Hi, I'm Carter, a new face in the modeling world for 2025, driven by a passion for modeling and a commitment to authenticity. My journey is built on the belief that a successful career starts with a strong foundation at home. For me, modeling is about more than just a photograph; it's about showing that you can chase your biggest dreams

while prioritizing the people who matter most. I'm currently focused on building my portfolio, while keeping my family at the heart of everything I do. My goal for 2026 is to make create long term professional relationships that will elevate over time & grow my social media presence to help fuel the fire.

My Name is EricaRose Angelina. I was born in NY, I spent most of my adult life after college, in Hollywood, CA. I discovered a passion through what found me: Modeling was something that came to me through my love of stage acting/

theater production of Dracula. My creative passions are what I love. I am very flattered to be part of your magazine. Photographers Credits :: Model: Erica Rose

Hi, I'm Claire, currently prioritizing my exposure on social media. In February I will be modeling at a major Anime/Cosplay convention in Osaka, Japan. I have a small side business where I make and sell candles. I play the guitar and love music.

I enjoy going camping with my twin. I also collect antique historical artifacts. Hope you like my pictures. Photographers Credits :: All photos by Ted Karpovich
