# Jasper Smith

My name is Jasper Smith. I live in Ohio where youth wrestling has really taken off with year around wrestling from wrestling clubs all over the state. I train year around at Rising Kingz wrestling club located in a small town called Duncan Falls. This is my 3rd year wrestling and I have a record of something like 220 wins with 40 losses, 25 of my losses came in my 1st year when I was just getting started. I have traveled to Las Vegas twice now for the Supreme Gladiator tournament and winning it last year bringing home the Gladiator helmet. I will be returning this year in May to hopefully

when it again. My goals are to win multiple state titles one day and more national tournaments. I've placed at some national tournaments and have even won some but the state title has slipped through the cracks. Last year I was the #1 seed but ended up getting sick. I have won numerous OAC tournaments throughout Ohio. I plan to just keep training through the off-season and hopefully grow in the sport. Wrestling has become my favorite sport and I love to practice with my friends. I love the trophies too. 🏆🏆

My name is Jaylynn Lopez. I started playing jiu jitsu out of excitement from a very early age. Now after so many years, I don't regret my decision, rather I am happy about it. Few back back, I participated in the roller comp jiu jitsu championship and won a gold

there. It was a wonderful moment. My dream is to win every match I play and make my supporting coach proud of it. The biggest hindrance in the journey is my school work apart from sports. With proper time management, I am hopeful of overcoming it.

# Roman Lopez

My name is Roman Lopez. I started Jiu Jitsu about 8 months ago and it is my passion. I enjoy doing Jiu Jitsu with my younger brother and my dad who always support me. My dream is to become a black belt and to also be a UFC fighter one day. My challenges are practicing a move called the "fireman carry" and a "buggy choke". Jiu Jitsu did not come naturally to me but I realized if I work

hard, and believe in myself I can do anything and I can achieve my dreams. I am white belt with 2 stripes and so far i have won Gold at Naga Los Angeles 2023 and Silver at Grappling Industries San Diego 2023 and silver at the Yucaipa Open No Gi in 2022 but I still have so much to learn and achieve. I know I can achieve anything with my family and coach by my side.

# Roman Talavera

My name is Roman Talavera. I am a state qualified jiu jitsu champion. I love the wrestling life I got. It's no easy to be in the California team and beat the bests. I got to learn from the best coaches and players which is a blessing. Last year was a

complete freaking year with so many wins and ups and downs. It was full of teachings. At the end, I just don't want to give up and keep dreaming. A dreamer is none but the one who keeps dreaming and going.

**Roman  
Talavera**

I was always the smallest kid in my class, so my parents put me in Jiu-jitsu, in the hope that I would be able to learn enough to defend myself against bullying. Through Jiu-jitsu, I had the opportunity to train in wrestling. These 2 martial arts programs, along with my coaches and teammates have taught me respect, discipline and compassion. I have learned to utilize non-violent holds as a last option against physical bully, to protect myself and my friends. Therefore, I want to promote what I learned to help my friends, my classmates in self-defense. Through Jiu-jitsu and wrestling I

also achieve friendship and sportsmanship. I had an opportunity to participate and achieved silver medal in IBBJF PAN Kids 2022, which is a Jiu-jitsu tournament that brings competitors worldwide to show their skills in this great sport. There were a lot of sweat, tears and struggles, but the results are definitely worth it all. My goal is to have better results for my next tournament, and through what I do, to promote anti-bully at school. I believe I can achieve my goal as someone once said: "Dream, strive, seek, don't give up on your goals, those who believe, always achieve".
