I been in over 30 movies. I'm still auditioning and trying to book major gigs for bigger movies or tv shows. My goal is to network around the country and build myself as a content creator actress, model, & host. I want to build a life that me & my beautiful daughter (Autumn Bell) can be comfortable. My biggest achievement is being on Lifetime, Hulu, and working with major celebrities. I'm blessed and thankful for the opportunities and being

able to network with photographers and being at events. Challenges is being able to stay consistent with my content and being able to afford the lifestyle I want to live. Also I'm a mom but finding a baby sitter to move around can be kinda hard esp when you're doing things on your own. It can be challenging but you have to have faith.

Being a single mother of two isn't for the faint of heart. It takes resilience, grit, and a relentless kind of love—the kind that wakes you up early, keeps you going on empty, and whispers keep going when the world gets loud.

For years, I put my dreams on hold. Modeling was once a passion, a part of me that lit up any room I walked into. But life shifted, priorities changed, and survival became the focus. With limited resources and two little ones depending on me, everything I had went into making sure they had what they needed.

But here's the thing about purpose it doesn't

die. It waits. And slowly, through the chaos and challenges, I found myself again. The fire came back. The desire to not just survive, but thrive. To show my sons and every young Black girl and single mother watching—that you can rewrite your story at any time.

In 2024, I took a bold step and entered Pee Dee Fashion Week Top Model Competition, trusting God and trusting the vision He placed in me. That leap of faith led to something incredible: I was crowned the Pee Dee's Top Model 2024-2025 Winner. That moment was more than a title, it was confirmation. A reminder that faith, persistence, and passion can move mountains.

Through every late night, every setback, and every moment of doubt, my faith in God and the unconditional love I have for my children kept me motivated. They are my why. They are the reason I keep pushing forward, even when the road isn't easy.

This journey is bigger than fashion. It's about purpose, legacy, and walking boldly in your calling.

My dream is to become a high top fashion model. My goals are to make it into a lot of shows. I have made it into a couple shows in the city. But would love to go international. I

