My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist, Photographer, and Promoter, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, Promotional Marketing and Photography, at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a Model, Musician, Writer, Photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Published Over 5 Thousand Times! I also have gotten 50+ Awards, 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people.

I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, promoter or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Since I was a little girl. My dream was to be Miss America or someday be a model walking down the runway and my fabulous fashions that I would make. I never had the chance to do that because life kind of got in my way. I love modeling I love acting and love being in magazines and love wearing fun fashions of any kind. I love when people turn their heads and they look at you when they go well how did you get that outfit. I used to be out when that does linear for Lazarus downtown Columbus Ohio that was where a really fell in love with fashion I'm modeling just in the mannequins and they would have sometimes shows for their clothes and not a down sitting they would just pick people it was so much fun. My achievements are that I went to school and was the first one in my family to cancel my high school and I'm now working on graduating college. I also am a volunteer and family court for the casa program causes stands for court appointment special episode starting online on which I can win to the homes of abuse and neglected kids up and place there and make sure that they have everything that they need until they're able to be reunified with their parents or that they are adopted in new foster homes. My life has been filled with so much happiness, also sadness but with the sadness comes to termination to make from a meeting years that I have even better. My goal here is to be published again in the glitz magazine and hopefully we ask to be a model for somebody would give me a chance I can show them. I take my own photos and I crop them and edit them I do photography I love photography I've had a camera in my hand since the age of eight my first Kodak camera was Christmas when I was 8 years old. I'm hoping to be on the cover again I was on the cover once of glitz I was so honored it was so much fun and I need to show everyone 68 years old or older follow your dream and all the young ones that think they can't do it it doesn't matter follow your dreams sister have high always keep your hand high and if anyone likes you down get back up and let him know who you are and do it all over again.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.

2025 has been great for me. So far, I have been in two music videos, traveled to Los Angeles for the official Bet Awards, and won my first award through Southern Plug Music Awards. Featured in many magazines and major shoutout to all the photographers I have worked with so far to help me get to where I am today.

I will be walking for Mr. Carlyle at New York Fashion Week and there's still so much of 2025, the best is yet to come. To be continued. ..
