Bustie Beaker

Bustie Beaker, or otherwise known as the Boss Lady of CSW. I am co-owner of a Colorado based independent wrestling company as well as a burlesque dancer and aspiring model. My wrestling company is Colorado Springs Wrestling, if you can't find me there you'll always catch me performing at La Burla Bee in Colorado Springs with the Champagne Cabaret productions. I truly enjoy performing and I love showing everyone my many talents. I have competed in GLCC for burlesque and am starting to start my journey of performing in other states. You can actually find me in New Orleans August 25th/26th. My journey hasn't always been easy, I am a plus size performer so the doors haven't always opened for me. It's been my mission to break down those barriers with full force. All body types are absolutely gorgeous and should be celebrated. Just don't be an asshole and you're cool in my book. I am an Aries and truly believe you receive what you put out into the universe. I am fiery, bold and fierce to be reckoned with. A little quirky fact about me, my name Bustie Beaker. I got the bustie name for obvious reasons. But the Beaker, it has to do with my love for Muppets. I have loved the Muppets since I was a little girl and I thought there was no other fitting name than Beaker. I love what I do as a performer and I love showing off my many assets, it's my hope that you appreciate and celebrate the energy, love and beauty that I try to put out into the universe.

Caramel Starr

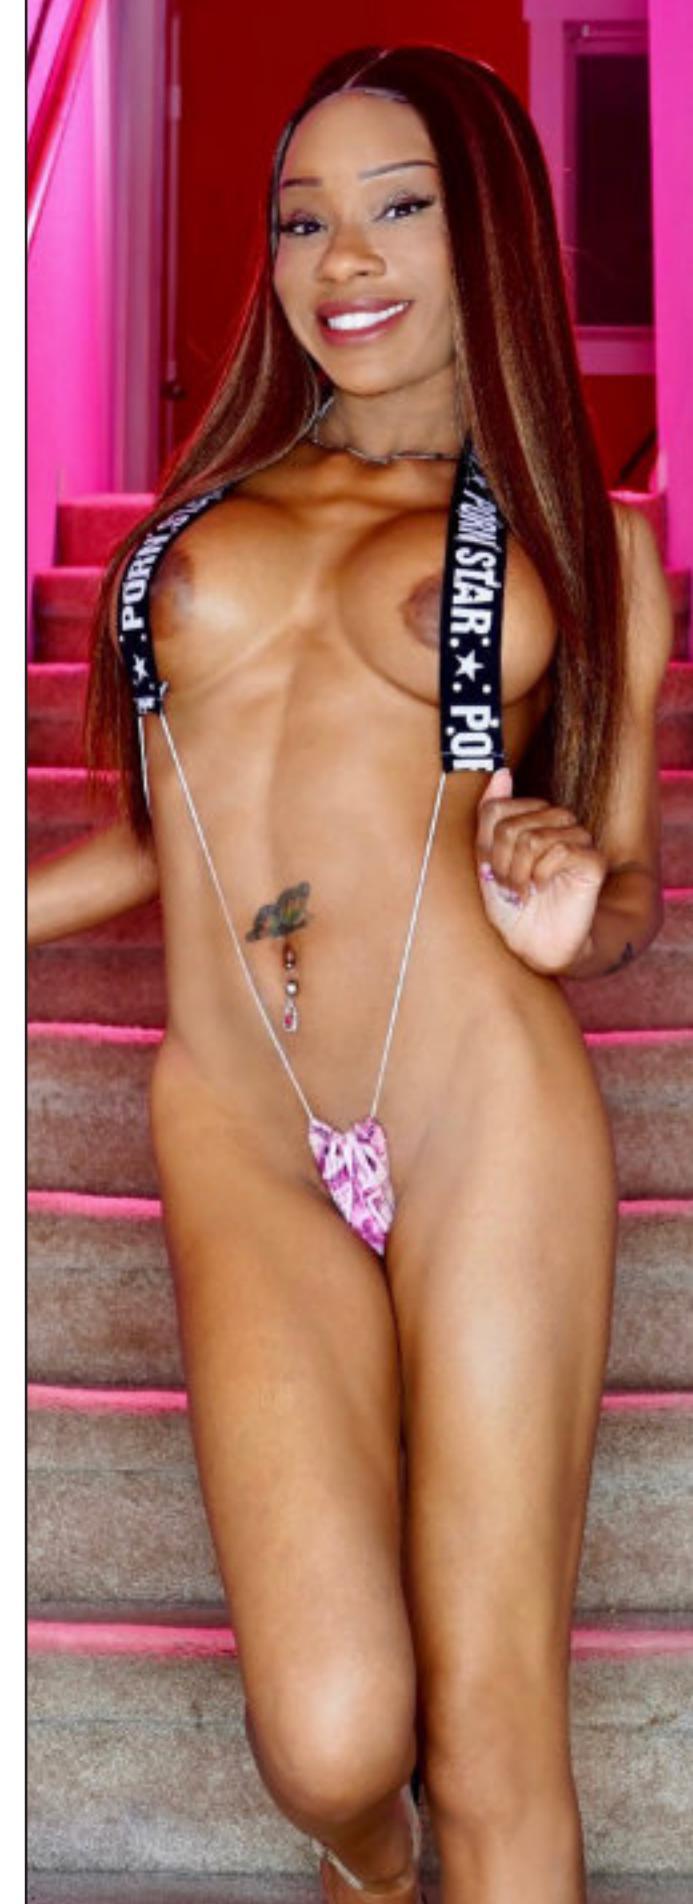

I recently completed my Associates in General Studies. I plan on to continue my studies. I've accomplished basically everything I've set out to do from being on box covers,

magazine covers, shooting for Reality Kings, being on the box cover of Kink, traveling to a majority of the states, owning foreign cars, and being successful. I am blessed and I

am looking forward to what the future holds.

Rose Royce

I have been a dedicated and passionate body-positive cosplayer and hobby model since 2014. Everyday offers a new opportunity to express myself and to hopefully influence others to trying new things, regardless of their size, shape, color,

etc. To me, cosplay and modeling is more than just hobby - it's also my art and passion.
