First and foremost, I'd like to thank Mike Trent for the opportunity to show off my beautiful work. Hey everyone, I'm Kera AkaGoddess and I'm a 43 year old RN and 8 year lingerie model. I am the mother to 11, yes 11 beautiful kids and 2 grandsons. I absolutely love traveling, and laying out on the beach, but not more than I enjoy being in front of a camera. When I first started modeling, I was bigger built and very shy, but knew I could be that face in front of a camera and wanted so desperately to pursue a modeling career. When I first began, I was also not as tattooed or confident as I am now. Throughout the years, I've worked with so many gifted and talented photographers and videographers that have helped me see myself through a new lens and I hold everyone of them so very near and dear to me and my heart. One of my biggest dreams is to be front cover of a magazine. It would definitely make me happier than ever but more importantly show others you don't have to be a size 2 to model, we come in all shapes and sizes. I also would like to represent for the older woman out here!! I'm 43 and look better without anything cosmetically done to myself than half of these younger girls. Eventually, I'd love to be called on to do acting or short films. My friends call me a chameleon because I could be 5 different people at the snap of a finger. I enjoy switching up my style leaving people wondering "is that Goddess". As far as the love life, I've been single 4 years but looking and trying very hard to change this about myself. My last relationship was the reason I revamped and transformed my body and got back into modeling after the birth of my 2 year old son. I absolutely LOVE what I do, and can guarantee you'll see Goddess around for a long time to come. I'm always looking for new ideas on what to shoot and actually have taken the advice of my fans in order to make them happy. Where would I be without my supporters!! I can be found on IG [Ur_goddess40](#). Please feel free to send a request!! I answer all my fans!! Thank you

