I'm a freelance traveling model who loves to create. I love expressing and drawing the viewer in with my art, and I hope to only grow with my craft. Art is such a passion and I'm so grateful I can spend my time and energy toward it. I'd love to travel more with modeling, and involve myself with bigger projects. Each photoshoot is

memorable, from the photographer, concept, look, etc. I love creating beautiful memories as well as the physical art.
