My dream has always been to build a life that reflects confidence, creativity, and legacy. Modeling has become one of the biggest ways I bring that dream to life—it allows me to express strength, beauty, and discipline while inspiring others to chase their own goals.

My goals extend beyond the runway or camera lens. I'm focused on transforming my body and mind, building my brand, and creating opportunities that will last far beyond me. Modeling has been a platform, but my vision is much bigger: to show what's possible when you refuse to settle.

I'm proud of the achievements I've reached so far—from personal transformations to breaking into the modeling industry—but the real victory is pushing through challenges. Doubt, setbacks, and tough seasons have tested me, but they've also sharpened me.

Every challenge fuels my determination. Every achievement proves I'm capable. And every goal brings me closer to the legacy I'm creating—one photo, one step, one dream at a time.

My name is Ellie Parker, I am 15 years old and from Boston, Massachusetts. This summer I attended Menina Fortunato's Hollywood Summer Tour in Los Angeles California on a scholarship from Elite Performance Challenge where I worked on hip hop choreography every day in rehearsals for a Dubai Chocolate promotional music video that we filmed overnight from 10 pm to 6 am at Universal CityWalk. After HST I joined Menina's Business of Dance program and stayed in LA for a few extra days where I filmed demo reel footage, had a headshot and action shot photoshoot, was a part of Lola Nelms' reality TV show That Girl Lola, filmed a podcast episode with special guest Kelly Sweeney, and took a private class with her in front of agents from MSA CTG and GTA at Mihran K NoHo. Through the Business of Dance program I have learned so much and am booking calls with designers and casting agents for New York Fashion Week, and I am also preparing to return to LA to dance in the Industry Dance Awards and Gala of the Stars with JoJo Siwa supporting I Am a Dancer Against Cancer at the same venue as the Golden Globes. My dreams and goals are to someday, move out to LA and work as a professional dancer and model, as well as get signed with an agencie.

## My Journey: Faith, Fashion, and Turning Dreams into Reality

By: Yolonda Crumpton (aka Heavenly Paris)

Modeling has always been more than just photos and runways for me. It's been a dream rooted in faith, shaped by resilience, and guided by purpose. I've been blessed to walk in some incredible shows, London Fashion Week, Cayman Islands Fashion Week, Paris, Miami, LA, New York Fashion Week, and more. Every runway I step on is a reminder that what God will answer your heart desires if you just make time for God and trust in Him.

I'm not just an international published model. I'm also a professional makeup artist, and for over 10 years I have experience in modeling and an international published makeup artist. I've helped women feel beautiful and confident, whether it's soft glam or a bold runway look. Makeup and modeling are more than just artistry and creativity, it's healing, it's transformation, happiness, peace and it's ministry in its own way.

I'm also the founder of Cameion Chateau Boutique, an online boutique that's currently in rebranding and in development. It's a space I'm building for women who want to walk boldly in style and live beautifully inside and out. The name reflects transformation, elegance, and strength, everything I've become on this journey.

I've had to overcome a lot, doubt, rejection, financial setbacks, people who didn't believe in me, and moments I felt completely alone. But I never stopped. I kept praying, kept pushing, and kept showing up. And God kept opening doors.

This is only the beginning. I want to inspire other women to dream boldly, walk with grace, and never be afraid to start over if they have to. Whether it's through fashion, faith, or my boutique I'm here to remind others that their story matters and they can do if they just put God first, trust and believe and try.

#### MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.
