**Diana  
Nathalie**

I am a professional international print, video and runway model. I have sold designer garments off the runway internationally. I have been published in internationally. I am also a Fashion Show Model Coordinator and model coach. I coach from ages 4yrs to 78yrs how to slay on the runway. Model etiquette, what's needed in a basic model bag, what's needed for a model call, how to pose in pictures. What shoes to bring and would help a model be safe walking on a runway. I have co-coordinated two sold out shows in Jacksonville, NC. I have been to NYFW, LAFW, NCFW. My goals and ambitions are to be the first petite supermodel

walking down the runway with the Victoria Secret Models. Walking down the runways in Milan, London, Paris. I would also like to collaborate with other fashion show producers and be their model coordinator and coach at other shows throughout the world. Modeling is my passion and teaching others that they can do it too is also a passion of mine. I am a hardworking Woman and my work ethic speaks for itself. Thank you for having me in your magazine.

**Faye  
Delune**

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist, Photographer, and Promoter, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, Promotional Marketing and Photography, at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a Model, Musician, Writer, Photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Published Over 5 Thousand Times! I also have gotten 50+ Awards, 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, promoter or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Model management involves a multifaceted approach, focusing on maintaining a healthy mindset, personal care, physical fitness, and emotional well-being. In essence, model management is a business venture. The business entails presenting oneself as a brand ambassador to promote a product, whether it be cosmetics, clothing, or other items. Managing a modeling career can be stressful, but adopting a balanced lifestyle, including adequate rest, a nutritious diet, and a positive mindset, is crucial for success. I strongly advise individuals interested in pursuing a modeling career to conduct thorough research and navigate their path through trial and error, making their journey a fulfilling one.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

My name is Zelfa Naddaf, and dance is my life. My dreams revolve around joining a college dance team and making an impact by showcasing the expressive power of dance.

I've been dancing for nine years, and some of my proudest achievements include becoming a JD Dancewear Ambassador, an Elevate Her Active Ambassador, and a Tilt Pretty Ambassador. Dancing on pointe and attending numerous competitions and conventions have been incredible experiences.

However, I've faced my share of challenges. This year, I had to have surgery for a torn meniscus in my right knee. Balancing dance with school, lacrosse, squash, and field hockey has also been tough, requiring me to manage a very busy schedule.

Looking ahead, I'm determined to overcome these obstacles and continue to grow as a dancer. My goal is to inspire others with my performances and show how dance can be a powerful form of expression and connection.
