I think when many people ask you what your goals are, they expect you to talk about wanting to be a doctor, lawyer or an artist in some sort of way. And while my passion has always been to become a Child Psychologist, I think it is safe to say dream and my goal is to live in comfort. I am only 25 years old and as I am growing, I am learning and understanding that protecting your peace and going after what makes you happy is what is most important. I truly feel that most times we shy away from trying new things whether it be make up, styling someone's hair or even modeling because we fear not being good enough. Not being pretty enough. Not known enough or not special enough. But the truth is that the best way to maneuver in this life is to carry on like every single day is your birthday. Carry on every day, knowing that you are special, and that you were perfectly made and designed to be exactly who you are. The only person who will stop you from doing the things you want to do is you. I want to continue to learn to be unapologetically myself without the fear of judgment.

My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! I also have gotten 50+ Degree's, Certificates, Diplomas & Certifications! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, artist, writer, or photographer, it allows me to meet

lots of people, who usually leave impacts on me and vice versa. I love making art, and love showing it off. I hope you enjoy my work, and I welcome you to my world.

Hi, my name is Hope and this is my journey in the modeling industry.

Modeling has always been more than just a career goal—it's been my passion and a powerful form of self-expression. From editorial shoots to car promotions and brand campaigns, I've built my path as a fashion and car model by combining style, strength, and versatility. My dream has always been to represent confidence and authenticity, both in the fashion industry and in the high-energy world of automotive modeling.

