Amiya Seigfrids

My name is Amiya Seigfrids. The gymnastics weekends are so much fun. Jumping off the beam, flipping off the bar, following my dreams and trying to reach my dream. This is all I want. I trust in

setting goals, following heart and listening to the inner call and not let anyone come in between. Each of us has fire in our hearts for something. It's our goal in life to find it and keep it lit.

My name is Elsie May Allen I have just turned 6 in March 2023. I cheer at Hartlepool Hawks Cheerleading Academy, and compete in Cheerleading, Stunting, Pom Dance, Jazz and Hip Hop. I am a National Champion in Cheerleading Level 1, Stunting Level 1, Pom Dance Level 1, Champion in Tiny Solo, and Tiny Cheer Duo, this season. I love to

cheer and dance, dancing is my destiny. I have achieved so much, and keep pushing myself to improve my skills. I have been smashing my personal goals and am going from strength to strength. I hope to go to world's with cheerleading one day, and believe that with determination and passion dreams can come true.

My name is Jessie Victoria. I am in gymnastics since 3 years now. I have made really good friends here. At my age, I am happy to try

different things. Also, I take my training seriously and always prepare hard for every tournament I play. Few days back

, I played in an international tournament. I qualified for the final round today. I overall came at 5th position there.

My name is Lou Volkmer. I am a 17 years old. Last year, I travelled to Paris for world Championship 2022. It was of immense pleasure and learning. I am really thankful for that opportunity . After implementation of all the learnings I had there, now, I am focusing on to the next tournament . My parents also play important role in my growth. They always support me and boost my morale.

