MES CONSEILS POUR METTRE EN VALEUR VOTRE PROPRIÉTÉ CET ÉTÉ!

- ✓ **Aménagements soignés** : Assurez-vous que la pelouse est tondue, que les mauvaises herbes dans les parterres de fleurs sont enlevées et que la façade de la maison est propre et attrayante. Un coup de peinture frais sur la porte d'entrée peut faire des merveilles.
- ✓ **Faire des travaux d'entretien** : Profitez de la période estivale pour régler les petits problèmes d'entretien, comme les robinets qui fuient, les ampoules grillées, les portes qui grincent, etc.
- ✓ **Jouer avec la lumière naturelle** : L'été, la lumière naturelle est abondante. Ouvrir les rideaux, les stores et les volets pour laisser entrer la lumière. Assurez-vous que les fenêtres sont propres pour maximiser la luminosité à l'intérieur.
- ✓ **Créer une ambiance estivale** : Des coussins colorés sur le patio et une table dressée pour un barbecue imaginaire dans la cour peuvent aider les acheteurs potentiels à visualiser leur vie estivale dans la maison. Ajoutez des touches décoratives comme des lanternes, des plantes en pot et des meubles d'extérieur confortables afin de rendre votre extérieur plus chaleureux et accueillant.
- ✓ **Une pelouse verte** : Un beau gazon peut augmenter la valeur de votre maison. Assurez-vous de bien l'arroser et le fertiliser lors des canicules.

Jason Dugan stands as a compelling figure in professional wrestling—a veteran performer, entrepreneur, and mentor whose career reflects both athletic achievement and profound personal transformation. With nine years of experience in the ring and an expanding presence behind the scenes, Dugan has established himself as a respected force within the independent wrestling landscape, particularly throughout the southeastern United States.

A co-owner of Atomic Legacy Wrestling, based in Central Florida, Dugan operates the promotion alongside his business partner, Alex Red. Together, they have built Atomic Legacy Wrestling into what is widely regarded as the largest independent wrestling promotion in the Southeast. Under their leadership, the organization has earned a reputation for high-level competition, professional production standards, and a commitment to cultivating elite talent from across the wrestling industry.

In addition to his role as a promoter, Dugan has

expanded his influence by launching a professional wrestling management and talent agency, where he serves as both manager and agent. His current client roster includes Victoria Crawford, internationally recognized for her time in WWE under the name Alicia Fox; Summer, a standout talent from WWE LFG; Renee Michelle, a widely respected independent wrestling superstar; Teal Piper, daughter of the late wrestling icon Roddy Piper; and Deimos, an accomplished professional wrestler and Teal Piper's husband. Through this agency, Dugan provides strategic career guidance, booking representation, and brand development for talent navigating today's competitive wrestling landscape.

As an in-ring competitor, Dugan has compiled an extensive list of accomplishments throughout the independent circuit. He has captured numerous championships, demonstrating consistency, adaptability, and leadership inside the ring. His title reigns include the Atomic Legacy Wrestling World Championship, Atomic Tag Team Championship,

Cruiserweight Championship, and Hardcore Championship. Beyond Atomic Legacy Wrestling, Dugan has also held the Wild Card Heavyweight Championship, along with several

additional titles across various independent promotions, reinforcing his credibility as a top-tier competitor.