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

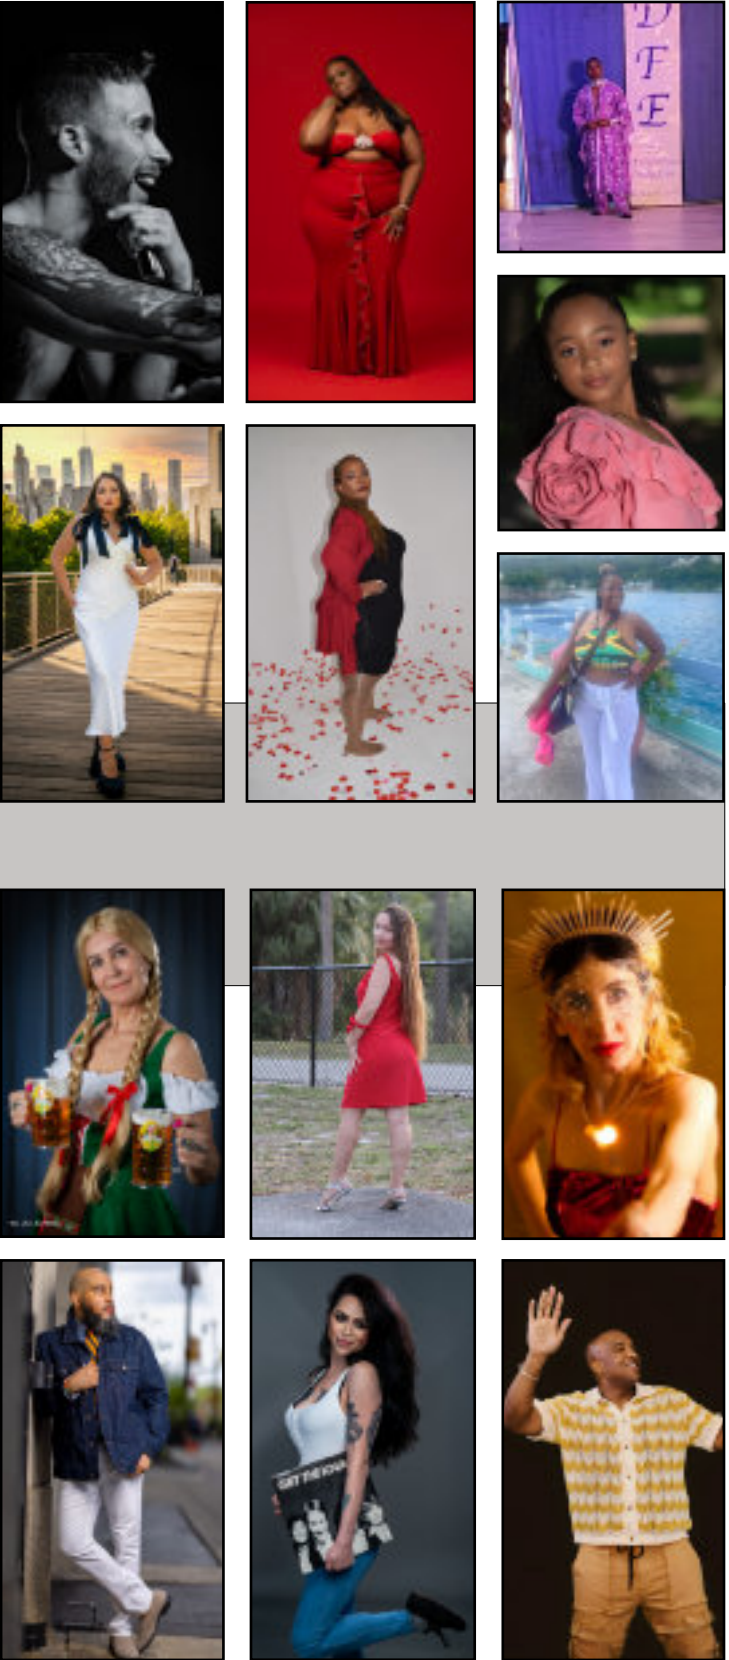

- ✓ **Amenager et soigner:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Olivia
Todaro

Hi
I'm Olivia, a bright and passionate 9-year-old model from Montreal, Canada who brings joy, elegance, and a touch of sparkle to every runway. With 1.5 years of modeling experience, she has already walked in NYFW, LAFW, TFW, MCFW, and Atlanta for Fashion Parade. She loves modeling because it allows her to wear beautiful clothes, travel to exciting cities, and make new friends all over the world. Her favorite look? Luxury princess dresses—though she enjoys showcasing a variety of styles with grace and confidence.

Beyond the Runway
When Olivia isn't modeling, she's training as a Level 2 gymnast, where she shines with determination and strength. She also takes tennis lessons and loves staying active and disciplined. A native French speaker, Olivia attends a French school and is proud of her culture and language.

Big Dreams
Modeling is currently a fun adventure for Olivia, but her sights are set high—she dreams of becoming a supermodel one day. Her message to others:

"If you want to dream, dream big and put in the effort to achieve it. Don't let anyone tell you can't."

With a work ethic beyond her years, a heart full of joy, and a talent that shines brighter every day, Olivia is not just chasing her dream — she's living it.

Watch this face — she's just getting started.

I have been working with Sara Kate back in 2018. So it has been 7 years and counting.

