World and heal peoples broken hearts! I then started to study Song writing and Poetry as I loved writing Poems as a child and making everything Rhyme, I even went to London to do a Songwriting Workshop with a Famous Song writer who works with many Celebrity's, He was very complementary about my songs saying I had a natural flair and remembered to put a Hook in my songs, and a good song always has a Hook, this is what makes a catchy song and

people will remember it! He offered for me to go on and do an intense Songwriting course at his home in Kent where he owns the "Darling Buds Of May Farm" and offered spaces to other Songwriters that day, unfortunately I was unable to attend due to having an operation but still hope to attend it one day. I continued doing Modelling/Acting and would often be casted of Film set for Films or TV Campaigns of TV Dramas, and also Modelled at Fashion shows, TV Advert promo campaigns and for Photographers. My friend Steve Knight who is my Photographer friend his wife Julia Knight is a very talented seems stress, Julia often makes Victorian Era costumes which was so beautiful,

I often would Model Julia's gowns, which also helped me get a few castings one of them in "Jack The Ripper Tours" Promo for my friend Jenny Philips, who is often seen in White Chapel telling the story of Jack the Ripper and walking around the streets he once did! I love Musical Theatre to and doing "Panto" and recently played to role of "Wishy Washy" in "Alladin" for "Broadstone Pantomime Productions" in Dorset as a friend runs the Theatre company, we all had so much fun! It was the first time I had every played the role of a boy teehee. I am so blessed to have worked with some wonderful people over the years and had some amazing teachers! I also loved Presenting so I decided to get a job at a local Radio station and was given my own show! My friend Presenter Philip Webster who trained me had many years training in TV and had worked for Channel 4 and Channel 5 for many years. Philip said I had the face for TV and was a natural, I

should do a TV Presenting course, so I then decided to do a Advance TV Presenting course with Bryan Naylor at Pinewood studios. The course ran for a week and was very in tense, we learnt so much and I loved it! And passed the course and got a certificate. After I went back working on the Radio with a friend at a different radio station, we both decided to set up a live stream TV Show where we would interview Celebrities about there lives and share there stories. I eventually left the Radio station wanting to branch out and decided to start my own live stream TV show "In The Hot Seat With Deborah Fennella" where I interviewed Celebritles, professional people, Charitable organizations giving them the platform to shine bright and share there stories to the World, promote "Acts of Kindness" I was very fortunate to have amazing London Producer friends Moinul Hussain-Mukul and Salima-Sharmin-Hussain, they were both very professional and

had worked for many TV networks! I also would present sometimes with a couple of friends including my friend Anthony James Mattocks from AJ Productions until my friend sadly had a stroke and then Anthony had to rest and recuperate. I love empowering others to fulfill there hopes and dreams and anything is possible if you set your mind to it! As a Spiritual lady I was very open and loved counselling people and guiding them forwards on there paths. I also studied Reiki up to Master level, EFT, Consciousness and Energy, the Mind and how subconscious blocks and how behavior patterns can hold us back, so I studied how to remove these blocks, How to manifest through the Law of Attraction and to set goals and do a Manifestation board, then teach others to do it! Being a Humanitarian and an Ambassador of Peace, Ambassador of Wake Up Rise Up 4 Peace Campaign, I was blessed to be asked to Host a stage on 21st September 2024 for my friend Douglas Payne the Founder of "Wake Up Rise Up 4 Peace Campaign" and asked my soul sister Celebrity friend Singer/Songwriter, Actress, Author Elaine Elizabeth Presley, Elvis Presley's

daughter. Liz loved supporting good causes like me and runs "the Presley Foundation" to, I also got Liz involved in "Panache Global Entertainment Awards" as I was blessed to be asked to sing the National Anthem at the Panache Awards in 2018 by my best friend Princess Peace, the Founder of Panache Awards and receive two Awards that year one for my dedication of service in the Music/Entertainment Industry and the other for my dedication of service to Humanity. Princess Peace Queen of Hearts as I call her then asked me to become part of the Executive team, I would then help organize the Awards yearly with Princess Peace, and then became the Executive secretary for one year. I am now Matron of "Panache Global Entertainment Awards" and Liz Presley is an Ambassador. Celebrity Douglas Payne at "Wake Up Rise Up 4 Peace Campaign" does amazing work promoting Global Peace and Lets end wars, End Gun and Knife crime, I decided to write a charity song called "Lets End Wars End Gun and Knife Crime" in September by Deborah Fennella Ft Mark Busell and it was released into the UK USA

