Miss Whitney Morgan has been an active model in Central Florida for many years and has made many appearances in magazines from Delicious Dolls to Hustler. She does lingerie, cosplay, nude, and fetish modeling and, as her collection of body art has expanded, has become a sought-after tattoo model. In real life, she is a gourmet chef and baker and "cat mom" to several adopted felines. Whitney is also a producer of fetish

films and has been nominated for many awards. Miss Morgan hopes to continue modeling and producing for as long as her fans want to see her! Whether she appears in lingerie (as she does here), leather, or less, she enjoys finding just the right pose to make the vision work.

My names Faye Delune, and I'm A Professional Model, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, and Modeling at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

My name is Lo aka Queenlo from Orlando Florida. I got my start modeling over 10 years ago back in Madison WI. I have always had a passion for modeling and have been published in local and international magazines. I have walked runways and have been featured on a live billboard in Time Square. That was such an accomplishment but I am most proud of being featured in the Racine art Museum as it was a project that I worked on with my best friend Kate who was the photographer. I have even included my animals in my love for modeling as my dog Luna got to star alongside me in a commercial back in 2021! My plans moving forward is to explore the Florida modeling scene and create more artistic work. I'd like to be able to get involved in more of the behind the scenes, such as creating shoots and getting behind the camera. It's been challenging getting out and exploring since I had my son but it has only helped me learn how to create content on my own!

I've been modelling for about 11 years now and it has been challenging but I have not given up. I enjoy everything about what I do.

Its a breath of fresh air when times are hard and it helps me just be the creative person I am. I have also met a lot of really nice people along the way and some of them are now part of my team !!.

I have always had a passion for art and dressing up since I can remember ! The moral of the story is don't give up on your dreams and be the magical person you are despite the challenges you face and keep on going and smiling.

My goals are to prove and to show the world you can achive your dreams no matter what!! it takes time and dedication but in the end you will reach where you want to be.

Keep on going and keep on smiling.

Love MEL.
