I am 16 years old and extremely passionate about dance! I knew from the first time that I stepped into my studio at age 4 that this is what I wanted to do.

I have been dancing for 12 years and am happiest in the studio or on the stage. I currently dance at Georgian Bay School of Dance in Midland, Ontario. I love all styles of dance, however my favourites are Jazz and Musical Theatre. I thoroughly enjoy teaching and mentoring younger dancers and hope to continue for years to come.

I take every opportunity I can to train with top industry instructors and attend conventions as I believe this makes me a stronger, more well-rounded dancer. I have won countless overall awards at competitions as well as special awards and scholarships but I really just dance to feel free.

Over the last few years, I was fortunate enough to perform with the Children's Chorus in multiple productions by Drayton Entertainment including Wizard of Oz - The Panto, Peter Pan - The Panto, Buddy Holly and A Christmas Carol Panto. I play several instruments, take vocal lessons and drama classes and sing with my school choir. I have been cast in my school's musicals for the past 3 years and hope to be seen as a true triple threat!

I am an extremely dedicated, kind, hard working, resilient and confident person, which will hopefully serve me well as I plan to pursue dance/musical theatre in University followed by a teaching degree. I am so grateful for every opportunity that has come my way and hope that one day I can give back in a larger capacity.

Stepping Into My Era: The Vision of Danielle N. Heilman ("MzDinFullEffect")

For me, fashion has always been more than style — it's a declaration. It's how I express my ambition, my evolution, and the many roles I embody as a creative, entrepreneur, and woman building her own empire. Every look I wear is a reflection of the same energy that drives my work: confidence, purpose, and the courage to stand out.

My journey has been shaped by reinvention and resilience. Whether I'm behind the scenes promoting major events, elevating brands, or capturing a moment in front of the camera, I move with intention. I represent women who hustle with heart — women who create opportunities, reinvent themselves, and embrace every version of who they are

becoming.

My dream in the world of fashion is to merge my passion for creativity with the story I'm living every day. I aim to inspire through imagery, presence, and authenticity — showing that success is a mood, confidence is an accessory, and self-belief is the ultimate look.

This chapter marks my transition into a new space where my voice, my vision, and my style can shine at full effect. And I'm just getting started.

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Inside Hollywood's Holiday Magic: How Celebrities Celebrate the Season When the lights of Los Angeles begin to shimmer a little brighter and the Hollywood Hills glow under twinkling strands of festive décor, something enchanting happens: the world's biggest stars slip out of their on-screen personas and into a season of celebration as warm, quirky, extravagant, and surprising as Hollywood itself. While Tinseltown may be known for red carpets and relentless schedules, the holidays offer a rare peek behind the curtain—revealing traditions that blend glamour with heartfelt meaning. Here's a look at how celebrities in Hollywood truly embrace the spirit of the season.

★ **Luxury With a Heart: Star-Studded Charity Events.** For many celebrities, the holidays start with giving back. High-profile charity galas light up December like glittering constellations—holiday telethons, donation drives, and star-hosted fundraisers for

children's hospitals and animal rescues. It's common to find beloved actors quietly slipping into shelters to serve meals or surprising families with gifts through private philanthropic programs. In Hollywood, generosity is just as dazzling as any diamond.

🌲 **Decking the Mansions: Over-The-Top Celebrity Décor** If there's one thing stars go big on, it's holiday décor. Some turn their estates into winter wonderlands complete with 20-foot Christmas trees, imported snow, synchronized light shows, and hand-crafted ornaments from the world's top designers. Others hire elite "holiday stylists" who transform homes with themes like Vintage Hollywood Glam, Nordic Winter, or Classic Candyland. It's not unusual to see celebrity homes featured in holiday showcases where the décor rivals film sets in scale and imagination.

🍷 **Gourmet Gatherings: Celebrities in the Kitchen.** Contrary to popular belief, many stars

love to cook during the holidays. From Academy Award winners sharing secret family recipes to pop icons hosting intimate dinner parties with Michelin-star chefs, Hollywood's holiday cuisine is where culture and creativity collide. Some go all out with:

- truffle-infused holiday feasts
 - vegan or wellness-inspired menus
 - nostalgic comfort food that reminds them of childhood
- themed cocktail labs curated by personal mixologists

Behind the glamour is a simple truth: food is the universal language of celebration—even in Beverly Hills.

❄️ **Private Escapes:** Where the Stars Go to Recharge. When the cameras stop rolling, celebrities often slip away to ultra-exclusive retreats. Aspen chalets, private Caribbean villas, and minimalist luxury cabins in snowy forests are all hot favorites. These escapes offer what Hollywood rarely does: stillness, privacy, and room to reconnect with family. Yet some stars choose to stay local, enjoying Los Angeles' quieter holiday season—surfing on Christmas morning, hiking in Griffith Park, or hosting cozy backyard bonfires with industry friends.

🎬 **Movie Traditions:** Hollywood Watching Hollywood One of the most charming traditions? Celebrities gathering with family to watch classic holiday films—including ones they've starred in.

Actors often share stories about watching their earliest movie roles with their kids

during Christmas, creating full-circle moments filled with laughter and nostalgia. Directors host intimate screenings of beloved films in state-of-the-art home theaters, complete with gourmet popcorn bars and hot cocoa flights. Even in Hollywood, the magic of movies still feels like home.

🎁 The Art of Thoughtful Gifting

- Celebrity gifting has evolved far beyond diamonds and luxury bags. Today's Hollywood holiday gifts are deeply personal:
- custom perfumes
- handwritten lyrics
- private concerts
- framed scripts annotated with memories or meaningful charity donations made in someone's honor.

For stars who seem to "have everything," the holidays become a time to celebrate sentiment, not status.

Extravagance Meets Authenticity. Whether they're lighting up the city with charity, hiding away in snowy retreats, or embracing quiet moments with loved ones, the holidays in Hollywood reveal something rarely seen in the spotlight: authenticity. Beyond the glitz, stars celebrate the same things everyone cherishes... connection, nostalgia, generosity, and joy. They just happen to do it with a little extra sparkle.

Briefly, I love fashion, modeling and styling. It has always been a dream of mine to become a published fashion model and to model for well known Fashion Designers in various Fashion Houses. I would love to become a household name as a male model for all designers in fashion shows all around the world. This has been a very challenging year but in spite of the challenges I have managed to be signed to two modeling agencies at the age of 56. I'm looking forward to next year and to continue modeling in various Fashion Shows and possibly style models in fashion shows all around the world. I'm grateful and thankful to Glitz Magazine for given me the opportunity to be a published model in their magazines

several times which gives me the opportunity to be discovered by Fashion Designers and Modeling Agencies that are looking for fresh new models. I am always interested and looking for new opportunities that allow me to exemplify my talents, skills and abilities. My fashion style is unique, dapper, classy and sophisticated gentlemen's wear. I love to wear suits, hats and accessories to compliment my own personal look. You may reach me on social media for serious modeling and styling inquiries. Thank you.