Canada Music charts and Digital Music platforms by Special Edition Records, I also had a Music video done to tell the story of the song as I have an amazing Video Editor called Sachitra who does them for me, I hope the song will help others to awaken Peace is the answer not war!!! I have been blessed to work with some amazing Musicians including Jay D, Karma Destination, Mark Busell, Jamie Long, Izzy Peters, Jess Wentworth, Sound Engineer Ben Jones Sound Engineer at Basement studios

Wimborne, Martin at Active Studios, Celebrity Singer/Songwriter Elaine Elizabeth Presley, Celebrity Cathy Carlson, Celebrity Skyler Jett from the Commodores, Skyler Jett teaching me about Social Conscious Music, and a few others! My dream is to sing with Sarah Brightman one day as she is my inspiration, and Charlotte Church, I am often told I sound like them both, Charlotte Church is Spiritual like me and now runs a Spiritual Wellness Centre in Wales. My other inspiration as a child was Fennella

Fielding the Actress who I was named after as my dad loved her as a Actress! I love Julia Roberts, Hugh Grant, Brad Pitt, Goldie Hawn, Barbara Streisand, and many other Actors and have learnt a lot watching them as Actors which has helped when being on Filmset. My other dream would be to work on a National TV Station Presenting where I grant peoples wishes and dreams, I guess a bit like Cilla Black "Surprise Surprise", or Ant and Decs "Saturday Night Takeaway". I love Ant and Dec they are awesome and so funny! Including Stephen Mulhurn, Catherine Tate, she is my sense of humour teehee.. I was blessed to meet Simon Cowell, Ant and Dec, Stephen Mulhurn, David Walliams, Alicia Dixon and Amanda Holden when I went on BGT back in 2016 singing with a Rapper "Simon Cowell is God" for BGT 10th anniversary! Simon loved it us singing Rap and Opera! My dream was always to sing to Simon Cowell and after many years auditioning for the Xfactor and getting through to the third stage numerous times and BGT my wish was granted and it was a surreal experience when you are

finally on that stage singing live to 5,000 people! I was blessed afterwards back in 2018 to be approached by Gary Knight Founder of K Dragon Records to join his Record label and finally fulfill my wish of singing to the World and releasing songs, Heal those in need! Gary has now extended the Record Label and now has Special Edition Records solely for Artists who release Charity songs and Notorious Beats Record Label which Rapper Jay D is Head of A&R and signs Artist who want to release Rapp Songs. K dragon Publishing which deals with TV/Film and producing Music for Film Directors and Film Producers, TV Adverts. My life is like a game of chess where I am always plotting and planning my next move, and open for opportunities and trying new things! I am always grateful to everyone in my life who have supported and guided me, and feel so blessed! Blessed to receive many Awards for my dedication of service to Humanity and in the Music/Entertainment Industry. I was blessed to just recently be nominated by my friends Jamie Long and Izzy Peters for a "Good Samaritan,

Global Peace Academy Intl - Doctor of Humanities Award" and "Global Peace Ambassador Awards", "Honorary Diploma in Peace and Conflict Resolution Award" by HRE Archbishop KRMB AMB Dr Ade Harold JP, Founder/Chancellor of the United Nations European Commission and President Founder & CEO Mikes Intl - Mike Versity, of which I am so eternally grateful! My hope for the future is "World Peace" and "Lets End Wars End Gun and Knife Crime" and save more lives - learn to forgive each other and know Peace and Love is the answer! Choose PEACE not WAR! My advice for anyone wishing to fulfill there hopes and dreams, if at first you don't succeed try and try again.. as in the TV/Entertainment, Modelling industry there is a lot of rejection it is important you don't take it personally, keep trying, believe

in yourself and master your Art! Confidence is the key and self belief, and eventually the right door will open but first one door will close then giving way for the right door to open up that is perfect for you! Shine bright and know you are the key to your destiny!!!! Never give up hope on your dreams. <https://www.deborahfennellasingersongwriter.co.uk/> <https://www.kdragonrecords.com/> <https://www.wakeupriseuplive4peace.com/> <https://www.panacheglobalentertainmentawards.com/> <https://deborahfennellasingersongwriter.co.uk/management-contact>

Hi, my name is Eulalie Harvey, aka Infintee Harvey. I reside on the island of St.Kitts and Nevis in the West Indies. I have been an aspiring Singer, Songwriter, and musician for the past twenty years now. I have loved music ever since I can remember myself I have been singing and writing songs. Music is my passion, my life my heartbeat, and my entire being. I live and I breathe music. Sometimes all you need is the right individual in your corner to push you and empower you, to help support you.