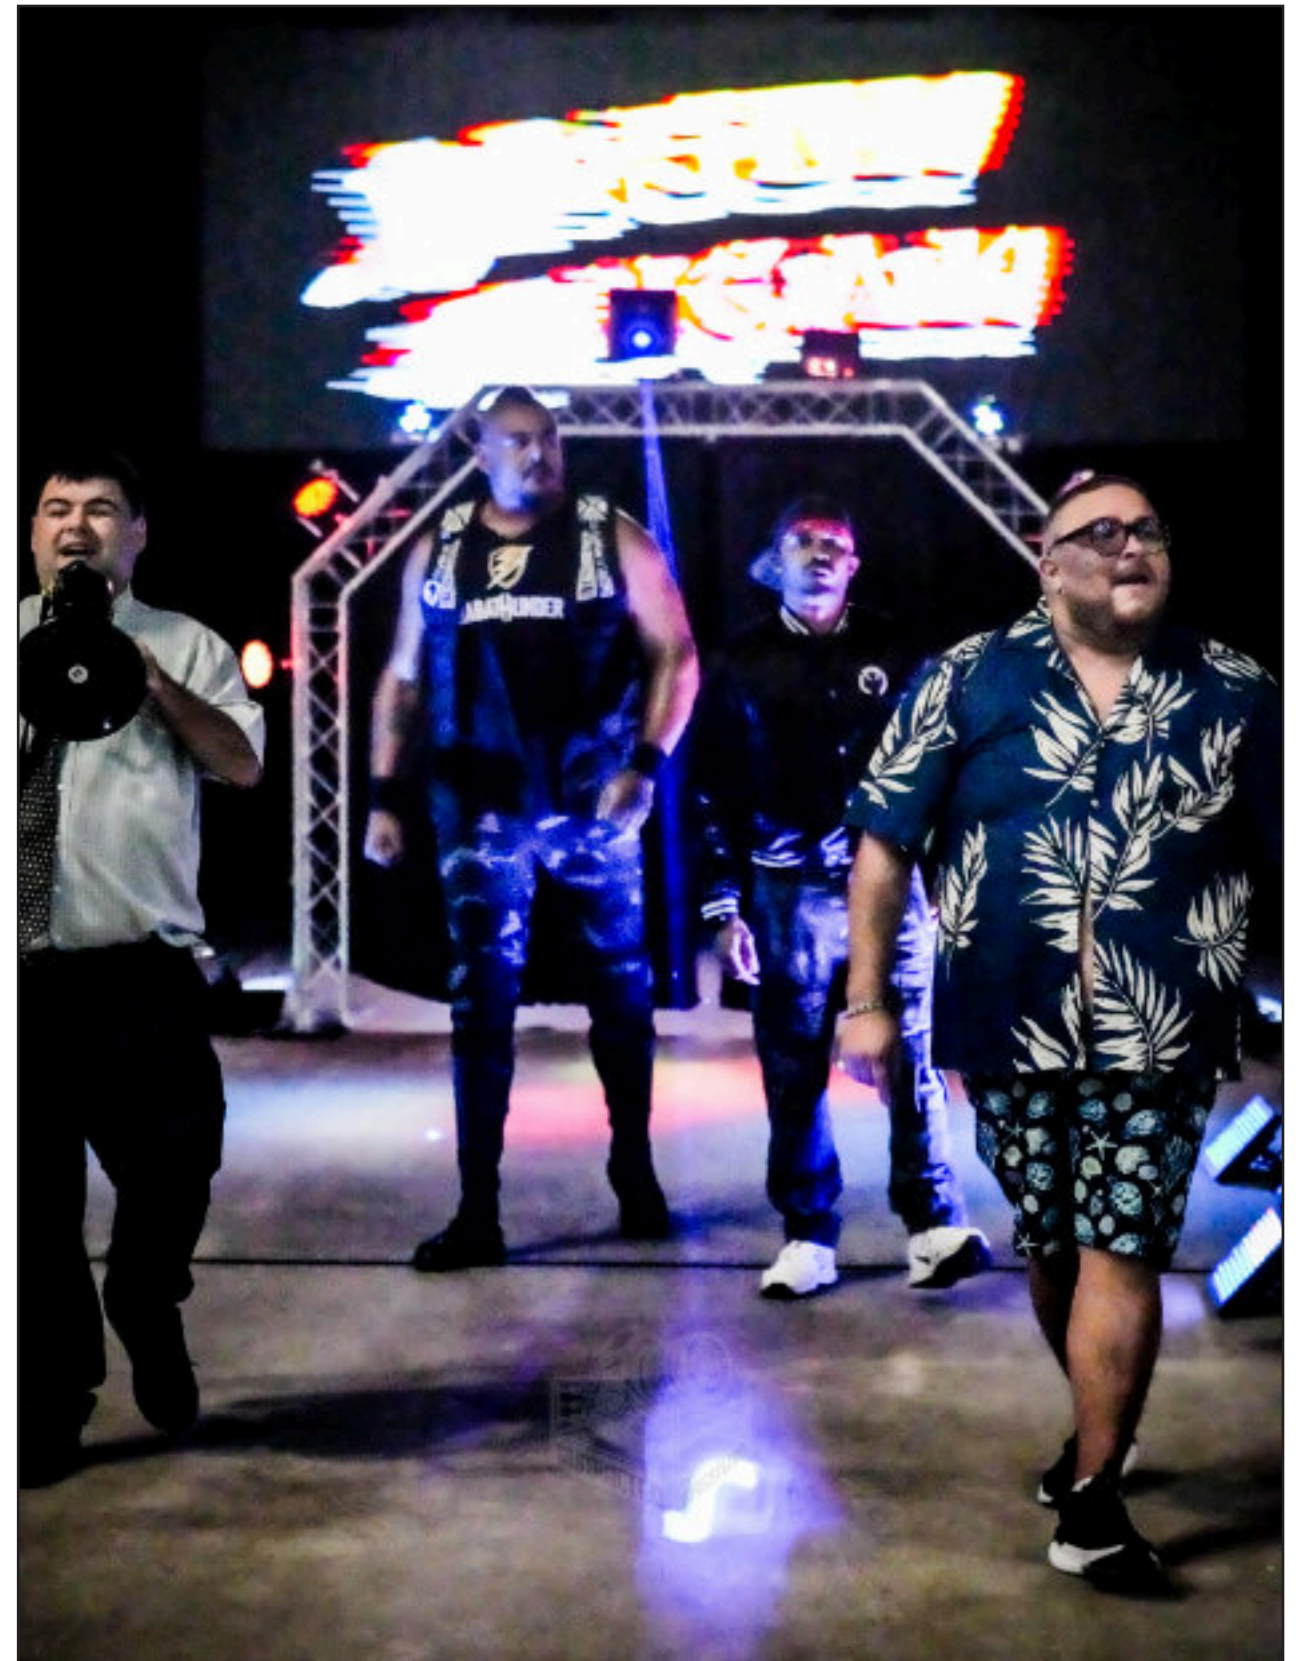

Dugan's professional success is made even more compelling by the adversity he overcame earlier in life. Originally from Brooklyn, New York, and later raised in Titusville, Florida, he experienced a difficult upbringing marked by instability and hardship. His early years included time spent in and out of juvenile detention, ultimately leading to a five-year prison sentence. Rather than defining his future, this period became a pivotal turning point.

Upon his release, Dugan committed himself to rebuilding his life with discipline and purpose. He pursued professional wrestling with renewed focus and, in 2015, experienced a life-changing spiritual transformation, surrendering his life to God and embracing a faith-centered path. This personal renewal became the foundation for both his professional career and leadership philosophy.

Today, Jason Dugan is recognized not only for his accomplishments as a wrestler and executive, but also for his role as a mentor and example of redemption. Through Atomic Legacy Wrestling, his management agency, and his continued in-ring career, he remains dedicated to elevating the independent wrestling industry while demonstrating that perseverance, accountability, and faith can lead to lasting success and impact.

I started my tattoo journey at the age of 18, already knowing that I wanted to tattoo my entire body. For me, it was never about collecting random pieces, but about creating one complete visual identity. Over the course of four years, my full body tattoo project was completed.

The full body project was created by Ákos Németh, in a consistent anime-inspired, Japanese style. This coherence is very important to me, because my body is not just covered in tattoos, it represents one unified visual concept.

