Being a model involves presenting oneself in an appealing way, often with a focus of beauty, style and poise. It is a career that requires not just physical appearance but confidence and the ability to work with professional brands, photographers and stylist.

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off. I hope you enjoy my work, and I welcome you to my world.

Flamee On – By Quortnee
Where Spirit Meets Strength, and Purpose Ignites Power

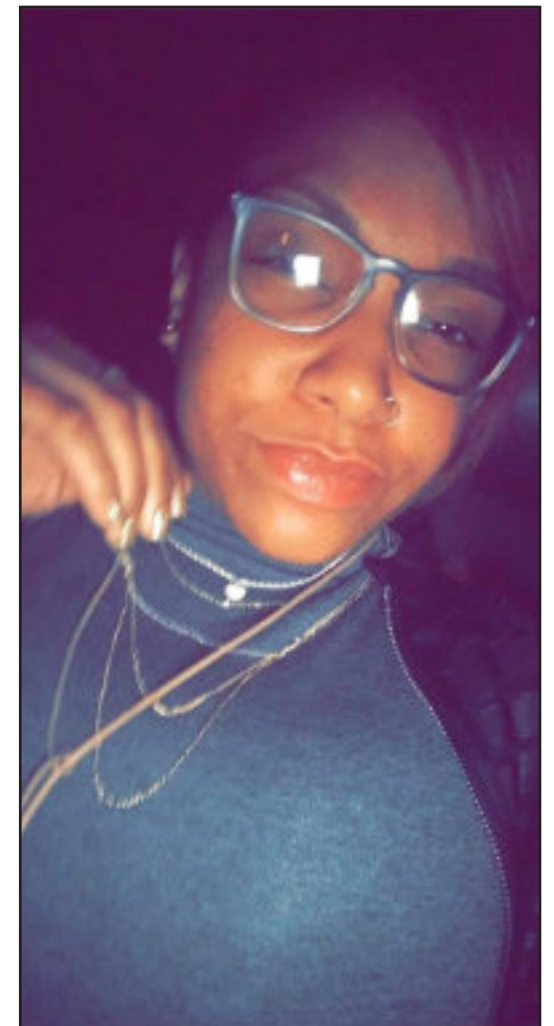

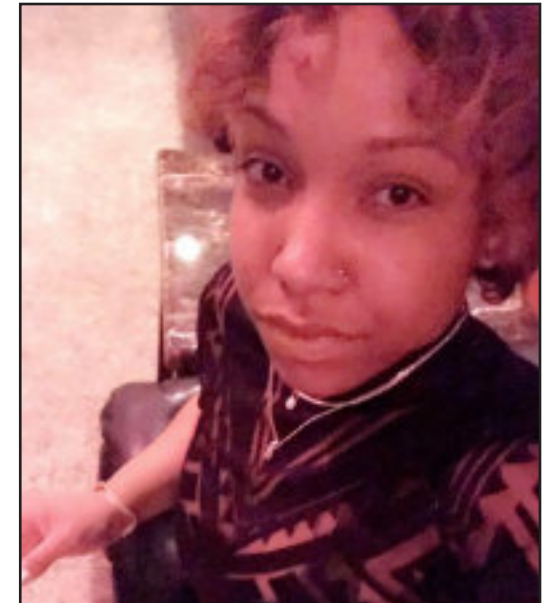

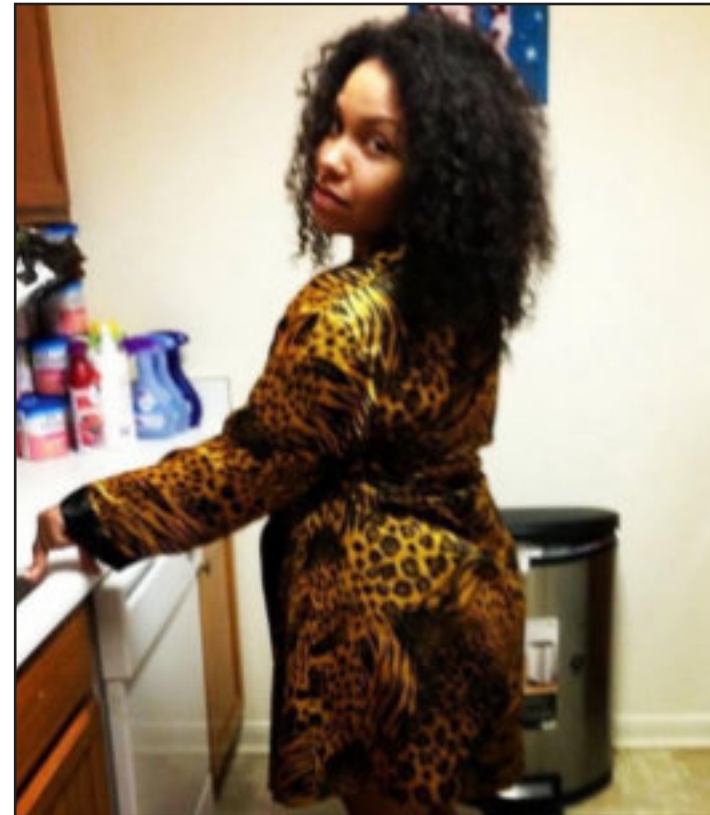

I'm Quortnee, the heart and fire behind Flamee On. I'm 35 years young, a proud mother of six beautiful children, and a woman on a divine mission to light up the world—one soul, one story, and one step at a time.

I've always had a passion for teaching, whether it's guiding children or empowering adults. My love for the law, justice, and how it's applied fuels my journey—because understanding the system is the first step toward changing it. I'm currently working toward my Doctorate of Law, and Flamee On is part of that greater purpose: to uplift, educate, and empower.

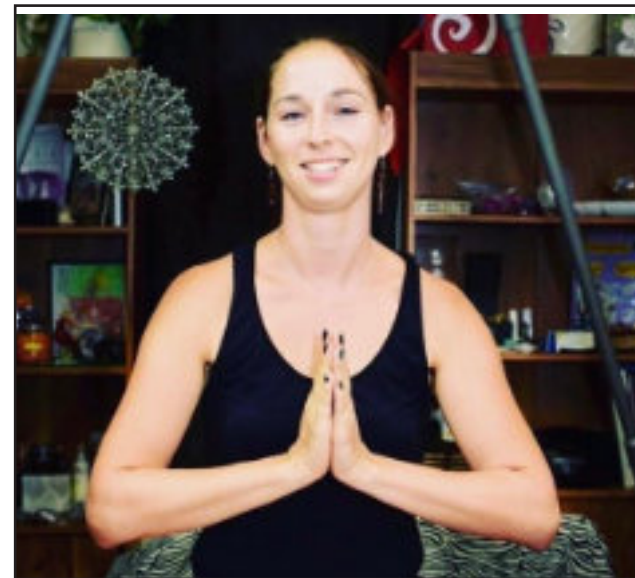

But I'm also a creative soul. I express myself through art, cooking, and travel, finding beauty and healing in every flavor, every canvas, and every destination. Through all of life's challenges, I've found that spirituality, healing, and living a positive lifestyle are not just luxuries—they're necessary.

Flamee On isn't just a brand. It's a movement. It's about rising from the ashes, standing in your truth, and creating comforting, relatable spaces where we can all be seen, loved, and inspired. Life gives us enough battles—this is a space for growth, grace, and glowing up.

Welcome to Flamee On. Let's burn brighter—together.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'intrinsèque lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

I have a dream—a goal, really—to someday own a self-sufficient little homestead and farm stand, where I'll grow and sell my own homemade foods and special duck-egg baked goods (for those of us with chicken egg allergies, or anyone who just wants some decadent desserts).

I have no doubt I'll achieve my goal eventually. I have overcome so much in my life that I am resolute in my Strength. At 22, I found my father deceased in his bed. Things were terrible for 3 years, then at 25 I broke my back at work. I was a Big Girl and was denied disability. In late 2019 I had bariatric surgery and emerged in 2021 with a new car, a new

