My name is Miss. Emma Turner. I am a 17 year old 2nd Dan Black Belt. I am also a senior in high school, I teach, coach, compete and am a student of taekwondo.

I joined taekwondo in early 2021. After joining I took Weapons and Poomsae. For my first 3 years on the competition team I placed in all competitions under traditional and creative forms for both. This past year was my 1st year competing as a black belt. At nationals I placed in 8 out of 11 events. Including several board breaking events.

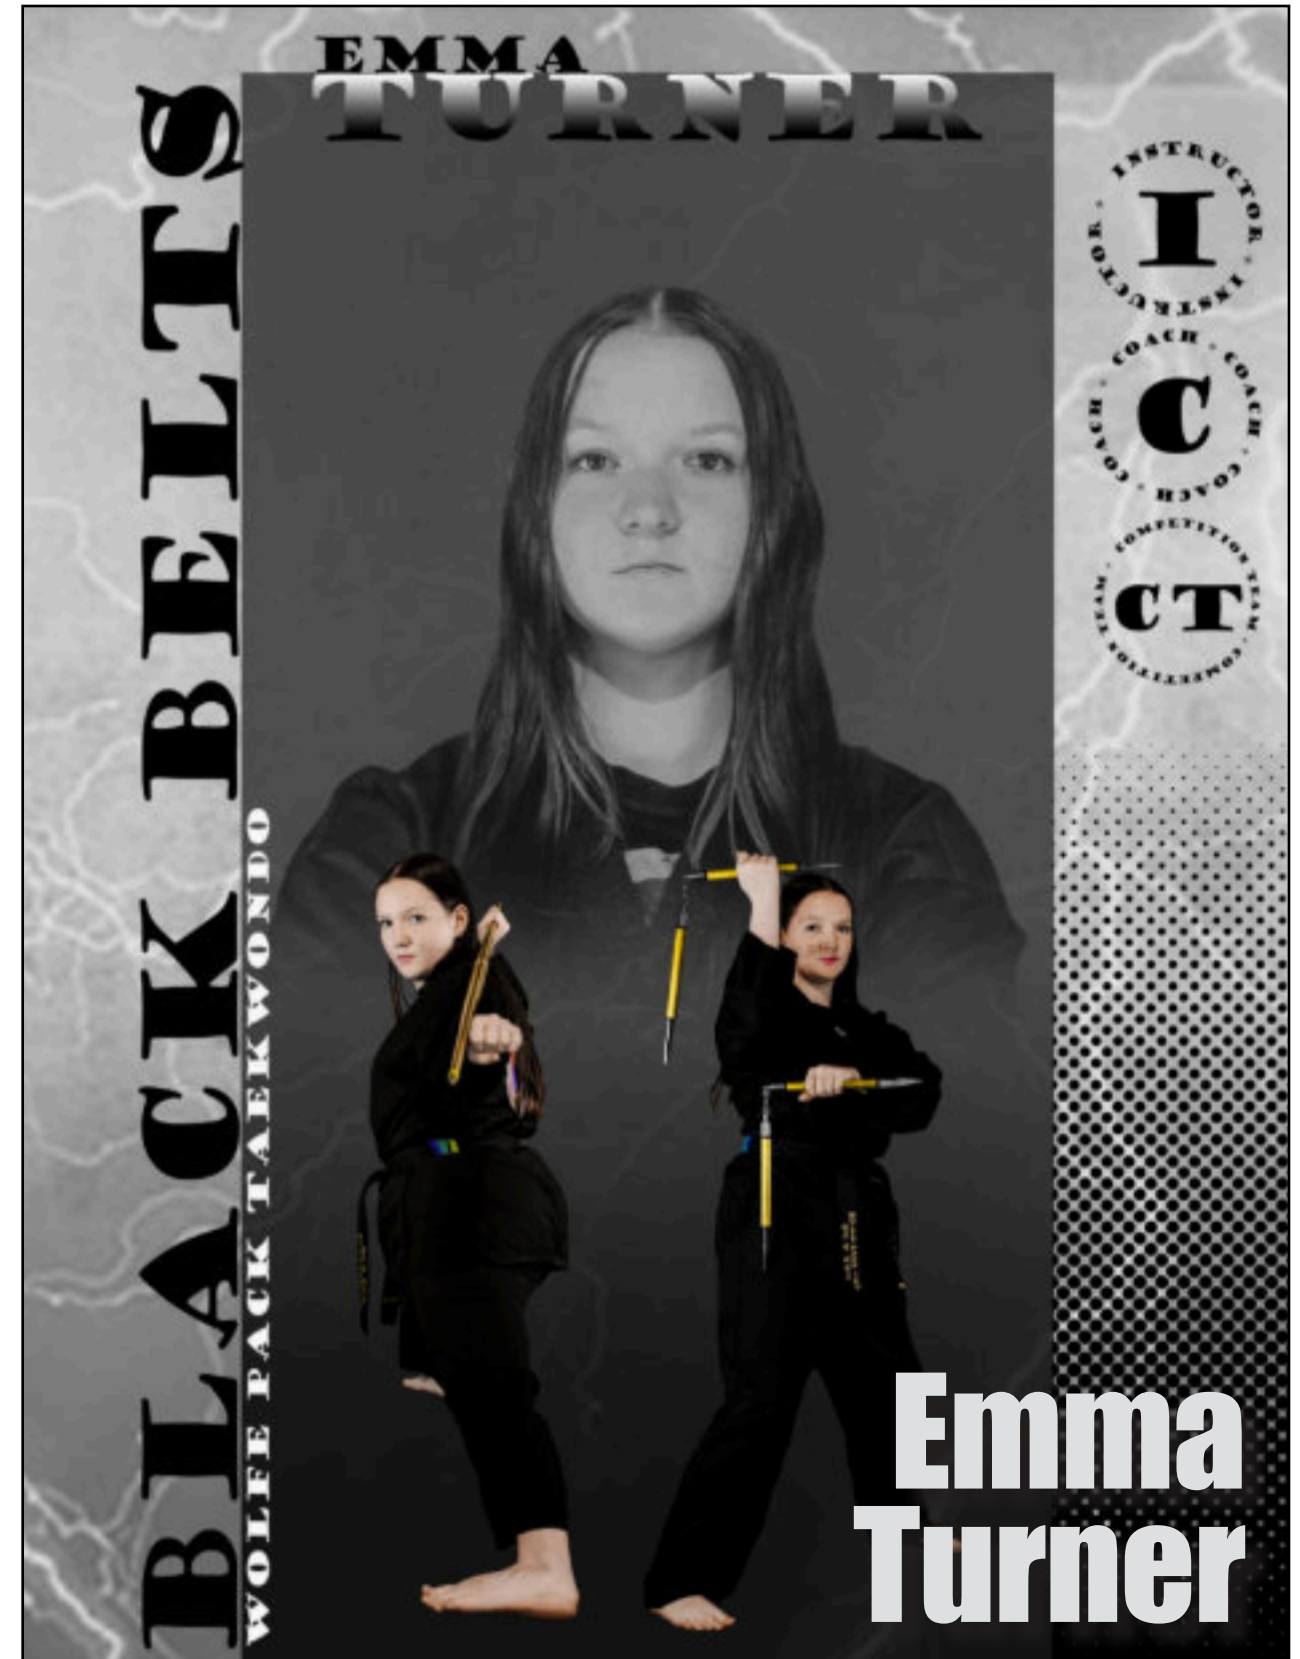

My main goal was to achieve my black belt which I did in Dec of 2023 and I just received my 2 Dan in Dec of 2024. I got my leadership uniform as a blue belt. I tested and passed my instructor test as a half blue, half red belt.

My new goal was to become the head instructor at our gym. I have accomplished that and now I am coaching our competition team,

along with regular classes, specialty classes, and private lessons. I work full time and attend school full time.

I will be starting college in the fall of 2025. I am a proud member of the AAU National Taekwondo Varsity Program. I achieved my varsity letter and jacket. I did this by setting goals such as keeping up my 4.0 GPA, giving back to my community by doing volunteer work, helping out with fundraisers and teaching others taekwondo skills and discipline.