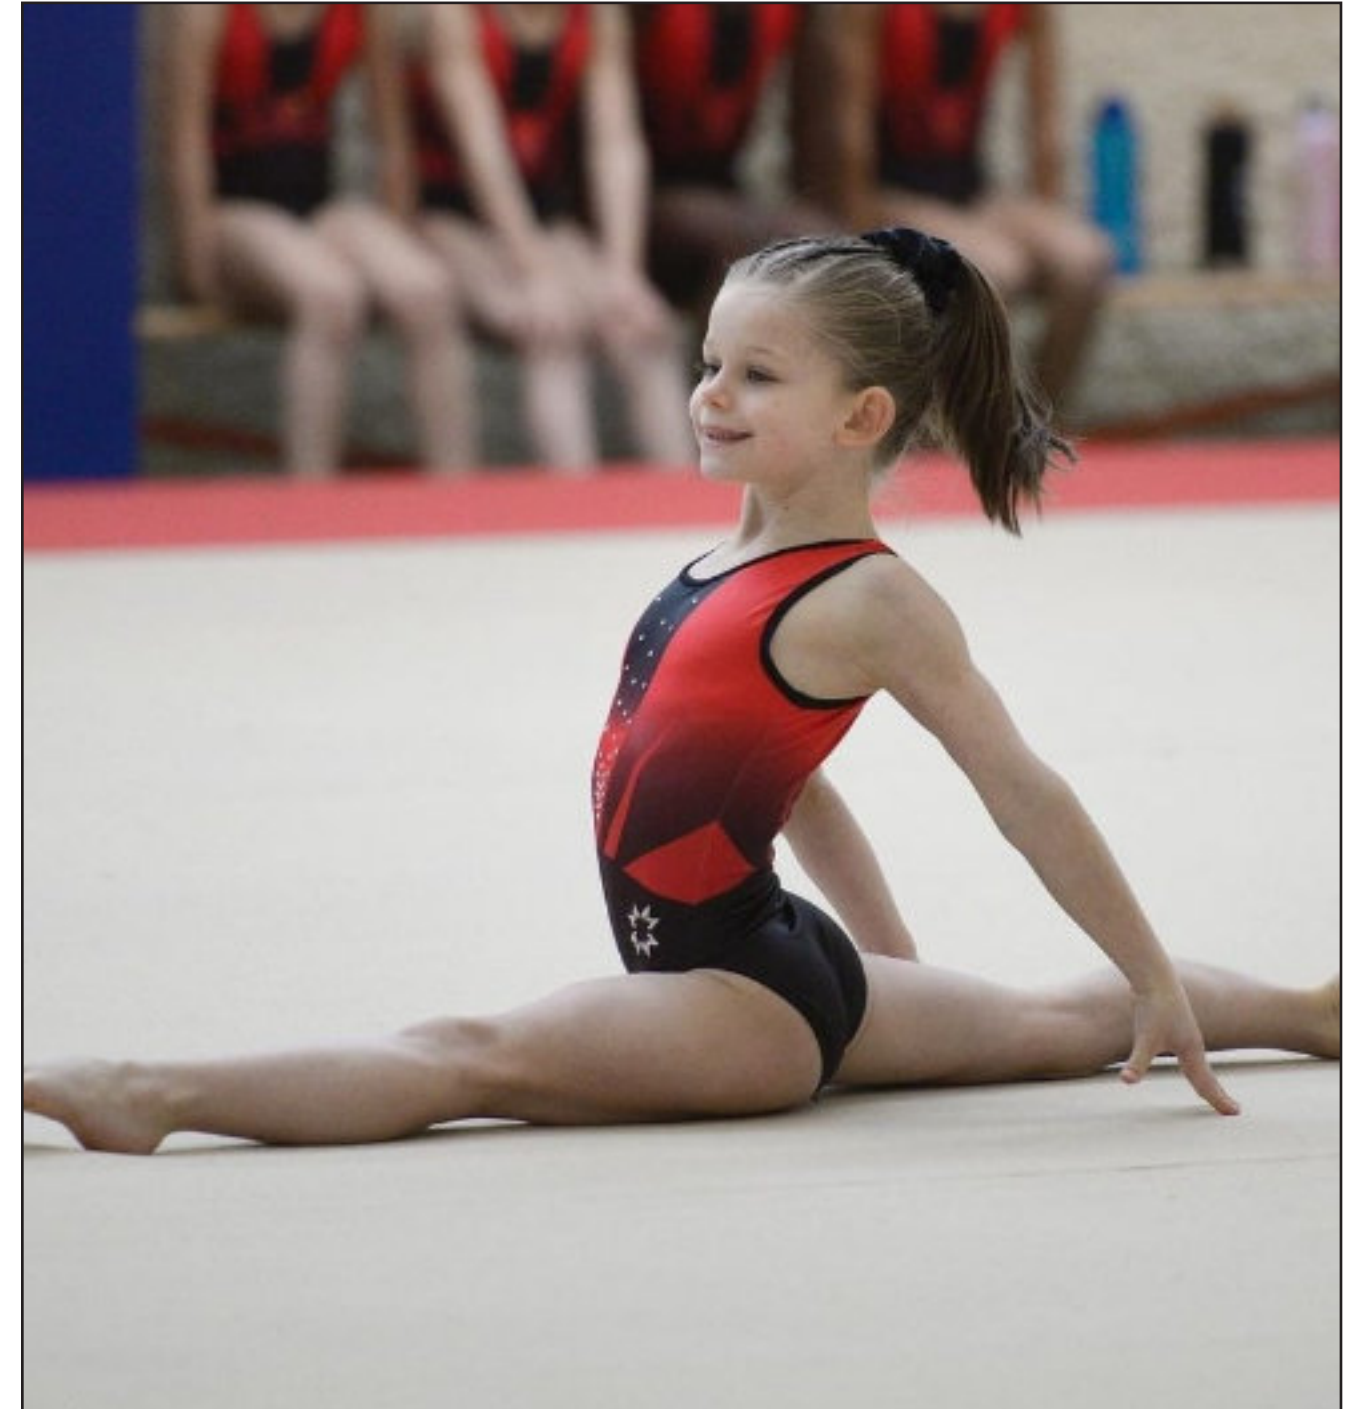

I would love to become a well known gymnast and I like to help the poor a lot.

