I am a child of God.
I am audacious
and vibrant. I
always drum
against the beat
and allow God to
order my steps.
God has blessed
me tremendously.

God has placed me
in rooms with
heavy hitters and
closer to my
dreams. I
understand the
word that says I
can do ALL things
through Christ
who strengthens
me. God has
landed me on a
billboard in Miami,
to covers on
magazines. It has
come with its
challenges as well
but I count it all
joy. Because if it
was easy- what
would praise God
for.

God has definitely
allowed me to
beat cancer twice.

And now through
Gods grace I am
proud to making a
debut in acting.
Currently involved
in two films. I am
very excited and
elated to be
apartment.

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Building a strong foundation for future success is important to me. I am a mother, a grandmother and a foster parent who works full time in healthcare. My goals are always first to my family, making sure I am well for them. This includes making sure my health and fitness, my job growth and stability are in check and my mental. My goals for life are always to be more organized, prepared and to obtain the foundation for the future of my family. My work goals are to always be open to education and learning, possibly even going back to school for fitness and nutrition. I love science

and want to broaden my horizons. I've achieved a lot this past year as I reflect, including taking care of and reuniting with family, a steady 3 ½ years at my job as a Patient Care Liaison, taking my supplements and trying to eat better, exercise more. In life my biggest achievement was winning first in my class in bodybuilding and I will make that a goal in the years to come.