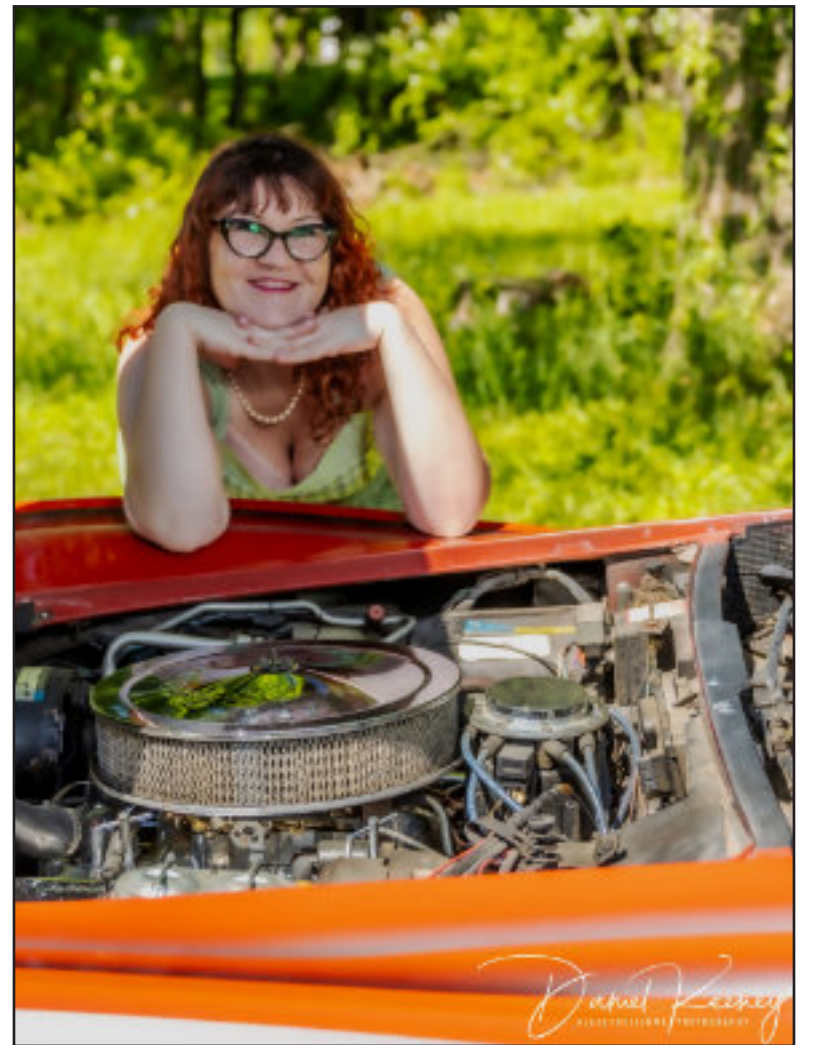

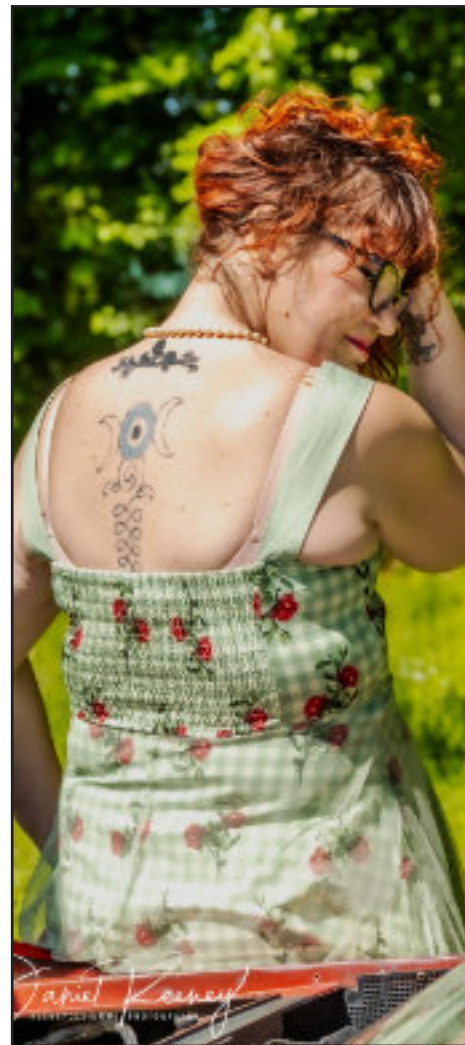

house, and a body 100 lbs lighter. I achieved all of these accomplishments on my own, without assistance from anyone.

I am strong and resilient, while maintaining a tenderness many would have lost by now. I enjoy dressing up, attending Renaissance

Faires, thrift shopping, and catching snowflakes on my tongue. I will face whatever life throws at me with tears in my eyes and a warrior's stance, and I will come out on top every time.