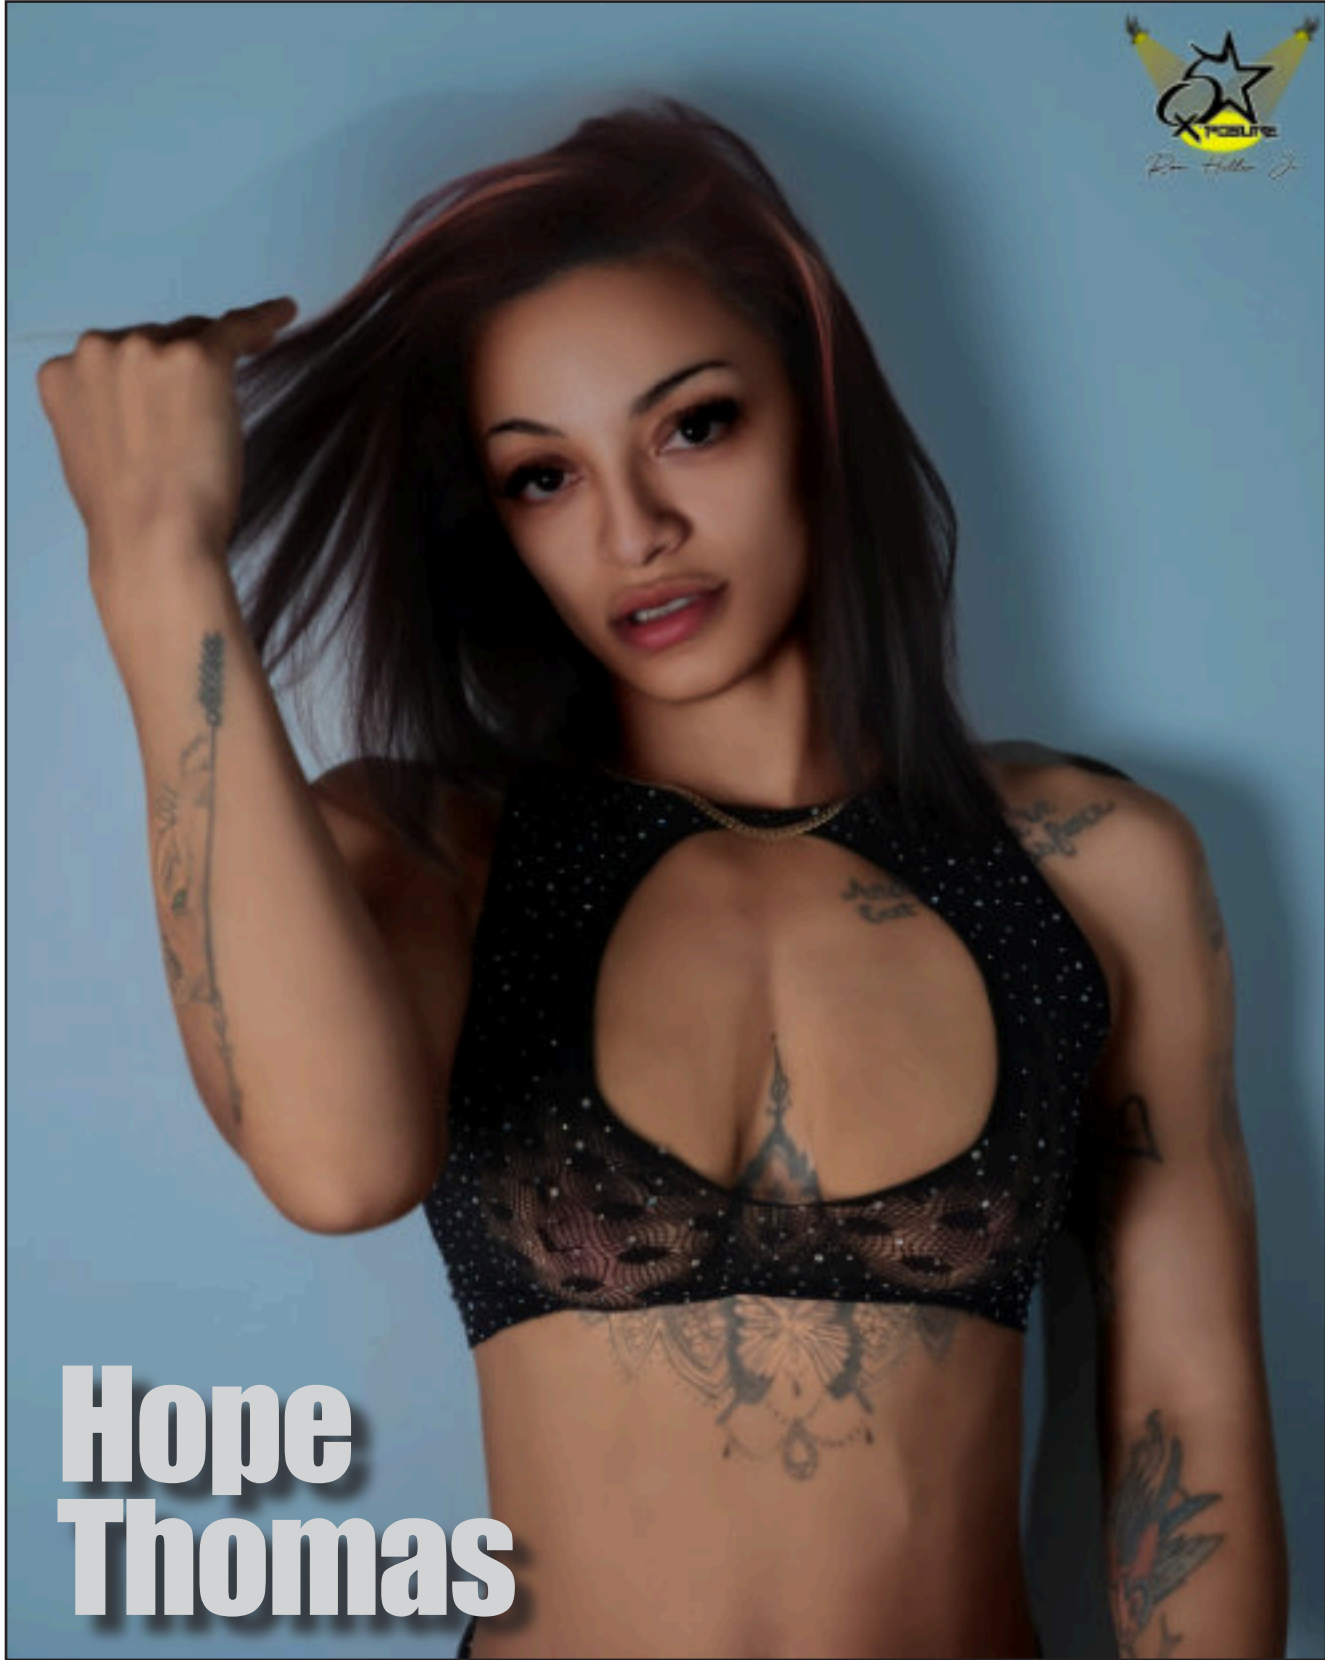

The journey hasn't been easy. I've faced countless challenges—from breaking into competitive markets to dealing with the pressure to meet certain standards. There were moments of doubt, setbacks, and learning curves, but each one taught me resilience and reminded me why I started. I've learned to embrace my individuality, to stay focused, and to push forward with determination.

Over time, my hard work has led to some incredible opportunities. I've modeled for fashion brands in editorial and commercial shoots, worked at major car shows, and represented vehicle manufacturers at promotional events. Each achievement has been a step toward fulfilling my goals—building a respected career, inspiring others, and showing that success comes from consistency and self-belief.