My favorite artists are Whitney Houston, Mariah Carey, Luther Vandross, Debela Morgan, Lisa Stanfield, Michael Bolton, Beyonce, Amy grant, Michael Smith, etc.

The obstacle I have mostly faced is the lack of funding to make my dreams come through. I have been trying my best, but it takes funds to professionally record and produce your music and disseminate it worldwide on social media and radio stations and other platforms. I would like to make it big and to be successful not just for myself but for other artists like myself who have been overlooked as winners. Sometimes all we need is a chance and motivation from others, and support to make our dreams come through. If I am successful, I would love to help to make someone else successful too. Take a chance on me. If no one sees you or acknowledges you keep empowering you and always take a chance, take a chance on you. Dont give up on you.

Izzy Peters is Signed to K Dragon Records and Special Edition Records, she has spent the last 20 years captivating audiences with her operatic and contemporary vocals. But for Izzy, music is more than just a career; it's a passion that started in childhood and has shaped every part of her life.

From a young age, Izzy knew she was destined for the stage. Her father, her biggest fan and

source of inspiration, would always tell her, "Izzy, you have a beautiful voice—it needs to be heard." Encouraged by his words, she dedicated herself to honing her craft, joining a choir that toured the UK and studying performing arts and musical theatre for three years.

Her dedication paid off as she performed in theaters, competed in singing competitions, and even found herself singing in front of

Britain's Got Talent scouts. Along the way, she discovered her own vocal range and unique sound, drawing inspiration from legends like Katherine Jenkins, Eva Cassidy, and Sarah Brightman.

Izzy's talent has been recognized by some of the best in the industry. She had the honor of singing for Claire Moore, the first-ever Christine in *Phantom of the Opera*, one of Izzy's

favorite musicals. Claire's words were unforgettable: *"What an incredible voice, such an amazing vocal range."*

She also shares a special musical bond with her best friend, Deborah Fennella, with whom she often performs. Their friendship and passion for music have led them to incredible opportunities, including writing and recording their upcoming song *My Father, My Hero*, set