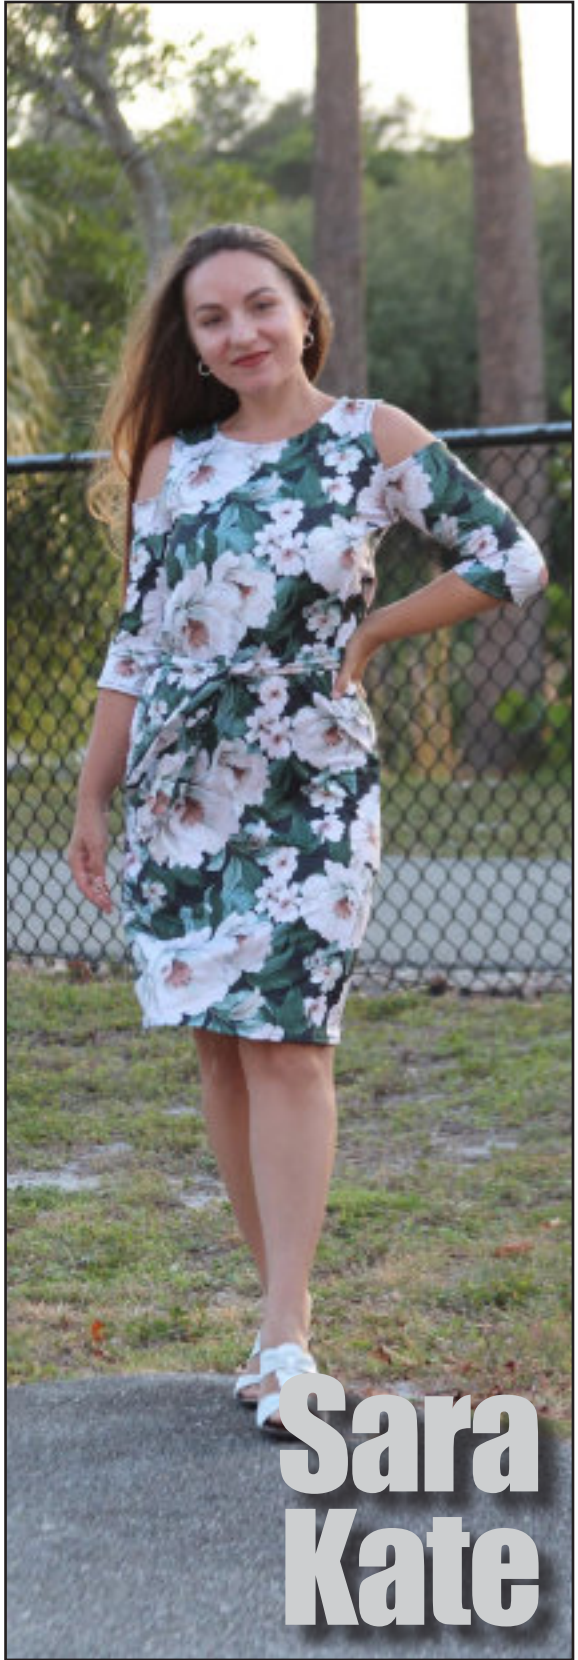

How did we meet?

She contacted me on Model Mayhem because I was doing a Model Casting and she expressed interest in my clothing line. So I told her about the model casting that I was doing for the other models. She couldn't make it in person. So I told her that she can send me a video of her catwalk. She passed the test. I was so impressed with her catwalk. So she modeled

in the "Givin me Life Fashion Show. She has also done Photo Shoots with my clothing. As I already counted she has modeled 40 of my collections. I really enjoy working with her. She really knows how to make all of my clothing come to life. She is also a Brand Ambassador. She is also an Author and she is working on a new book. So she is multi-talented. So that's how it all got started. I am basically helping her to keep building her portfolio. I will definitely recommend her 100 percent.

I was born in Yerevan. I am pure Armenian. I was born and raised there. I went to St. Kitts, West Indies and Chicago, Illinois with the ex-husband. We were there fifteen months, St. Kitts, West Indies fifteen months, Chicago, Illinois fifteen months. I am an internationally published model/actress, burlesque performer artist, social media star, singer. 2 X Beauty Pageant Winner, Miss Classic WOW title holder,

London, England, 2020. Miss Congeniality Armenia title holder, London, England, 2020. Winner of World Bikini TV Group, 2024. Top Sexiest Model on facebook, 2024, online group (Top 30), Top Sexiest Model on facebook, 2025, online group (Top 30). Known as the Exotic Armenian for her prominent diamond looking features, statuesque figure. I have been published in numerous magazines. London,

