I've always wanted to be a model since i lived in Florida. Since i've moved here I haven't had a lot of opportunity. I have had challenges with thinking that I was good enough to model and thinking that I couldn't find opportunities. I want to travel the world having financial freedom so I can enjoy my time skating and uplifting other people as well as push them to reach their dreams. I want to start a brand called "Be Patient" to help people to remember to always be patient as they go on their journey of pursuing their dreams

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist, Photographer, and Promoter, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've

been studying and learning Modeling, Writing, Music, Art, Promotional Marketing and Photography, at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a Model, Musician, Writer, Photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Published Over 5 Thousand Times! I also have gotten 50+ Awards, 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on

you, and this job of mine, regardless of if I'm the model, musician, artist, writer, promoter or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I have 8 Amazing Children and I have several accomplishments in my lifetime including being featured in Maxim Next, Signing A Production agreement with Red Ridge Entertainment in Nashville Tennessee. I am look forward to working with Mr. Gary Sadker as well as Mr. Jackson Harris. I'm Pretty positive it's everyone's dream to make something productive of themselves and I feel that I have been on the right path for a time now in doing so. I'm an excellent cook, if you need

entertainment I'm as fun as a barrel of monkeys lol and I have always been on fleek with showing up and glowing up no matter what the challenge is. I am an active advocate for the elderly and seniors in critical care as well as mental health awareness. I have overcome so many obstacles in life and would love to be a beacon of light to help others whom have experienced similar situations that I have been in. I am married to my best friend and enjoy tractor pulls, singing, cooking, and of course dancing. I hope to be a good example for those who felt they would never be anything in life as I myself can prove otherwise because everyone has a genuine purpose

MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagement soigné:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grince, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrez rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur la pelouse et une table dressée pour un barbecue imaginaire dans le cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison, assurez-vous de bien l'arroser et la fertiliser lors des canicules.

Dancing to the Top: 11-Year-Old Paige Mattern Sets Sights on the NFL and NBA Courts

At just 11 years old, Paige Mattern has already spent nearly a decade perfecting her craft. Starting her journey at the age of two, this young dancer has developed a powerhouse presence, with a passion that burns brightest for Jazz and Pom, though she holds a deep appreciation for Ballet and Tap. Her dedication isn't just a hobby; it's a meticulously planned path toward the highest tiers of professional dance.

#### Dream Big: From High School to the Lakers

Paige's career trajectory is already mapped out, setting ambitious yet achievable goals.

Her immediate sights are set on earning a spot on her future nationally-ranked high school dance team. Beyond that, she dreams of dancing for a competitive college team, with San Diego State University (SDSU) topping her wish list. The ultimate goal? To secure a position on a professional NFL or NBA dance team. Currently, the LA Laker Girls hold the number one spot, inspired by the journey of a former dance coach who successfully made that leap.

#### Overcoming Challenges and Celebrating Successes

While her journey has been marked by incredible success, it hasn't been without significant challenges. One of the toughest

hurdles Paige faced was a fractured fibula in 2024. This setback, which would sideline many young athletes, became a moment of focus and strategic planning. She overcame the injury through strategic strength training and swimming endurance, demonstrating the discipline and mental fortitude required for professional dance.

This resilience fuels her competitive fire, which has led to numerous successes. Paige has consistently earned top placements at every competition and convention she attends. Her favorite achievement is winning Title, a prestigious recognition she has been fortunate enough to achieve multiple times each year.

A standout moment in her young career was being accepted into Christina Grady's What It Takes Intensive as the youngest member of the program. This provided an invaluable opportunity to train with Christina and other famous choreographers, solidifying her commitment to continuous improvement.

With her undeniable talent, laser focus, and fierce determination, Paige Mattern is undoubtedly a star on the rise, proving that a professional career on the biggest courts is well within her reach.

I started my tattoo journey at the age of 18, already knowing that I wanted to tattoo my entire body. For me, it was never about collecting random pieces, but about creating one complete visual identity. Over the course of four years, my full body tattoo project was completed.

The full body project was created by Ákos Németh, in a consistent anime-inspired, Japanese style. This coherence is very important to me, because my body is not just covered in tattoos, it represents one unified visual concept.

Because of this appearance, people often stop me in public, start conversations, or ask about my tattoos. I have attended several tattoo expos, where I received a lot of positive feedback from both visitors and professionals. These experiences made me realize that my look naturally draws attention and creates interest.

That is when I decided that I want to take this further and present myself to the world as a tattoo model. My goal is not only to showcase tattoos, but to represent tattoo culture in a clean, professional and artistic way.

My current dreams and goals are fully aligned with building a strong international career as a tattoo model. I want to work on editorial projects, collaborate with photographers, brands and magazines, and continue growing as a model while staying true to my identity. I see my tattoos not as a limitation, but as my greatest strength and signature.