Thanks to my parents, coaches, teachers and the kindness of so very many others I have been able to succeed well beyond my expectations. Now I am on to bigger and better things. I have new goals and dreams such as one day owning Wolfe Pack Taekwondo and maybe even opening another or two.

My name is Gioele Desogoso and I am 11 years old. I live in Italy and attend the sixth grade. I have been practicing martial arts since I was 4 years old. I started with Capoeira and a short time later I also started with acrobatic karate. I have now practiced both disciplines since then. I practice these disciplines at the "Claudiu Academy" in a town in the province of Treviso and my coach is Sempai Claudiu. I am a Competitive Athlete and I competed in several competitions at national and international level, winning several medals. My specialty is the open hand forms but I hope to be able to compete with weapons as well, especially with kamas.

In 2023 I participated at my first competition "Italian open 2023" ranking first. In the same year I participated in the "golden glove 2023" coming in 4th place, at the "lkw world cup 2023" I took first place and in the "unified world cup 2023" taking home the gold medal. Nel 2024 In addition to the various national competitions where I have always ranked on the podium. The international competitions where I

participated are again in the "Golden Glove 2024" winning the first position, "lkw world cup 2024" finished fourth due to a disqualification, "unified world cup 2024" winning 2 gold medals and 1 silver e "point fighting cup 2024" In which I won the bronze medal. In September of the same year I participated in the "Performer cup", a worldwide event in which athletes of scenic arts and circus arts compete, winning the pass for the 2026 European Championships both as an individual athlete and as a team. In January of this year I participated in Chesterfield at the "wtka British open" competition winning 3 silver medals and 1 gold medal and a few weeks ago I reconfirmed myself as world champion at the "lkw world cup 2025" obtaining first place. The next goal is the reconfirmation of absolute Italian champion and the "Hungarian world cup" in Budapest. My dream is to become a great world champion and to be able to make this sport my job as well. I will open my own gym and I will pass on the teachings I received from my coach. This sport allows me to travel and make new friends from all over the world.

**MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!**

- ✓ **Aménagements soignés:** Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont éliminées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien:** Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle:** L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale:** Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte:** Un beau gazon peut augmenter la valeur de votre maison. Assurez-vous de bien l'arroser et le fertiliser lors des canicules.

# Katiuska Sanchez

Hello, my name is Katiuska Sanchez, I am a black belt in martial arts, I am Venezuelan. I started this sport at a very young age. One of my goals was to be able to compete nationally and

internationally, and I have achieved it. My dream is to be able to help many children in Venezuela to continue believing in martial arts, to create a community of help for them, and my goal is to continue standing firm in each tournament. My biggest challenge was facing

the world alone at 18 years old. Due to political situations, I had to leave my country very young alone, but I was strong and I never gave up. Today I have won very important tournaments and I have my own martial arts school called Carbon Martial Arts.

# Luke Barnett

My name is Luke I am 40 years old and a 2nd dan Goshin ryu- Karate instructor from Manchester England. I started Japanese jiu-jitsu age 15 and the love of martial arts began.

My dream is to teach others to successfully defend themselves and have a strong confidence. My latest goal is to achieve my Sandan in around 2/3 years time, no rush.

My training is very old school and uses tough hand conditioning and hundreds of kicks in a single session. I have experience in Judo, jiu-jitsu, kick jitsu and kickboxing also, winning a few amateur bouts. My dojo is small and private so I can only teach a few students at a time and many quit due to

the tough training regime, just like an 80's movie! I hope to continue to train for many years and enjoy the company and conversation of martial artists from all over the world. Osu! Photos Credits: Iron Hand Karate

My name is Stefania, and martial arts taught me that success isn't about being perfect - it's about pushing forward, even when it

feels impossible. I've had moments where I wanted to quit, where I doubted myself, but every setback shaped me into who I am today. I was never the fastest, strongest, or most confident, but something

about the movement, precision, and challenge kept pulling me back. Martial arts became more than training - it became a way to test my limits and prove what I'm capable of. Before martial arts, I spent a year in dance. It was a great experience, but it didn't feel right for me. I wasn't sure what to do next. Living in a small city, I didn't have many options, but martial arts

was one of them. At first, I thought it was all about fighting, which didn't interest me. But as I looked deeper, I saw the discipline, skill, and self-improvement behind it. That's when I joined the same club my sister trained at - one focused on forms and performance rather than just fighting.

