PROMOTING SELF ESTEEM

I think when many people ask you what your goals are, they expect you to talk about wanting to be a doctor, lawyer or an artist in some sort of way. And while my passion has always been to become a Child Psychologist, I think it is safe to say dream and my goal is to live in comfort. I am only 25 years old and as I am growing, I am learning and understanding that protecting your peace and going after what makes you happy is what is most important. I truly feel that most times we shy away from trying new things whether it be make up, styling someone's hair or even modeling because we fear not being good enough. Not being pretty enough. Not known enough or not special enough. But the truth is that the best way to maneuver in this life is to carry on like every single day is your birthday. Carry on every day, knowing that you are special, and that you were perfectly made and designed to be exactly who you are. The only person who will stop you from doing the things you want to do is you. I want to continue to learn to be unapologetically myself without the fear of judgment.

I am a mother of six, a woman with a natural body, and a soul who has never stopped dreaming — not even when the world told me I should.

My goal is to be featured in a bikini magazine not just as a model, but as a movement — a celebration of unfiltered womanhood, motherhood, and resilience. I carry the beauty of real life in my body: curves shaped by births, strength built through pain, and a presence that cannot be photoshopped.

I don't aspire to fit into the mold — I aim to redefine it.

I believe in showing the world that natural bodies deserve the same spotlight and praise as airbrushed perfection. I want to honor the soft and the powerful, the sacred stretch marks, the curves that raised generations, and the boldness of standing in your skin with nothing but confidence and grace.

My dream is to grace the pages of a bikini magazine as a reminder that:

- Motherhood isn't the end of beauty — it's the beginning of a new kind.
- Natural doesn't mean less than — it means real, raw, radiant.
- Sexy is not an age, size, or shape — it's an energy.

This isn't just a photoshoot. It's a statement. A tribute to women who dare to reclaim their bodies, their sensuality, and their shine — after life has already tried to write them off.

I'm not here to be edited.

I'm here to be seen.

My name is Kadrolsha Ona Carole, and I walk the path of passion fused with perseverance. My journey has never followed a straight line—but in every twist, challenge, and victory, I've found clarity in who I am and what I strive to become. I am the host of Hollywood Entertainment News and trademarked as The

Queen of the Paranormal.

My dreams are vivid, not only in imagination but in intention. I dream of a world where empathy takes precedence, where creativity isn't just entertainment but transformation. I dream of telling stories—whether through

film, stage, written word, or spirit—that leave lasting impressions. My ultimate dream? To inspire generations to rise, speak, and act boldly in the pursuit of their truth.

My goals are grounded in action not talk.

Expand my creative legacy through impactful media—whether that be through film appearances, book projects, or spiritual guidance.

Uplift other dreamers, especially women carving their own paths in entertainment and entrepreneurship.

Bridge the visible and invisible realms, making space for conversations that are often dismissed but deeply transformative.

Preserve authenticity in every endeavor, refusing to bend to the expectations of those who want to shrink my voice.

Achievements

I've worn many titles: actress, author, spiritual advocate, and cultural contributor. But beyond the accolades and interviews, my greatest achievement is remaining true to myself.

I am the first person in Comic Book history to be a superhero doing what she does in real life between the pages of a comic book.

I've contributed to major paranormal and pop culture platforms, blending mysticism with mainstream reach.

My spiritual insights have helped countless people find healing, validation, and direction.

I've advocated for representation and authenticity in creative

industries that often prioritize perfection over truth.

No journey worth traveling is free of friction. I've faced skepticism, pushback, and at times outright dismissal—especially as a woman merging spiritual insight with public influence. There were moments when the noise of doubt almost drowned my inner voice. But those challenges didn't stop me—they refined me. Every no became fuel. Every setback, a setup for something bigger.

This isn't the end of my story—it's a living testament, still being written every day. The dreams evolve. The goals grow. The challenges

sharpen me. And the achievements? They're simply milestones on the road to something even greater.

To anyone reading this: Don't wait for permission to live your truth. Make space for your dreams, take pride in your fight, and celebrate every small win along the way.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Hi, I'm Marneen Fields. You may know me as Marneen Lynne Fields for my music—but as Marneen Fields, I've lived a life of daring artistry. A journey that spans acting, stunt work, scriptwriting, filmmaking, and relentless courage. My story is one of dreams pursued, goals realized, achievements earned, and challenges met head-on with grace and grit.

Dreams: Before Hollywood discovered me, I was a champion college gymnast. That discipline and passion shaped the performer I became. Whether executing high-risk stunts or delivering heartfelt performances, the dream was always to captivate audiences and spark emotion through powerful storytelling.

Goals: My goals have stretched far beyond any one role or genre. I've appeared in over 150 films and primetime TV shows—at every level of production. I strive to make art that's emotionally raw, narratively bold, and culturally resonant. Each project is a mission: to deepen the conversation and inspire courage through truth.

Achievements: Recognized on Wikipedia as one of the most prominent stuntwomen and stunt actresses of the 1970s and '80s, I've left my mark across Hollywood history. But the accolades didn't stop there. I've won or been nominated for more than 75 awards celebrating my work in screenwriting, filmmaking, acting, music composition, singing, and stunt performance.

I'm the proud author of the 5-star rated book "The Illusive Craft of Acting: An Actor's Preparation Process," offering aspiring artists a blueprint for authenticity. My award-winning short documentary "The Remarkable Resilience of Marneen Fields" showcases my incredible journey. My film, "Marie: Who's Gonna Take Care of Me," tells the story of saving my mentally ill and homeless mother—a deeply personal and socially vital narrative. And coming Spring 2026, my filmography book "Rolling with the Punches with a Hollywood Fall Girl" will chronicle it all.

In June this year I was booked as a celebrity at the famous Hollywood Show for my role of

Dorothy (Scarecrow's girlfriend at the Oz Network) on the hit TV series, "Scarecrow and Mrs. King."

I've just released a new single titled It's Not the End of the World You Don't Love Me, available now on all major platforms—a soulful anthem of heartbreak and empowerment.

Challenges: Through it all, I've battled enormous challenges. A near-fatal car accident

led to a series of life-threatening operations. My severe hearing impairment and ongoing physical limitations—residual effects of my stunt career—have tested me in every way imaginable. But pain sharpened my artistry. Limitations forged deeper layers in my performance. The obstacles haven't kept me down—they've made me unshakable.

I remain fiercely devoted to the arts, to the mission, and to the message: resilience is the

true mark of greatness.

A Final Message to Fellow Artists To every artist out there chasing a dream that others might not understand—keep chasing it anyway. Your vision matters. Your voice matters. And the courage to create, even when you're broken or battling uphill, is the most profound performance of all.

"Don't wait for perfect circumstances. Use the gifts you have now. Make your art roar through the silence and defy the limitations—because someone out there needs to feel what only you can express." —Marneen Fields