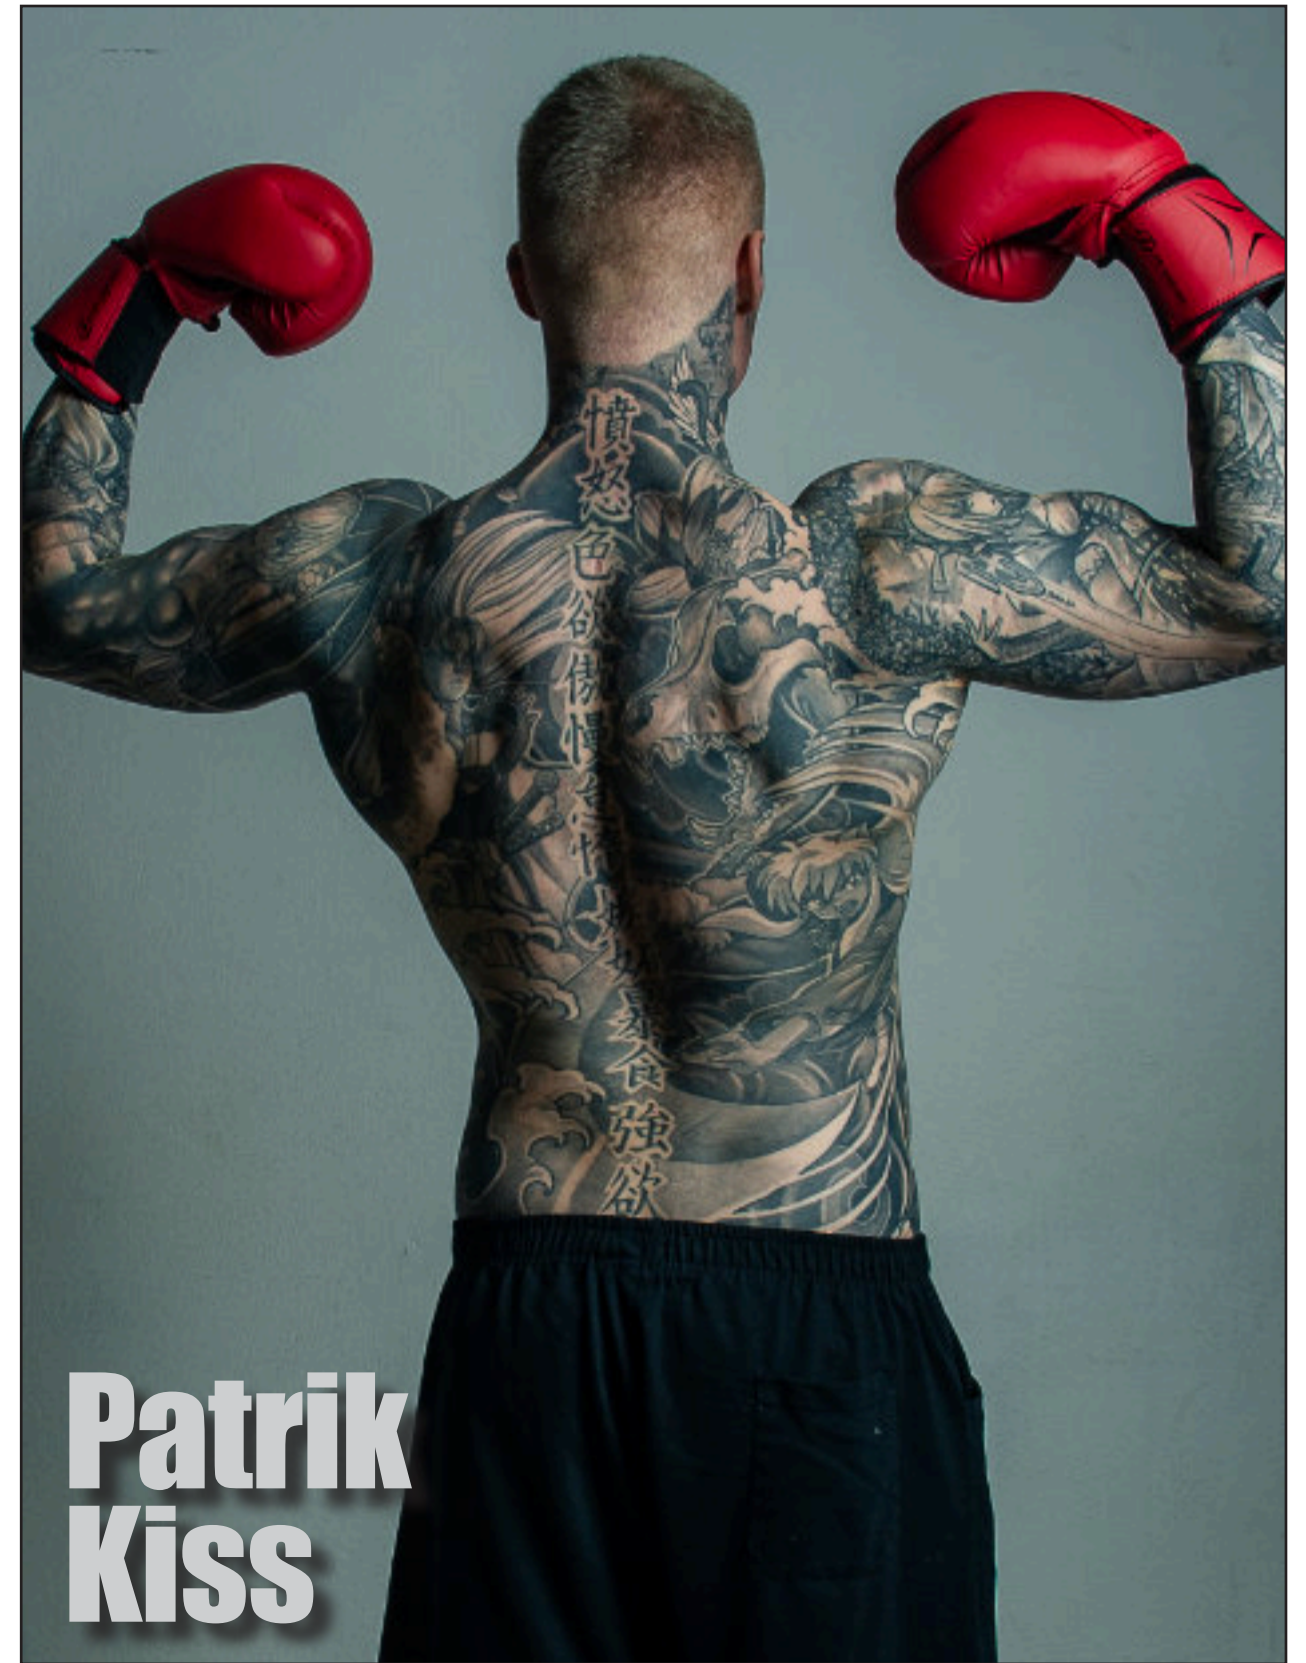

Because of this appearance, people often stop me in public, start conversations, or ask about my tattoos. I have attended several tattoo expos, where I received a lot of positive feedback from both visitors and professionals. These experiences made me realize that my look naturally draws attention and creates interest.

That is when I decided that I want to take this further and present myself to the world as a tattoo model. My goal is not only to showcase tattoos, but to represent tattoo culture in a clean, professional and artistic way.

My current dreams and goals are fully aligned with building a strong international career as a tattoo model. I want to work on editorial projects, collaborate with photographers, brands and magazines, and continue growing as a model while staying true to my identity. I see my tattoos not as a limitation, but as my greatest strength and signature.
