PROMOTING SELF-ESTEEM & RECOGNITION

I am 16 years old and extremely passionate about dance! I knew from the first time that I stepped into my studio at age 4 that this is what I want to do.

I have been dancing for 12 years and am happiest in the studio or on the stage. I currently dance at Georgian Bay School of Dance in Midland, Ontario. I love all styles of dance, however my favourites are Jazz and Musical Theatre. I thoroughly enjoy teaching and mentoring younger dancers and hope to continue for years to come.

I take every opportunity I can to train with top industry instructors and attend conventions as I believe this makes me a stronger, more well-rounded dancer. I have won countless overall awards at competitions as well as special awards and scholarships but I really just dance to feel free.

Over the last few years, I was fortunate enough to perform with the Children's Chorus in multiple productions by Drayton Entertainment including Wizard of Oz - The Panto, Peter Pan - The Panto, Buddy Holly and A Christmas Carol Panto. I play several instruments, take vocal lessons and drama classes and sing with my school choir. I have been cast in my school's musicals for the past 3 years and hope to be seen as a true triple threat!

I am an extremely dedicated, kind, hard working, resilient and confident person, which will hopefully serve me well as I plan to pursue dance/musical theatre in University followed by a teaching degree. I am so grateful for every opportunity that has come my way and hope that one day I can give back in a larger capacity.

My name is Ellis Marrs, and I'm 6 years old! I love to dance because it lets me tell stories and show my feelings without using words. I've been dancing since I was four, and my favorite styles are contemporary and lyrical because they're so fun and full of emotion.

My dream is to keep dancing, travel the world, and one day make my own dancewear line! I love designing things that make dancers feel confident and special. I also want to help teach and inspire other dancers when I get older, just like my teachers do for me.

One of my biggest achievements is winning Mini Miss National 8! I also made my own solo this year — it's a creepy doll theme — and I helped choreograph it with my awesome teacher, Ms. Kaitlin. It was so much fun to make

up the story and bring it to life on stage.

I'm also part of the Business of Dance mentorship program with Menina Fortunato, where I get to learn about dance, modeling, and leadership. It's teaching me so much and helping me grow as a dancer.

One of my challenges is keeping up with everything I love — school, dance, and time with my family — but I always try my best! I like to work hard and stay positive, and I know that if I believe in myself, I can do anything.

I'm so thankful for all the people who support me, and I can't wait to see what's next in my dance journey!

My name is Kadrolsha Ona Carole, and my journey has been a tapestry woven with dreams, goals, achievements, and challenges that have shaped me into who I am today. From a young age, I've been driven by dreams that spark creativity and inspire growth. My imagination has always been my compass, guiding me toward aspirations that push boundaries and open doors. Whether it's pursuing a passion for storytelling, building meaningful connections, or creating a legacy that uplifts others, my dreams keep me grounded in hope and possibility. With dreams come goals—a roadmap to turn those aspirations into reality. I believe in setting clear, actionable steps, whether it's mastering a new skill, spearheading innovative projects, or advocating for causes close to my heart. Every goal I set is an opportunity to grow, learn, and contribute to the world around me. Along the way, I've been fortunate to celebrate achievements that mark milestones on my journey. These accomplishments are more than accolades; they're testaments to resilience, hard work, and the support of an incredible network of people who believe in me. Each achievement, no matter how big or small, reminds me of the progress I've made and the potential that lies ahead. But life is not without its challenges. Like everyone, I've faced moments of doubt, obstacles that seemed insurmountable, and unexpected detours. However, it's in these moments of adversity that I've found my greatest strength. Challenges have taught me the value of perseverance, the importance of self-belief, and the power of turning setbacks into stepping stones. Through it all, I strive to live authentically, embracing the highs and lows as part of the beautiful complexity of life. My journey is far from over, and I am excited to continue pursuing my dreams, setting new goals, celebrating achievements, and overcoming challenges. After all, it's the pursuit itself that makes the story worth telling.

You wake up one day and that's fine that you want to be something better than you are and you strive for that. That would be me. I've always wanted to be a model which I took modeling as a kid after I was adopted. I stopped modeling at 12:00 because I wanted to have my own identity back then I didn't want to be looked at as I'll look at her she models and I used to get bullied about it. So I put it on the back burner until my son Jason my oldest we met after 30 3 years apart and he said Mama you're so beautiful. I said why thank you Jason I told him I was thinking about entering the pageant scene again and possibly get into modeling and acting. He was elated he said Mama please do I'll be here for you I will help you get where you need to go I will help you with everything. My husband bill was a supportive as he was. But none of that happened for me my son was unfortunately murdered, my husband died, I've lost an aunt and brother all within 2 years. But it's not going to stop me from following my dream and my dream is to be a magazines to model I mean really model might wear fashions and do the runway and all that stuff. I'm 68 years old but it's not going to stop me. I'm so excited to possibly be in the glitz magazine again. I'm so honored that I was chosen before to be in it and I'm honored now. I thank God everyday and let him know that I don't let my humbleness or my pride get in the way. It's been a really hard time I'm struggling without my husband without my son but I'm still standing. And when I say I'm standing I think about in John's song I'm standing it's my favorite song. I plan a lot. I am standing by myself and I'm standing with my head high, my feet solid on the ground, and if anybody knocks me down I will get back up brush myself off and I will continue on letting them know who I am. I am Rhonda hero Wilson and I will show the world who I am again I am Rhonda hero Wilson. I just think you for this opportunity and how wonderful it is to be a part of such an amazing magazine. A little more about me I love cats I'm a published author of two poetry books I published under Rhonda k hero. I'm excited to finish my third book which should come out 2026.

VOTRE PROPRIÉTÉ CET ÉTÉ!

✓ **Aménagements soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.

✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.

✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.

✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.

✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et le fertiliser lors des canicules.