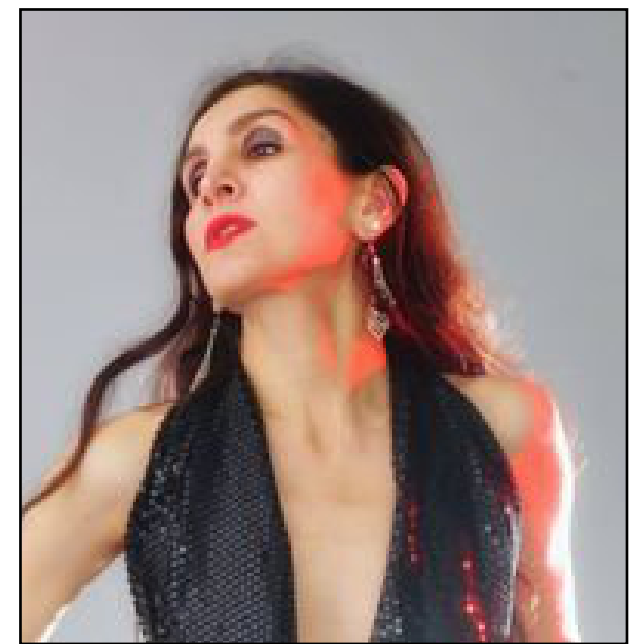

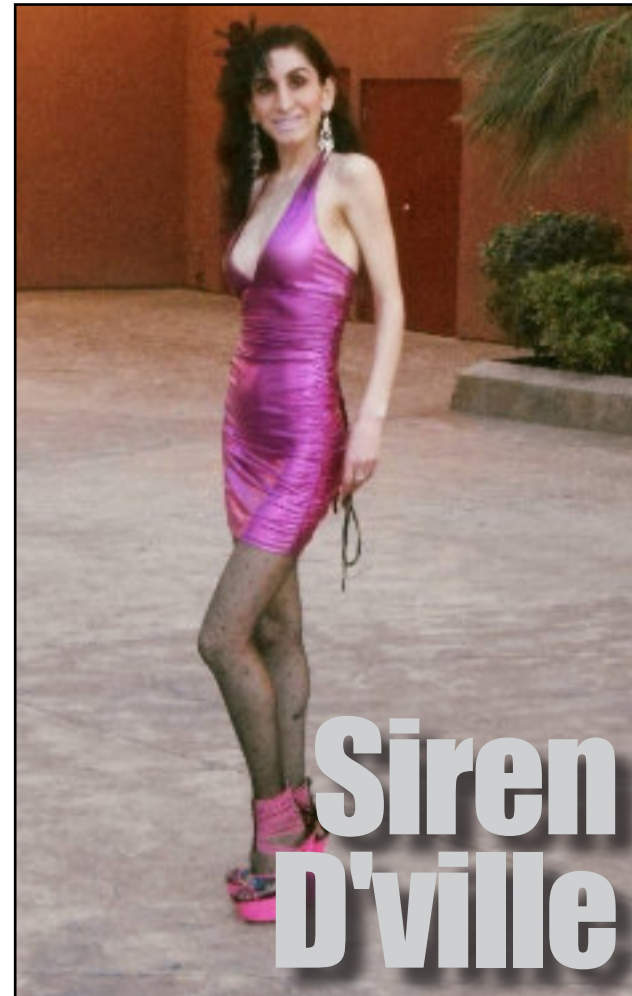

England and the States. People in New York and Los Angeles, California have been really kind to me. I got published in FR (Fashion Republic), Exclusive Interview with Siren D'ville. Q & A, talks about my journey into modeling and acting and all the crazy ups and downs that happened in my life. This magazine means so much to me. With respect to acting. My acting career started a lot quicker

than I ever anticipated it. Less than a year, I have been in two feature films, five short films. I think the film that got me out there was Two Ways to Heaven, (Ethiopian short film) based on true events. Role of Ms. Melissa Mauricio, (high profile businesswoman). She handles high profile cases, goes to high end locations. Actual filming was done in Hamilton, Ontario. Some shots were taken on Bay street, some