Nathalie Westlund

My name is Nathalie Westlund. I think when you decide to rock your cheer gear to gymnastics, it's a tough decision. But equally

exciting at the same time. It's always busy between the weekends and a wonderful time to witness one's fitness. I always

go to practice cheerfully and a smile because I am always happy with what I do.

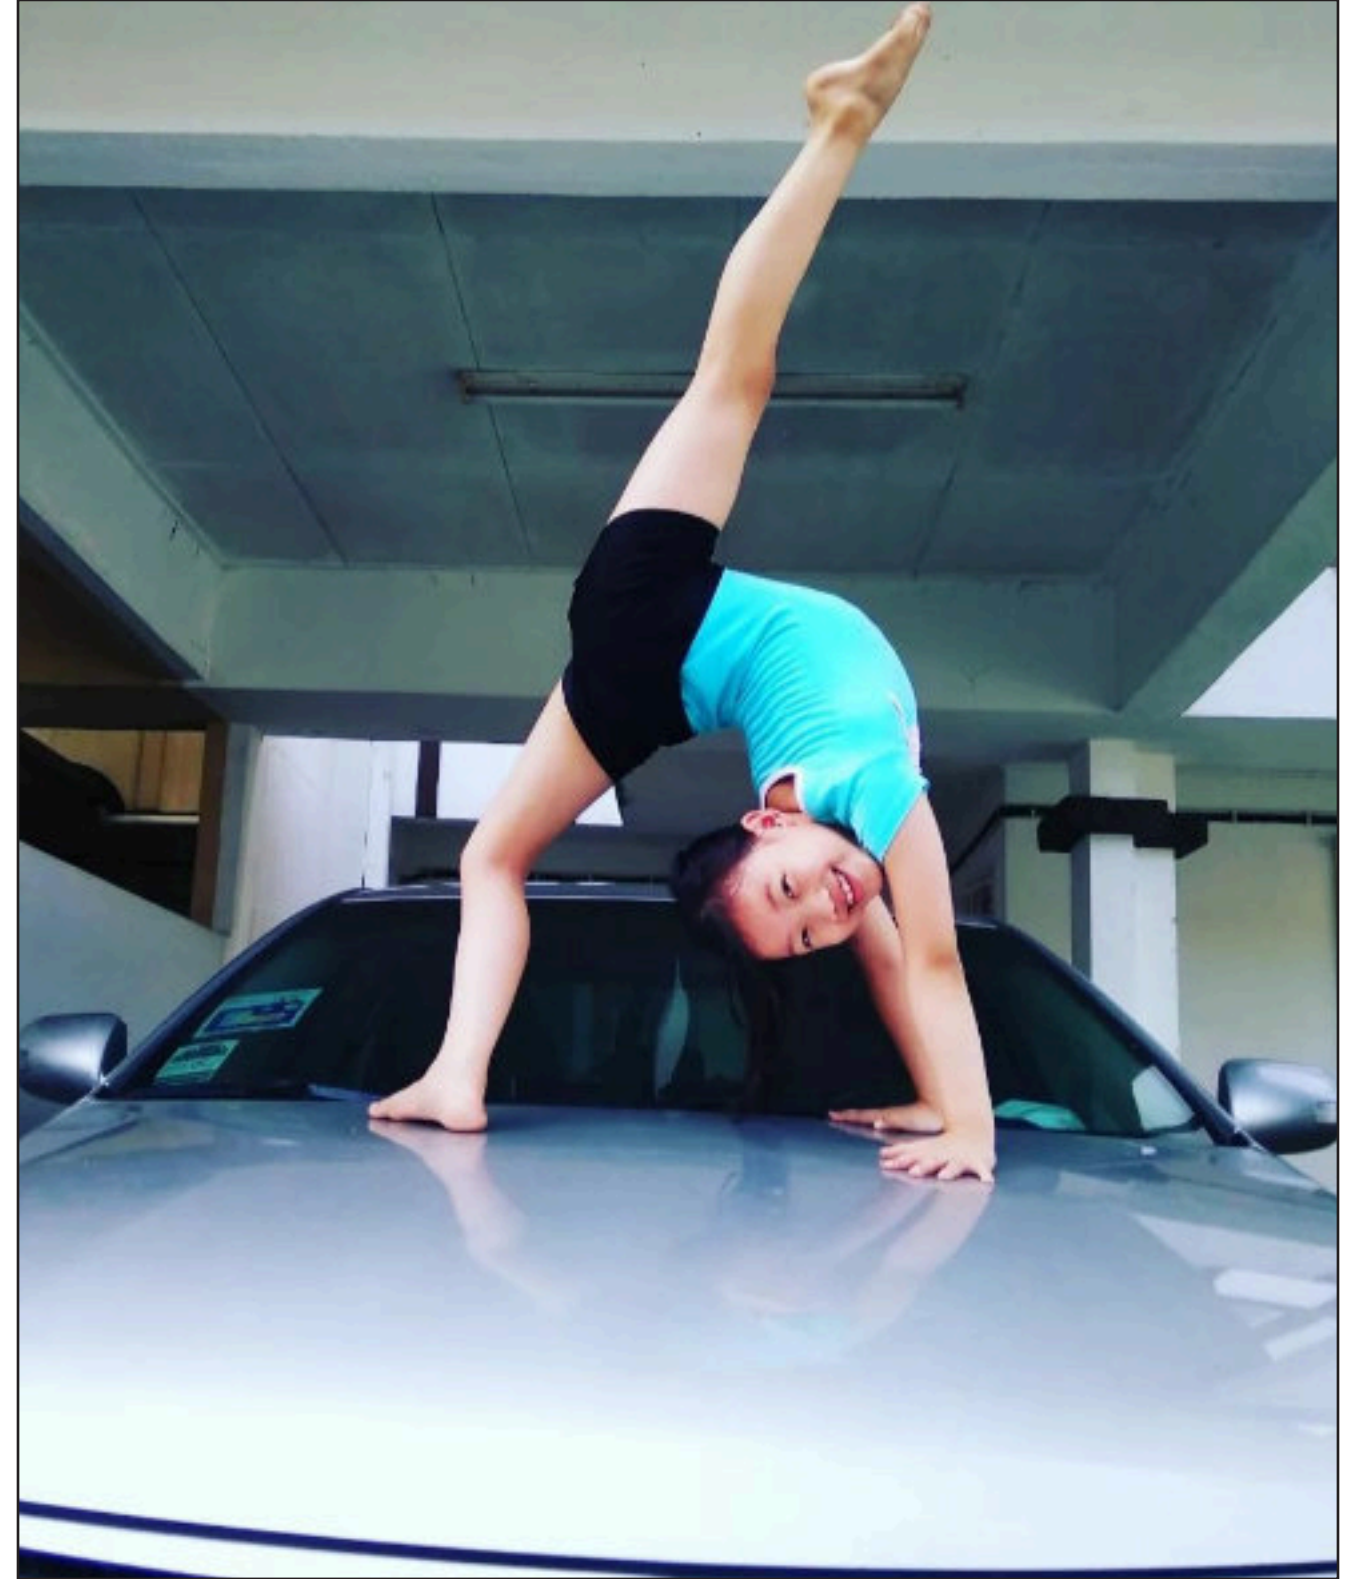

My name is Saylor Boslem. I am 13 years old. I live in bay Area. A river cuts through the rocks not because of it's power but because of it's persistence . Always thankful for the week days

but at the same time looking forward to the weekends . Always nailing on the needle and struggling to find my place in the universe.