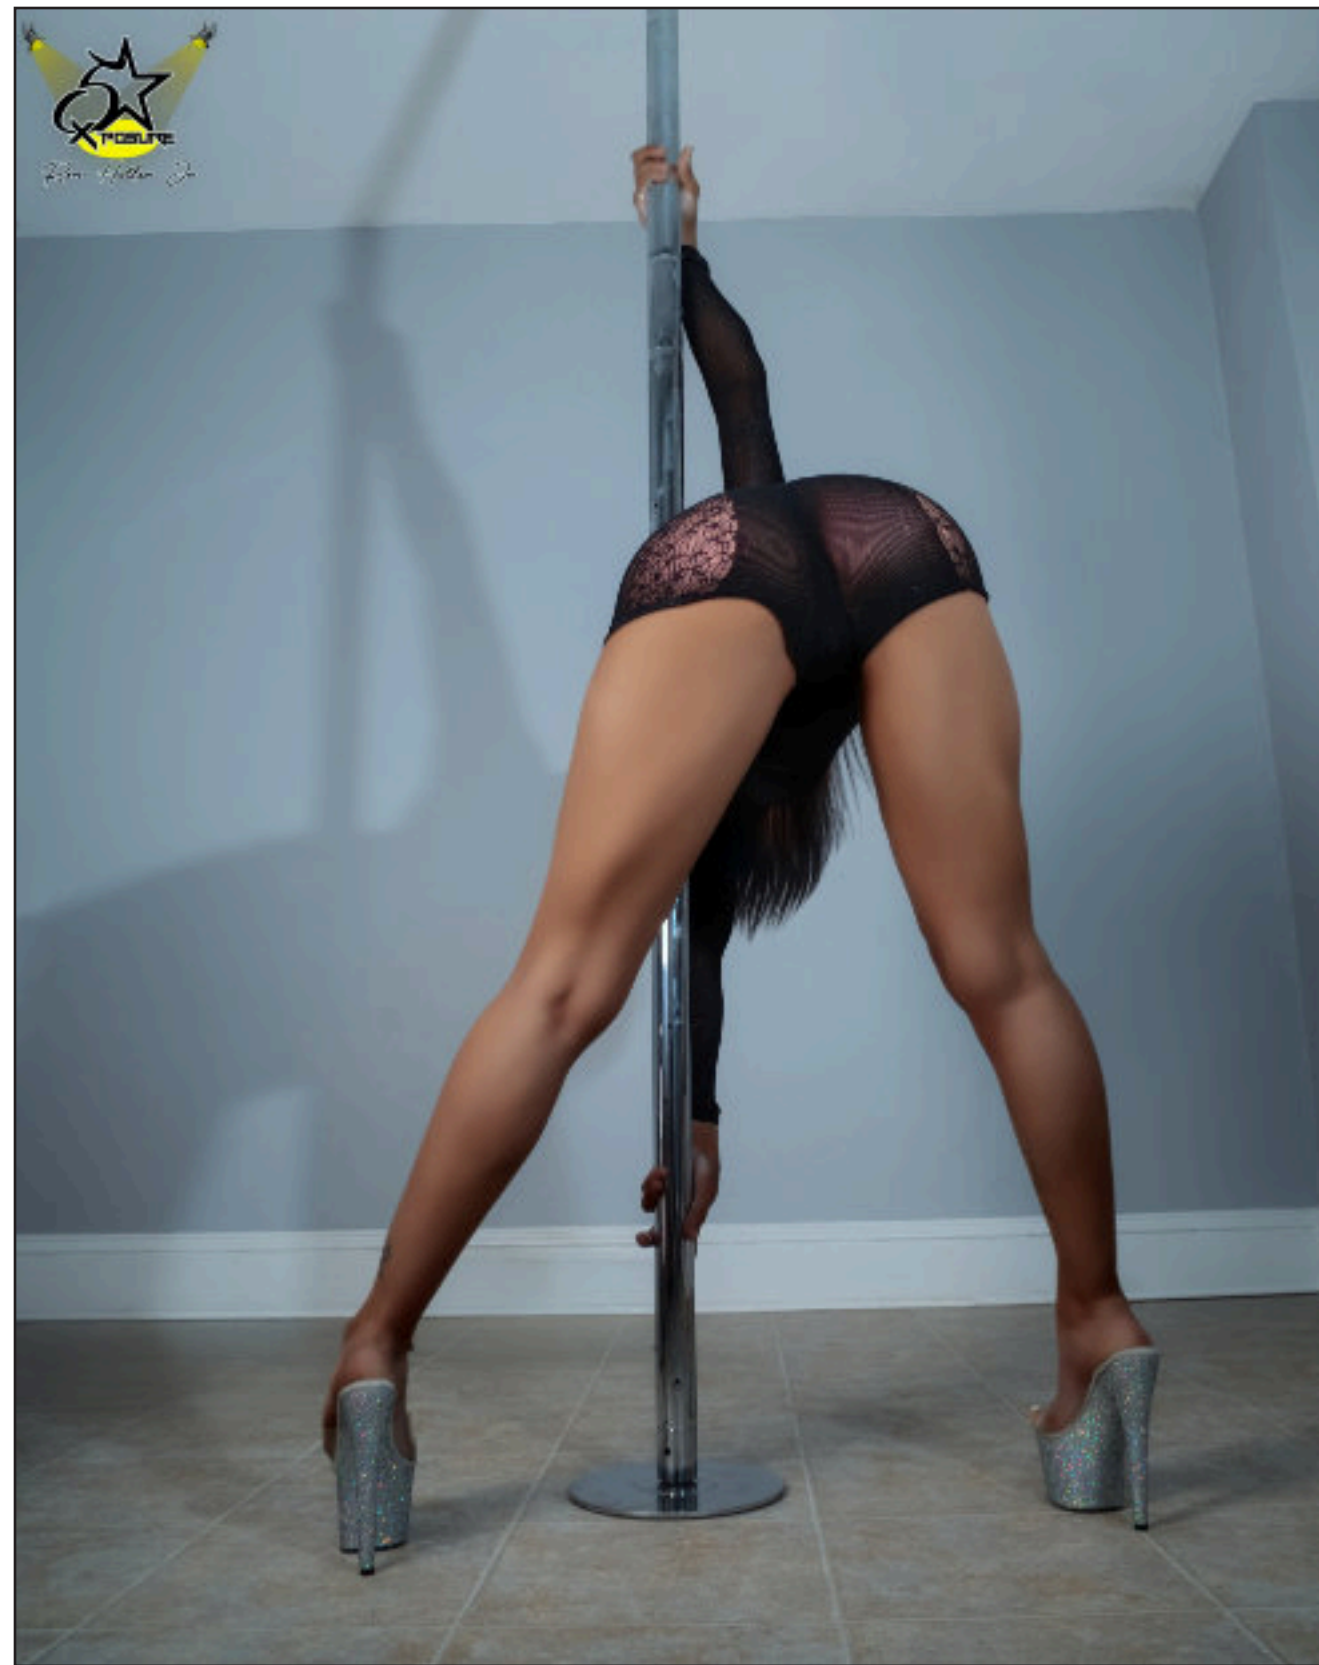

This journey continues to grow, and with every shoot, event, and experience, I become more rooted in my purpose. Modeling, for me, is not just about looking the part—it's about living it with passion, professionalism, and pride.

I was born in Yerevan, Armenia. I am pure Armenian. Born and raised there. I went to St. Kitts, West Indies, Chicago, Illinois with the ex-husband. We were there fifteen months. Fifteen months in St. Kitts, West Indies. fifteen months in Chicago, Illinois. I am an internationally published model/actress, burlesque performer artist, social media star, singer. 2 X Beauty Pageant Winner, Miss Classic WOW title holder, London, England, 2020. Miss Congeniality Armenia title holder, London, England, 2020. Winner of World World Bikini TV Group, 2024, Top Sexiest Model on facebook, online group, (Top 30), 2024, Top Sexiest Model on facebook, online group, (Top 30), 2025. Known as the Exotic Armenian for her prominent diamond looking features, statuesque figure. I have been published in numerous magazines (multi published), London, England, States. People in New York and Los Angeles, California have been really kind to me. I got published in FR (Fashion Republic) Exclusive Interview Siren D'ville, Q & A. Talks about my journey into modeling/acting and all the crazy ups and downs that happened in my life. This magazine means so much to me. With respect to acting. My acting career began a lot quicker than I ever anticipated it. Less than a year, I have been in two feature films, five short films. I think the film that got me out there was, Two Ways to Heaven that played at Revue Cinema on January 22, 2017, Rookie film about a cop, New Things, Petty Theft student short film, Recording rituals, I love Lucy (SWEDE Project), American Grace feature film, Christian short film. Versatile actress: Has been in many genres: Classical drama, some action, romance/comedy, horror. Acting has become my passion it is something that I definitely would like to pursue further. With respect to