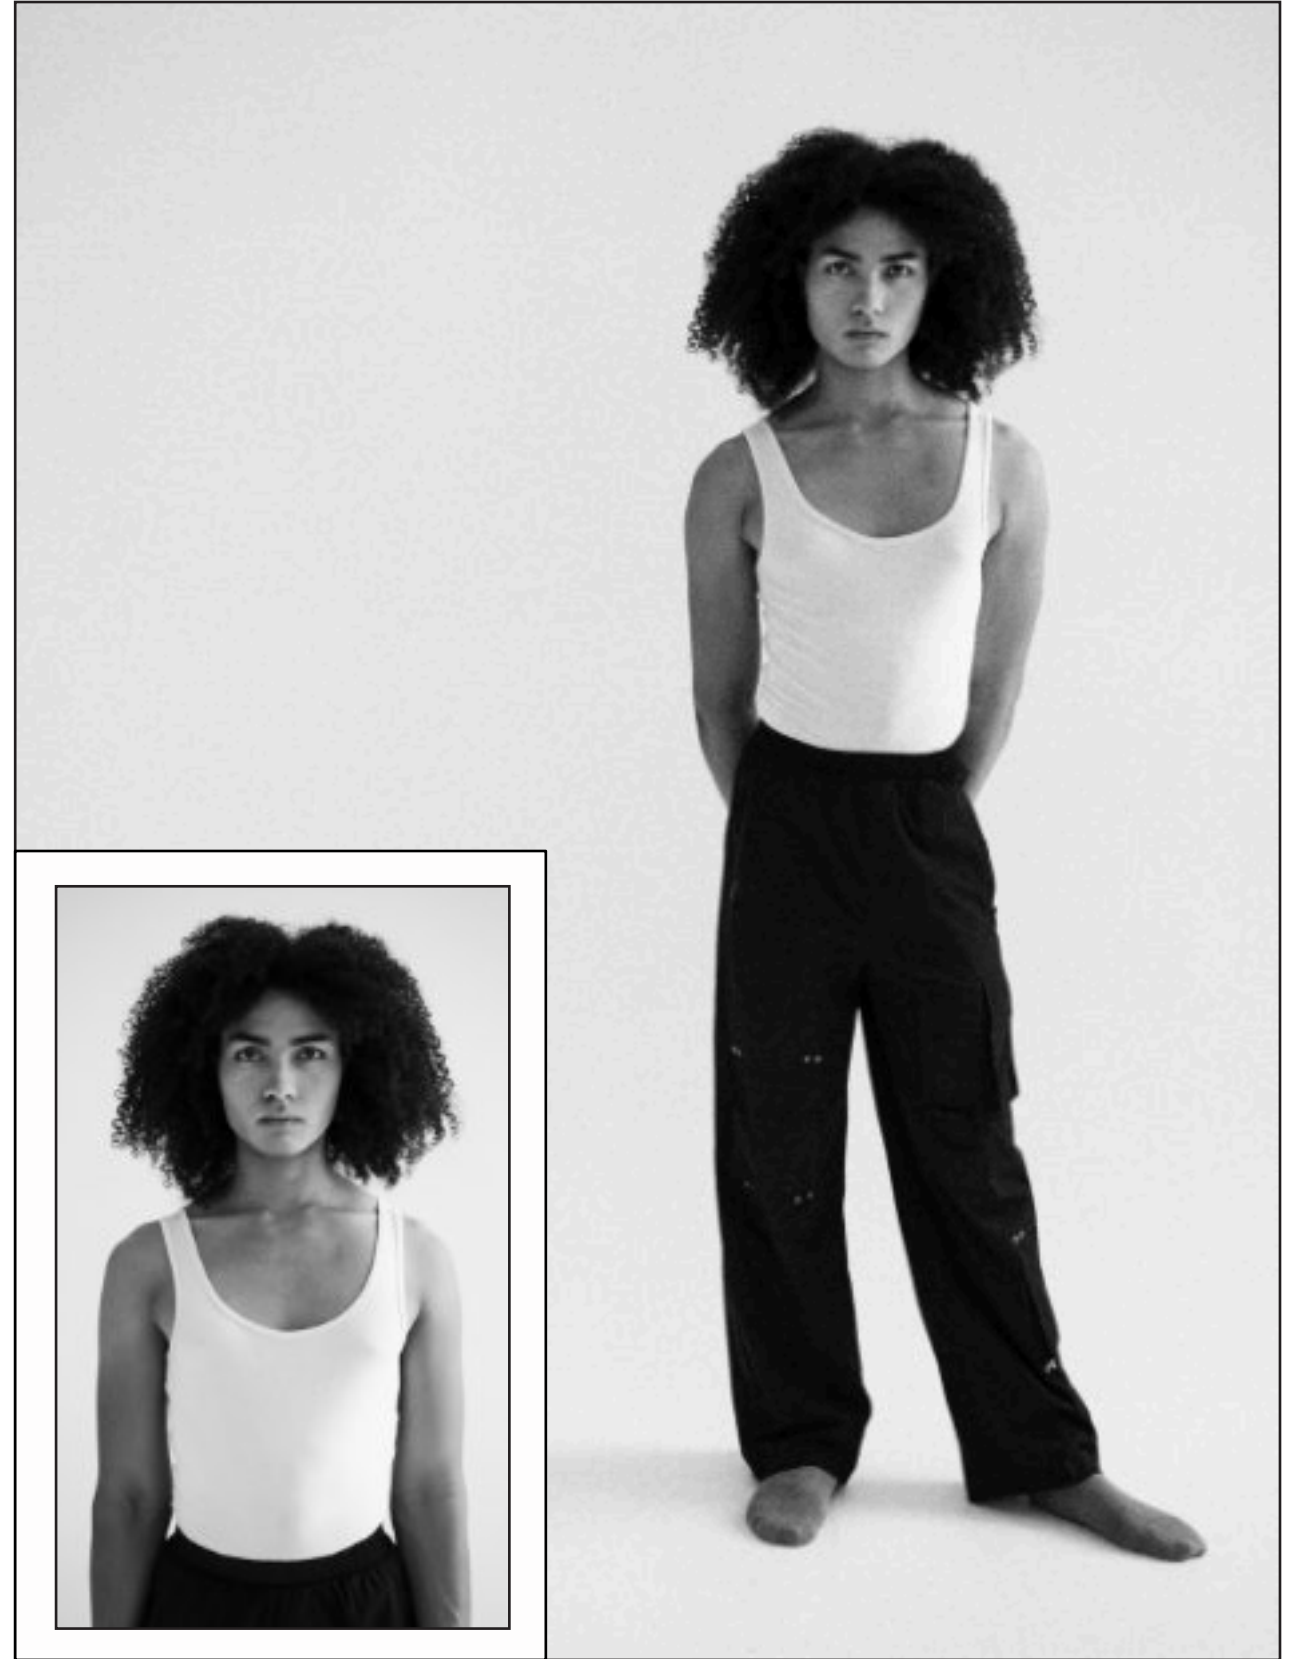

love to go across the ocean to go to Paris and Brazil for an amazing fashion show.

As the Founder and Creative Director of Wisper Couture, my dream has always been to build a luxury fashion brand that empowers women to feel confident, seen, and unstoppable—regardless of their size, background, or ability. Wisper Couture was born from my personal journey as a differently-abled designer with an unshakable love for couture and a vision to redefine elegance on our own terms.

Since launching in 2017, my goal has remained the same: to create bold, timeless fashion that makes a statement and a difference. Wisper Couture has grown into a globally recognized brand, worn by women who value strength, sophistication, and individuality. Being nominated as one of Atlanta's Hottest Fashion

Designers has been one of my proudest achievements, along with seeing my designs grace red carpets and empower everyday women around the world.

