MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

LeJon Stewart

I am LeJon aka LeJon Stewart aka LeJon LeJon. I am a lover of life and of all people in general. People are the most important commodity on this planet. The 5 year old LeJon had a goal to meet every single person on this planet. The adult LeJon chose two distinct professions that somewhat honored that impossible goal. I became an Educator and taught Elementary, Middle School and High School. I was hired at Ruth O. Harris Middle School to design/teach

the At Risk program/students. I also obtained a Special Education Credential which allowed me to also teach Down Syndrome, Autistic & Special Needs students. My Single Subject Credential allowed me to teach Regular English 9th thru 12th grades. I love/loved all of my students from Straight A's to the opposite and of course all in between. I was a very successful teacher only because my students knew that I loved them. Interestingly,

fate lead me to discover my true & most desired profession; Every summer teachers would receive 3 months off without pay. Each summer hiatus, I chose a different type of job from the prior summer. In the Summer of 1996, I joined an Extras Casting Company. Ruthie, the Casting Director, said, "If you can comb your hair into an afro, I've got the perfect movie for you, it's called "Boogie Nights" starring Mark Wahlberg, Burt Reynolds, Heather Graham etc.. Just that one fateful night in the San Fernando Valley, 599 Extras (Background Actors) and me

changed my life. I remember, it being so surreal when I realized I'm acting in a motion picture. Then, a rush came over me and I was disappointed in myself, thinking ..."You should have realized a long time ago that "This is where you belong" I, indeed, had been bitten. In Sept 1996, the first day of school, I told my principal "This will be my last year teaching... When school was over in June, I prayed, joined S.A.G. in 1998, joined AFTRA in 1999 and the rest is ...

My name is Mabel Sanders, and I've always had a passion for modeling, acting, and singing. My goal is to secure contracts for commercial and print modeling. Noemi Tkac

My name is Noemi am 13 years old and I love to dance and competitions. I do freestyle disco and acro dance. I also like drama at school 😊

My biggest achievement was when I won 1st place in Blackpool dance competition in my section.

My Name is Stevie Kinchen: A Journey from Baton Rouge to the World of Comics and Film

My name is Stevie Kinchen, and I was born on May 12, 1979, in the vibrant city of Baton Rouge, Louisiana. Growing up here, I was surrounded by a rich tapestry of culture and creativity that ignited my passion for storytelling. From a young age, I was captivated by the power of narratives—the way they could transport us to different worlds, evoke deep emotions, and inspire change.

As a child, I spent countless hours reading comic books and watching films, dreaming of one day creating my own captivating stories. Each comic I flipped through and every movie I watched fueled my imagination and lit a fire in my heart. This dream became my guiding light, pushing me to develop my unique voice as a storyteller.

The journey hasn't been easy. I faced numerous challenges along the way, each one testing my resolve. Yet, every setback became a stepping stone on my path to success. I learned the importance of resilience and the value of hard work. These experiences shaped me into not just a creator but a warrior in pursuit of my dreams.

I envision a future where I stand at the helm of my own comic novel and film production. My aspiration is not merely to entertain but to inspire others. I want to show that with passion, perseverance, and creativity, anything is possible. My goal is to build a legacy that resonates with people from all walks of life, transcending generations.

As I embark on this journey, I carry with me the spirit of Baton Rouge—a city that nurtured my dreams and fueled my ambition. I am committed to giving back to my community, nurturing young talent, and creating opportunities for aspiring artists and

storytellers.

By sharing my story, I hope to inspire others to chase their dreams relentlessly. Remember, no dream is too big, and no goal is unattainable. It's not just about reaching the destination; it's about the journey, the lessons learned, and the connections made along the way. Together, let us embrace our

passions and strive for greatness, leaving a lasting impact on the world through our creativity.

This is my journey, and I invite you to join me as I turn my dreams into reality, one story at a time.