burlesque. My burlesque career started in Chicago, Illinois where I was trained by a world renown instructor/legend by the name of Michelle L'amour. She is number one dancer in America. Miss Exotic World Reigning Queen of Burlesque, 2005, World's Best Group, 2010. I did my debut here in Toronto, Canada, June 2012 at Comedy Bar. (Bloor and Ossington). There is not a lot of burlesque stuff going on here as it is in Chicago, Illinois, New York, Atlanta Georgia. Burlesque is glitz and glamour. I found burlesque very glamorous. There is theme/storytelling in each

act they are telling a story. It is not the same as you see in strip clubs. One would have to go to a strip club see a burlesque show, see the difference. Burlesque is an on stage performance. Does not involve lap dancing as it is in strip clubs. Whoever hires you, that person pays you. With respect to singing. I have two and a half octave voice range, Soprano. I was known the little girl with a big voice. I got the voice from my grandmother. She had the voice naturally. She never went to Opera school. I have a legal background, Law Clerk Diploma Program. My passion was into performance arts. I love stage, being on stage performing. I will only get off stage when people start throwing tomatoes at me. I consider the audience my family. I have accomplished so much, winning honorary titles being crowned a queen, now I am looking for love. Time for love. We all need a longing, nobody wants to be lonely. Leave here, turn your messed up life to a normal life.

My goal in modeling is to achieve a diverse portfolio, showcasing my range and skills showing my abilities to attract crucial clients to work with me, to connect with photographers, designers, stylist, and other models in the industry when the opportunity presents itself, to gain experience in different type of modeling to improve those skills that I have in modeling. Define a unique style expressing myself, and hopefully earn a consistent income for modeling, build a reputation for being professional, reliable, and easy to work with.
