My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Hi, my name is Hope and this is my journey in the modeling industry.

Modeling has always been more than just a career goal—it's been my passion and a powerful form of self-expression. From editorial shoots to car promotions and brand campaigns, I've built my path as a fashion and car model by combining style, strength, and versatility. My dream has always been to represent confidence and authenticity, both in the fashion industry and in

the high-energy world of automotive modeling.

The journey hasn't been easy. I've faced countless challenges—from breaking into competitive markets to dealing with the pressure to meet certain standards. There were moments of doubt, setbacks, and learning curves, but each one taught me resilience and reminded me why I started. I've learned to embrace my individuality, to stay focused, and to push forward with determination.

Over time, my hard work has led to some incredible opportunities. I've modeled for fashion brands in editorial and commercial shoots, worked at major car shows, and represented vehicle manufacturers at promotional events. Each achievement has been a step toward fulfilling my goals—building a respected career, inspiring others, and showing that success comes from consistency and self-belief.

This journey continues to grow, and with every shoot, event, and experience, I become more rooted in my purpose. Modeling, for me, is not just about looking the part—it's about living it with passion, professionalism, and pride.

I have many dreams and always have, but being a tattoo artist and shop owner has always been my biggest dream that I've reached and stuck with over the years.

My goal is to continue tattooing and eventually open a couple more tattoo shops where artists can come and work, become a family and always have a place to call home.

I have had a few achievements over the years. One of which has been getting my tattoo work noticed and published in multiple tattoo magazines, which I've always been excited over. I've got to work with a lot of great artists over the years, won best tattoo shop in my city a few times and got to do a lot of things for the community. Being able to give back is always something that I think is a great achievement.