My journey hasn't been easy. One of my biggest setbacks was a bad landing on a tornado kick that messed up my ankle. The physical recovery was tough, but the mental side - holding back, adjusting my training - was even harder. I've also battled my own perfectionism, constantly feeling like I wasn't good enough, even when I made progress. At times, training felt more exhausting than rewarding. But I've learned to be patient with myself and appreciate both the

wins and the struggles.

Through countless tournaments and hours of practice, I pushed myself to refine my technique and grow stronger. Each competition built my confidence, and I started seeing real progress. The success I've had isn't just about medals, it's proof of my dedication and hard work.

Right now, my focus is on mastering the sword. It's become my favorite weapon after switching from fans and kamas. I want to perfect my

technique, develop precision and power, and reach a level where I'm recognized in the martial arts community. I look up to the best and want to push myself to be on their level. The road ahead won't be easy, but I'm excited for the journey. Whether it's refining my sword skills or learning something new, I'm ready to keep growing, both as an athlete and as a person. Every day

brings me closer to my goals, and I can't wait to see where this path takes me.

My name is Mattia Desogoso and I am 14 years old. I live in Italy and exactly in Veneto and I have been part of the Claudiu Academy team since 2016. I practice acrobatic karate and capoeira, but it is with karate that I became a competitive athlete. I specialize in the open hand forms but I practice also with weapons in particular the Bo. In recent years I have participated in several national and international competitions, achieving excellent results. My first competition was "Italian open 2020" in which I finished in third place. After the stop due to covid, I resumed competing in 2023, subsequently obtaining excellent results.

Italian open 2023 4th place,

Ikwo world cup 2023 1st place,

Unified world cup 2023 two second places,

Ikwo world cup 2024 3rd place

In October 2024, the night before the "unified world cup 2024" competition during a jump I broke my foot, despite the very strong pain I completed all my competitions finishing in 4th and 5th place. I come back from the injury more charged than before and I train for the "wtka British open" in Chesterfield. Despite the hard training, the pains are still strong and I can't give my best. I conquer a fifth and an eighth place in 2 very strong categories. More and more determined to get back on the podium I get ready for the "Ikwo world cup 2025" where I conquer a 2nd and a 4th place.

In September 2024 I participated in the "Performer cup", a worldwide competition on scenic and circus arts, winning both as an individual athlete and in a team and winning the pass for the European selections in 2026.

In recent years I have also participated in several competitions at regional and national level, winning several gold and silver medals. My dream is to become a stuntman and I will commit myself to this. I hope to become stronger and more successful in my discipline and inspire other kids like me to get involved in

this sport. My mentor is my sempai Claudiu and it is thanks to him that I have become who I am because he is always a great example. The next goal world cup in Budapest in June where I hope to bring home great results. In the meantime, I study and prepare to get my black belt next year.

From a young boy with a dream to a globally recognized champion, Tyler's journey in martial arts is a testament to dedication, resilience, and unwavering passion. Based in Sheffield, United Kingdom, and part of TSD, Team Sheffield Dragons, at just 12 years of age and already a 10-time Unified World Champion and a 2-time WKA World Champion, he has once again secured his place to represent Great Britain at the prestigious World Championships in October 2025. Focused on defending his titles and adding to his accolades, Tyler's path is one of relentless ambition.

### A Journey That Started Early

Looking ahead, he aims to compete on the American circuit, where he will test himself against the world's best. Beyond martial arts, his long-term aspiration is to become a professional stuntman. Already laying the foundation for this career, he trains in Muay Thai and high diving, adding to his expertise in martial arts and weaponry.

### Overcoming Challenges

The road to success is never easy. Tyler faces the physical and mental demands of elite competition, from intense training sessions to overcoming setbacks. The pressure to maintain his top-tier status, balance training with personal commitments, and push through injuries are all hurdles he faces head-on. Sponsorship opportunities will help support his training, travel, and participation in international competitions, as well as his journey into the stunt industry. Brands and individuals looking to align with a world-class athlete and an inspiring role model can connect with Tyler to explore partnership opportunities.