shots were taken on Harbourfront Queens Quay. Five guards. Wherever I go, they come with me. Deals with a corrupt cop, trying to mess Ms. Mauricio's business seeing how successful she is. Corrupt cop, thug, high profile businesswoman. Mauricio's guards. Rookie film about a cop, New Things student short film, Petty Theft student short film, Recording rituals, (Aga Khan Museum), I love Lucy (SWEDE Project), Christian short film. Versatile actress: Has been in many genres: Classical drama, some action, romance comedy, horror. Acting has become my passion, it is something that I definitely would like to pursue further. With respect to burlesque. My burlesque career started in Chicago, Illinois. She is number one dancer in America. Miss Exotic World Reigning Queen of Burlesque, 2005, World's Best Group, 2010. I did my debut here in Toronto, Canada, June 2012, Comedy Bar, Bloor and Ossington. There is not a lot of burlesque stuff going on here as it is in Chicago, New York, Atlanta Georgia. Burlesque is glitz and glamour. I found burlesque very glamorous. There is theme/storytelling. In each act, they are telling a story. It is not the same as you see in strip clubs. One would have to go to a strip club, see a burlesque show, see the difference. Burlesque is an on stage performance. Does not involve lap dancing. Whoever hires you, that person pays you. With respect to singing. I have two and a half octave voice range, Soprano. I got the voice from my grandmother. She had the voice naturally. She never went to Opera School. I have a legal background. Law Clerk Diploma Program. My passion was more into performance arts. I love stage, being on stage performing. I will only get off stage, when people start throwing tomatoes at me. I consider the audience my family. I have accomplished so much winning honorary titles, now I am looking for love. Time for love. We all need a longing, nobody wants to be lonely. Leave here, turn your messes up life, to a normal life. Time for a fresh start.

One of my dreams and goals is to become a household name as a world renowned Fashion Stylist, Image Consultant and professional male model. An achievement that I have achieved was being featured as a professional model for Alain Dupetit as their Suit Contest winner in 2024 which was featured on all of their social media platforms. A challenge that I face is being a 5'7 male model who is 55 years old who loves to model. I have successfully

been able to show others in the business that you do not have to be a certain age, height or weight to become a professional male model in the modeling industry. I was recently signed to the M Modeling Agency based in Detroit, Michigan in the beginning of 2025. Photographers Credits (If Any): Photographers are Jermaine Gibbs, Bryan B. If you told me years ago that I'd be building a life through music, I would've believed you. Not because the path was clear, but because the passion was. I've always been a dreamer with a strong work ethic, a curious heart, and a need to express myself beyond words. Music was my first language. It was how I processed the world—its beauty, its heartbreak, its rhythm. That's why I became a storyteller through melody.

My music has always reflected the layers of my life: love, vulnerability, ambition, and resilience. I'm drawn to songs that make you feel something—that stir up emotions you didn't know were still sitting under the surface. From my first released project, "It's My Will" to my latest single "Merry Go Round", I've written about the beautiful chaos of relationships and the deep pull of growth and self-reflection. Those stories are universal. That connection is what keeps me going.

Recently, I've extended that creative energy into fashion. Launching My Best Interest Apparel wasn't about jumping into a trend—it was about translating the essence of who I am into something people could wear. Music speaks to the soul. Clothing speaks to how you carry yourself through the world. I wanted to create pieces that feel elevated, intentional, and empowering—something that, like a great song, makes you feel like the best version of yourself.

Both music and fashion, for me, are about expression and identity. They allow me to speak without explanation. And my goal through both is to leave people with something real—whether it's a lyric they can't stop humming or a hoodie that makes them walk into the room a little taller.

This journey hasn't always been easy, but it's always been mine. I've learned that success doesn't come from chasing trends—it comes from chasing truth. I'm building something that reflects my voice, my values, and my vision. And if I can inspire someone else to do the same—to live in their best interest—then I'm doing exactly what I was called to do.