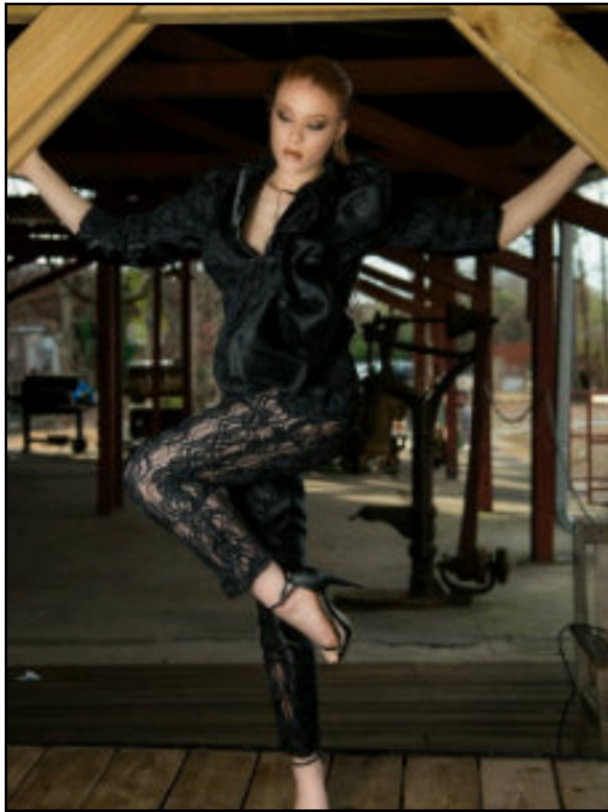

As we continue to grow, one of our biggest commitments is expanding our sizing to become fully inclusive—offering larger sizes so that every woman can feel like Wisper Couture was made just for her. While our fan-favorite Metallic Collection remains a signature staple, we're preparing to launch an entirely new collection as part of our rebrand—designed for women who want to invest in timeless, high-quality fashion pieces that become a part of their forever wardrobe.

Of course, the journey hasn't been without its challenges. Building this brand as a differently-abled Black woman has meant facing systemic barriers, limited access to capital, and having to break through spaces that weren't built with someone like me in mind. Yet, these very challenges have only strengthened my resolve to create space not just for myself, but for others like me.

shoots to our upcoming digital styling guides and new fashion offerings, Wisper Couture is more than fashion—it's a movement. We're rooted in resilience, representation, and reinvention, and the best is yet to come. MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Beginning a modeling career one has a lot to learn learning is the key to staying active and having a lengthy and fulfilling career in this business staying up-to-date and learning about the fashion business is an essential key furthering your education and dance and acting can also give you their creative edge needed to make major advances in your career many colleges across the world, offer theater and acting degrees along with experience, taking your career seriously will take you far in the business. A lot of casting companies will also cast for actors along with model calls some of the first experiences for a model would be doing what's called a cold read practicing a cold read at home is easy standing

in front of a mirror and practice speaking about a product which can range from anything from a beauty product to a car commercial if you're ever called to do a cold read, try standing in front of a mirror and practice reading. Let's say four sentences in a very short paragraph being comfortable in front of the camera is key and who knows he may be exactly what the casting director is looking for. Drain big and reach for the stars and practice practice practice

My name is Madeline Jonelle Goodridge I am a professional model & have been in the industry for a whole decade now . It has been & continues to be such an incredible journey ! I have had many exciting opportunities, working with so many wonderful photographers across New England as a freelance model ! In 2015 I entered into a Miss Jetset modeling competition & came in as 2nd place I poured my heart into that competition so I felt pretty slighted considering I held 1st place right up until they announced the winner , but I did not let that defeat keep me from trying again as the great Aliyah said " if at first you dont succeed dust yourself off & try again " that's exactly what I did ! A year later I entered to win Miss Jetset again & won 1st place representing my State with a feature as Miss Jetset Maine 2016 in Jetset Magazine !! It felt incredible & just goes to show you truly can make anything happen through passion & willpower!! I also entered another modeling competition shortly after & got selected out of

300 applicants to compete as a top 5 Bond Girl ! I worked really hard with my online community & made it into the Top 5 Bond girls !! I was so incredibly excited because the Top 5 got an invitation to ring in the New Year & celebrate with Bostons Elite at an NYE red carpet event & what a magical night that was I got to meet & mingle with so many amazing people! Who ever had the most popular vote won the grand prize at the end of the night , I won 2nd place but it just felt so surreal & I was just so grateful to be there !! I have been beyond blessed in this industry making lifelong friendships along the way. It's a really great feeling to do what you love & share that love & passion with the world ! My hopes in the future is that I continue to climb the ladder of success in this industry & inspire others along the way, being an example for others to not be afraid to follow their heart & dreams in life ! My dream was always to be a model and I used to work in Lazarus's Windows dressing the mannequins and I thought how cool that is and it was fun I thought I can do this and love fashion always I'm always will I've always been told I stay stand out in a way that no one else does. I'm 68 years old now and my dream is before I turn 70 to walk a runway to be signed by an agency and some model and the commercials and help others always and love traveling I love going different places never been able to much I traveled as a kid camping going to parks going to different states I miss that love being outside in nature I just feel at my age of 68 since fire other women that no matter how you really look your inner beauty shows through your outer beauty and the one should ever not try at least take that leap of faith as one. How's your head high and your feet on the ground and always let him know who you are if they knock you down get back up brush yourself off and say I am Rhonda Wilson