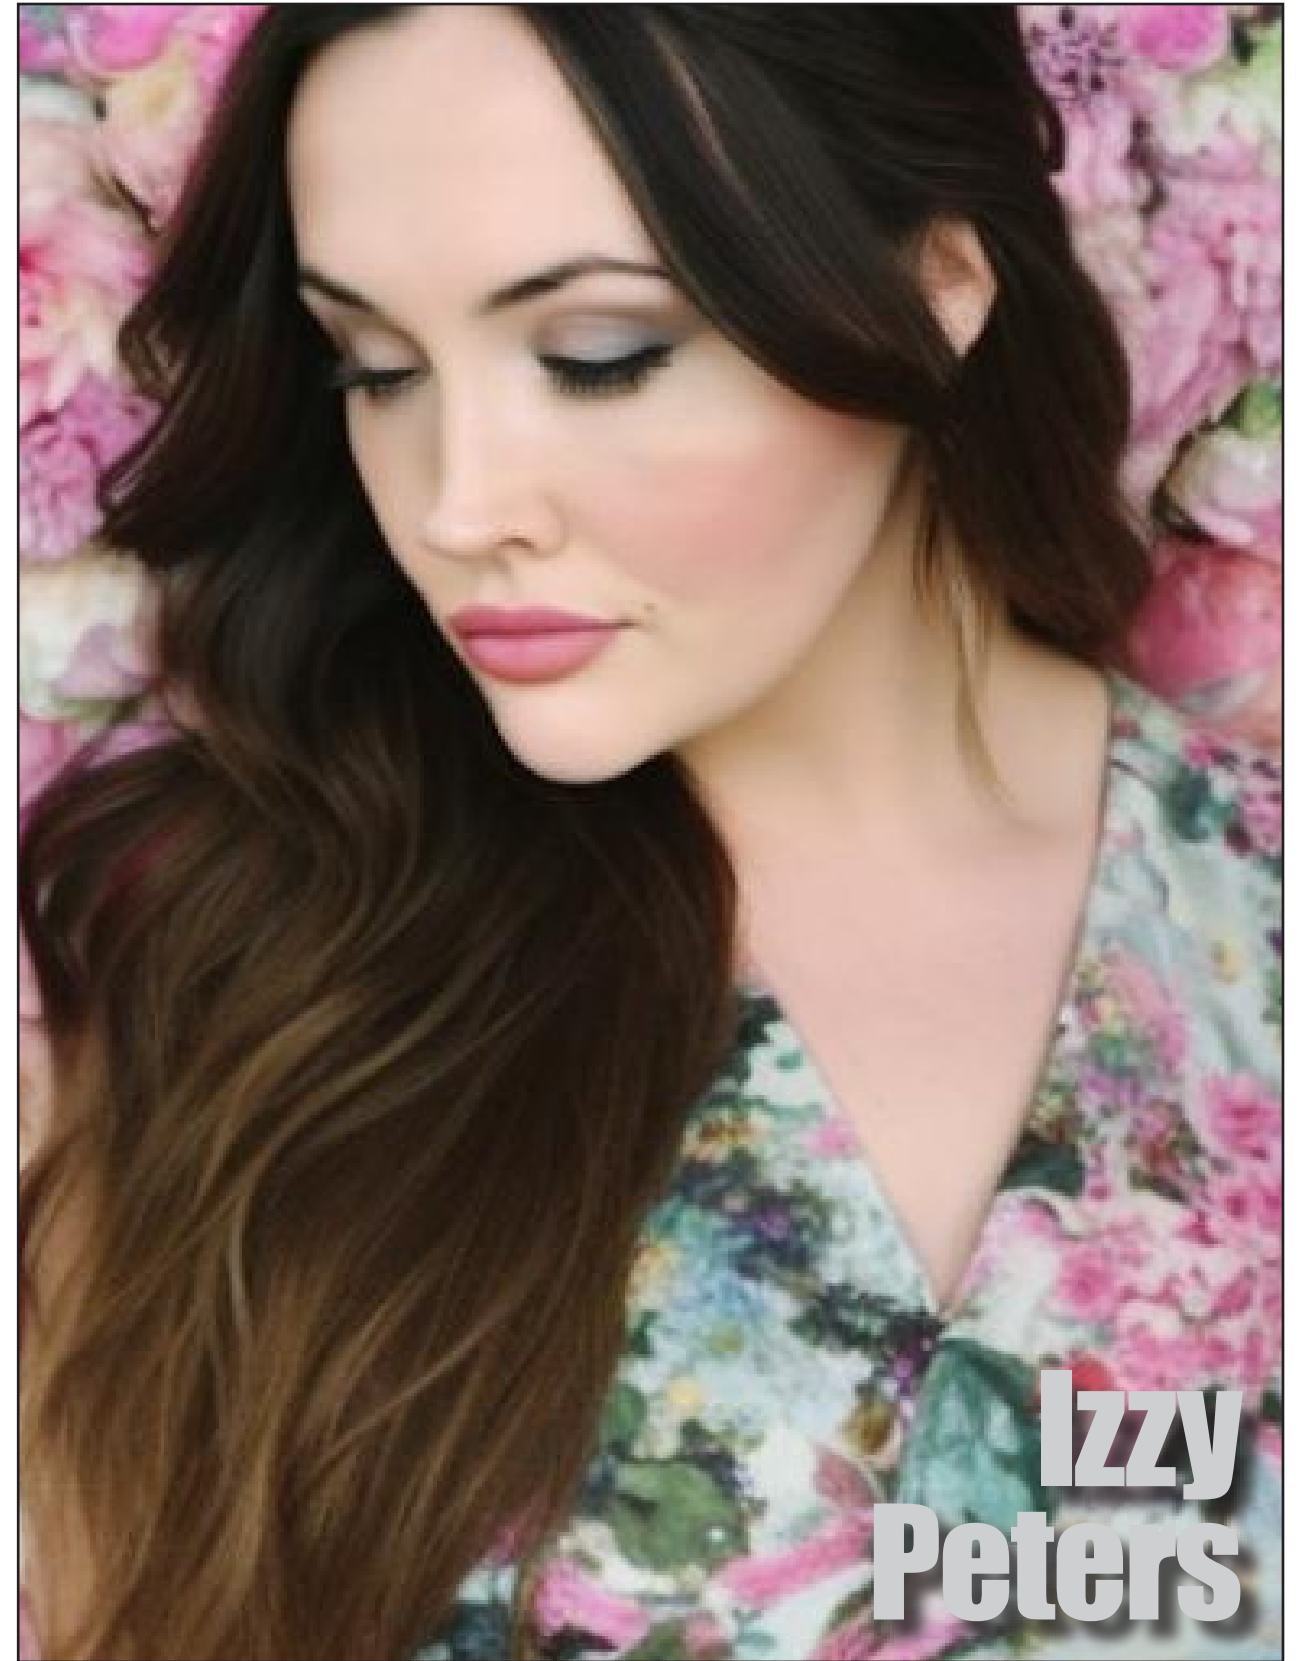

for release on Father's Day 2025.

While music is her passion, Izzy's greatest inspiration comes from her six children. As a mother, she strives to show them that no dream is too big. "I want to show them that you can achieve your dreams no matter what life throws at you," she says. Even with a busy career, she ensures that her children see her dedication, strength, and love for music.

Izzy is not only making a mark in the music industry but also in the lives of others. She is in the process of launching *Cameron's Crew*, a charity she is creating with her son to support sick and disabled children and their families. Their goal is to provide assistance with household items and holidays, ensuring that these families experience joy even in difficult times.

As an Executive for the Panache Global Entertainment Awards, Izzy continues to perform for audiences that include celebrities and dignitaries. But her dreams don't stop there—she is eager to create more music, not just for herself, but for others to perform and connect with.

MES CONSEILS POUR METTRE EN VALEUR
VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Amenager soigneusement:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

The dream of achieving significant success is a universal one. We all envision a future where our hard work and dedication. This path, however, is rarely straightforward. It's a journey punctuated by moments of both exhilarating triumph and frustrating setbacks. The modeling industry, in particular, is notoriously competitive.

I've personally wrestled with self-doubt, allowing negative thoughts to impede my progress. I used to be my own worst critic, constantly questioning my abilities and worth. This internal battle, however, proved to be a crucial turning point. I realized that I could

choose to be consumed by disappointment or channel that energy into constructive action.

I consciously shifted my perspective, focusing on transforming each experience, positive or negative, into a valuable learning opportunity. Every photoshoot, every runway show, every interaction, regardless of the outcome, contributes to my growth. It's not just about booking jobs; it's about building relationships, expanding my network, and witnessing firsthand the remarkable talent of others.

Runway modeling holds a special place in my heart. The energy is electric, and representing a

Michelle Yarnell

designer's vision is incredibly fulfilling. I cherish the unique connection built with each designer, a shared trust that allows for a powerful collaboration. It's a beautiful synergy, a shared creative moment.

As I continue my journey, I remain hopeful and driven. My aim is to not only succeed in this industry, but to inspire others to pursue their dreams with the same passion and determination. My message is simple: never give up. Embrace the challenges, learn from

your experiences, and most importantly, savor the journey. It's your journey, and you have the power to shape it into something extraordinary. Let's continue to support each other and celebrate the remarkable achievements along the way.

Shaleah Fields

My name is Shaleah. I've always loved being in the spotlight, from my four years of indoor football cheerleading to now pursuing my dream of modeling. My goal is to continue pursuing this dream as I recently went to New York Fashion Week. That was an amazing and educating experience for me. I loved every minute of it! Beyond the glam and high fashion, I'm still just a chill girl who values family, sports, and time with my friends. I'm also in school for Early Childhood Education because I love learning and making a difference. Traveling, meeting new people, and experiencing different cultures are big dreams of mine. More than anything, I want to be an influencer known not just for my looks but for my kindness, good intentions, and the way I connect with people worldwide.

Of course, chasing this dream hasn't been easy. Being shorter than the average model and not living in a big city has made it harder to get my start. But I'm not letting that stop me—I'm eager and willing to make my own way. I believe success isn't just about where you come from, but how hard you're willing to work for it. And if opportunities aren't right in front of me, I'll create them. I also want to bring more of a creative community to my city, proving that you don't have to be in a major fashion hub to make an impact.

At the end of the day, my journey is about more than just modeling—it's about breaking barriers, staying true to myself, and inspiring others to do the same no matter their age, height, weight, etc. I want to show that you don't have to fit the mold or be in the "perfect" place to make things happen. With passion, persistence, and a little creativity, anything is possible. Whether it's through fashion, education, or connecting with people around the world, my goal is to leave a positive impact. This is just the beginning, and I'm excited to see where this path takes me.
